The Haunting Possibility:

Haunting Biology Emma Kowal, 2023-10-13 In *Haunting Biology* Emma Kowal recounts the troubled history of Western biological studies of Indigenous Australians and asks how we now might see contemporary genomics especially that conducted by Aboriginal and Torres Strait Islander scientists Kowal illustrates how the material persistence of samples over decades and centuries folds together the fates of different scientific methodologies Blood bones hair comparative anatomy human biology physiology and anthropological genetics all haunt each other across time and space together with the many racial theories they produced and sustained The stories Kowal tells feature a variety of ghostly presences a dead anatomist a fetishized piece of hair hidden away in a war trunk and an elusive white Indigenous person By linking this history to contemporary genomics and twenty first century Indigeneity Kowal outlines the fraught complexities perils and potentials of studying Indigenous biological difference in the twenty first century *The Haunting Possibility* Susan Fletcher, 1988 An excellent job The plot moves smoothly with nuggets of suspense dropped in just often enough School Library Journal

Jacques Derrida's Ghost David Appelbaum, 2009-07-01 A spirited reading of Derrida's view of ethics as transcendental and performative *Updike and the Patriarchal Dilemma* Mary O'Connell, 1996 A disturbing element exists O'Connell determines in both the texts of the Rabbit novels and in the critical community that examines them In the novels O'Connell finds substantial evidence to demonstrate patterns of psychological and physical abuse toward women citing as the culminating example the mounting toll of literally or metaphorically dead women in the texts *New Perspectives on Sartre* Adrian van den Hoven, Adrian Mirvish, 2010-05-11 This volume deals with a number of topics that have not previously been specifically addressed before in a single text A chapter on Sartre and religion talks about his thought in relation to Christianity Judaism and Buddhism while one on Sartre and children discusses his work in relation to the issues of freedom pregnancy and autism Beyond this there are an additional seven chapters covering a wide variety of topics by leading scholars in the fields of philosophy literature psychology history and political thought While prior publications on Sartre have generally divided his work into two periods pre and post Marxist this volume deliberately stresses a middle and final period as well As representative of the middle period there is an emphasis on Notebooks for an Ethics while Sartre's last work *Hope Now* is also treated as being philosophically significant in its own right This approach helps to cast a new light on what Sartre has to say about authenticity childhood and consciousness as embodied among other subjects The volume also addresses many and diverse issues of current interest including those of freedom Marxism and Sartre's relation to ethics There are sections of the book that deal with history and the historical situations that helped to shape Sartre's thought as well as articles that deal with Sartre as a specifically French thinker A chapter deals with Sartre's relation to women and here the issues of maternity as problematic plus authentic adult relationships are discussed Finally in addition to authors in philosophy and literature there are articles by a child psychiatrist and a clinical psychologist to help to provide new insights

on Sartre's work Even as an academic philosopher Sartre always remained an iconoclast and the aim of this book is at least partially to capture and provide the reader with insight into this spirit

Planet Utopia Mark Featherstone, 2017-02-17 The key figure of the capitalist utopia is the individual who is ultimately free The capitalist's ideal society is designed to protect this freedom However within Planet Utopia Utopia Dystopia Globalisation Featherstone argues that capitalist utopian vision which is most clearly expressed in theories of global finance is no longer sustainable today This book concerns the status of utopian thinking in contemporary global society and the possibility of imagining alternative ways of living outside of capitalism Using a range of sociological and philosophical theories to write the first intellectual history of the capitalist utopia in English Featherstone provokes the reader into thinking about ways of moving beyond this model of organising social life through sociological modes of thought Indeed this enlightening volume seeks to show how utopian thinking about the way people should live has been progressively captured by capitalism with the result that it is difficult to imagine alternatives to capitalist society today Presenting sociology and sociological thinking as a utopian alternative to the capitalist utopia Planet Utopia will appeal to postgraduate and postdoctoral students interested in subjects including Sociology Social Theory Cultural Studies Cultural Theory and Continental Philosophy

Late Godard and the Possibilities of Cinema Daniel Morgan, 2013 Late Godard and the

