The Herald Years:

The Herald's History of Los Angeles City Charles Dwight Willard, 2015-12-08 The career of a city contains as much good material out of which an entertaining history may be constructed as does the life of an individual or the development of a nation but for some reason it has come to pass in America that the preparation of city or local history has usually fallen into the hands of schemers who exploit the prominent citizen for his biography and throw in something of a narrative merely as an apology for the book's existence The present book is an attempt to supply in convenient and portable shape the material facts in the history of Los Angeles city It contains nothing in the form of paid or biographical matter strange that such a statement should be needed and it is offered for sale at the bookshops on its merits as a book The Gentleman's Magazine, and Historical Chronicle, for the Year ... , 1863 THE HAPPY YEARS Larry B. Fullen, 2023-08-22 Asheville enjoyed prosperity after the harsh and lean years of the Depression and WWII Predominately low middle income there were no social or economic divisions all were rich in mutual respect and pride of community As youth the homogenic culture and ethnicity of our small town was not recognized The focus was on the Thursday night dances in the park the Fourth of July celebration and winning county sports championships Teachers were neighbors compassionate and dedicated to their profession There was a sense of freedom but is something was wrong or not to expectations parents would know about it immediately An attitude of optimism prevailed unaware that Asheville like many rural communities was not realizing the growth of the metropolitan and industrial areas and that for the younger generation the future was not likely to be in Asheville Later in life we understood the blessings and meaning of small town values the unique shared experiences and lasting friendships from growing up in Asheville Struggles and Triumphs: or, Forty Years' Recollections of P. T. Barnum P. T. Barnum, 2023-11-10 In Struggles and Triumphs or Forty Years Recollections of P T Barnum the legendary showman offers a captivating autobiographical narrative that interweaves personal anecdotes with reflections on his remarkable career Written in a conversational yet eloquent prose style characteristic of 19th century American literature Barnum's memoir delves into the complexities of entrepreneurship fame and the art of entertainment His unique insights into the burgeoning world of spectacle and amusement during the Gilded Age serve as both a historical document and a fascinating exploration of the human spirit's resilience against adversity P T Barnum often hailed as the father of modern marketing was not only an astute promoter but also a visionary who understood the pulse of public interest His rich experiences ranging from humble beginnings to the heights of success with the Barnum Bailey Circus reflect his deep understanding of the entertainment industry This book emerges from a life defined by struggle and triumph heavily influenced by Barnum's commitment to innovation and his relentless pursuit of the extraordinary I highly recommend Struggles and Triumphs to readers interested in the intersection of art commerce and biography It is a compelling account that not only entertains but also inspires by exemplifying how creativity and determination can forge a path through life's challenges **Year Book** United States Engineers. 3d Volunteer

Journalism in the United States, from 1690 to 1872 Frank Luther Mott,2000 [The British Printer](#) ,1894 **The Year of Dangerous Days** Nicholas Griffin,2021-07-06 MIAMI 1980 by journalist and author Nicholas Griffin is a narrative of a pivotal but forgotten year in American history With a cast that includes iconic characters such as Jimmy Carter Fidel Castro and Janet Reno this slice of history is brought to life through fascinating intertwining personal stories At the core there s Edna Buchanan a beautiful reporter for the Miami Herald who breaks the story on the wrongful murder of a black man and the resultant police cover up Captain Marshall Frank the hardboiled homicide detective tasked with investigating the murder and Mayor Maurice Ferre the charismatic politician who watches the case and the city fall apart A roller coaster of national politics and international diplomacy these three figures cross paths and socio economic lines as their city explodes in one of the worst race riots in American history as over 120 000 Cuban refugees land on the Miami coast and as foreign drug cartels flood the city with cocaine and infiltrate all levels of law enforcement and government In a battle of wills Buchanan has to keep up with the 150% uptick in murders Captain Frank has to scrub and then rebuild his police department and Mayor Ferre has to find a way to reconstruct his smoldering city Against all odds they persevere and a stronger more vibrant Miami is forged in the crucible But the new Miami literally built on corruption and drug money will have severe ramifications for the rest of the country *Seventy Weeks Prophecy: How the Bible Foretold the Year Jesus(As) and Muhammad(Saw) Will Come*