Possibilities of Cinema is an exhilarating and extremely lucid analysis of the way Godard thinks in of and through cinema Drawing on his extensive knowledge of French culture politics and theory Morgan skillfully illustrates the complex relations between history aesthetics and nature in the director s later works Defying criticism of Godard s alleged retreat from politics this book provides compelling detailed and erudite analyses of his later films and illuminates the auteur s political and aesthetic response to the so called death of cinema Mary Ann Doane author of The Emergence of Cinematic Time Modernity Contingency the Archive Daniel Morgan charts a sensible route into the impenetrable Jean Luc Godard Posing clear yet insistent questions he burrows to the center of both parts of this book s formidable title finding in late Godard an aesthetic fusion that generates the light and heat of a trenchant and powerful political critique Anyone who feels drawn or licensed to write about Godard should read Morgan before setting out Dudley Andrew author of What Cinema Is Daniel Morgan s Late Godard and the Possibilities of Cinema signals a major breakthrough in the international study of the cinema of Jean Luc Godard Reconciling the filmmaker s peculiarly Romantic sense of aesthetics to which the book pays scrupulous material attention with the thorny political histories that Godard s cinema has always probed Morgan gives us new compelling synthetic tools with which to understand an artist who is at once the most cryptic and the most sensuous of all living filmmakers Adrian Martin Monash University co editor of lolajournal.com

Supplanting the Postmodern David Rudrum,Nicholas Stavriv,2015-09-24 For more than a decade now a steadily growing chorus of voices has announced that the postmodern literature art thought and culture of the late 20th century have come to an end At the same time as this the early years of the 21st century have seen a stream of critical formulations proclaiming a successor to postmodernism Intriguing and exciting new terms such as remodernism performatism hypermodernism automodernism renewalism altermodernism digimodernism and metamodernism have been coined proposed and debated as terms for what comes after the postmodern Supplanting the Postmodern is the first anthology to collect the key writings in these debates in one place The book is divided into two parts the first The Sense of an Ending presents a range of positions in the debate around the demise of the postmodern the second Coming to Terms with the New presents representative writings from the new isms mentioned above Each of the entries is prefaced by a brief introduction by the editors in which they outline its central ideas point out the similarities and or differences from other positions found in the anthology and suggest possible strengths and limitations to the insights presented in each piece

The Ghosts of the Avant-Garde(s) James M. Harding,2013-05-22 Pronouncements such as the avant garde is dead argues James M Harding have suggested a unified history or theory of the avant garde His book examines the diversity and plurality of avant garde gestures and expressions to suggest avant garde pluralities and how an appreciation of these pluralities enables a more dynamic and increasingly global understanding of

vanguardism in the performing arts In pursuing this goal the book not only surveys a wide variety of canonical and noncanonical examples of avant garde performance but also develops a range of theoretical paradigms that defend the haunting cultural and political significance of avant garde expressions beyond what critics have presumed to be the death of the avant garde *The Ghosts of the Avant Garde* s offers a strikingly new perspective not only on key controversies and debates within avant garde studies but also on contemporary forms of avant garde expression within a global political economy

The Plot Machine Kai Mikkonen,2021-11-01 This book presents a new and exciting theory of the modern French novel by developing the notion of the narrative as a textual machine Many turn of the century French novels thematically identified their means of narration through the various machines that they depicted The narrative devices that were particularly important in this self reflection included the temporal order of the plot the question of a narrative s beginning and end the hierarchy of narrative voices and the techniques of the point of view The question of mechanization became central on all these fronts Has the novel become automated or machine like At the same time the machine metaphors in the novels of Alfred Jarry Emile Zola Jules Verne Villiers de l Isle Adam Raymond Roussel combined the question of the narrative form with new ways to think about man s relationship with technology and the cultural environment The early modernist texts drew upon contradictory notions of technological promise and threat while they also depicted new forms of identity and behavior related to or modeled after machines These texts highlighted cultural assumptions concerning technological innovations and critiqued mainly through parody and through various figures of man machine fusion the positivistic belief in progress Such writers looked for evidence of advanced forms of consciousness arising out of encounters with new technology such as telephones trains bicycles telegraphy phonographs and electricity This volume will be of interest to anyone working in the field of modern French literary and cultural history It will especially appeal to anyone intrigued with the origins of the modernist novel the history of narrative forms and the question of how the experience of new technology may be portrayed in literary texts

Haunted Bodies Anne Goodwyn Jones,Susan Van D'Elden Donaldson,1997 In *Haunted Bodies* Anne Goodwyn Jones and Susan V Donaldson have brought together some of our most highly regarded southern historians and literary critics to consider race gender and texts through three centuries and from a wealth of vantage points Works as diverse as eighteenth century court petitions and lyrics of 1970s rock music demonstrate how definitions of southern masculinity and femininity have been subject to bewildering shifts and disabling contradictions for centuries
