Bennett,Elayne Glover Bennett,2022-11-29 Help your children develop moral character with this updated 30th anniversary edition of the perennial classic The Book of Virtues Almost 3 million copies of the Book of Virtues have been sold since it was published in 1993 It is one of the most popular moral primers ever written an inspiring anthology that helps children understand and develop character and helps parents teach it to them Thirty years ago readers thought that the times were right for a book about moral literacy Back then Americans worried that schools were no longer parents allies in teaching good character As the book s original introduction noted moral anchors and moorings have never been more necessary If that was true in the 1990s it is even more true today The explosion of information with the Internet has left many unsure of what is valuable and

what is not Responsibility Courage Compassion Loyalty Honesty Friendship Persistence Hard work Self discipline Faith These remain the essentials of good character The Book of Virtues contains hundreds of exemplary stories offering children examples of good and bad right and wrong Drawing on the Bible American history Greek mythology English poetry fairy tales and modern fiction William J and Elayne Bennett show children the many virtuous paths they can follow and the ones they ought to avoid For the 30th anniversary edition the Bennetts have slimmed down the book s contents while also finding room to introduce such figures as Mother Teresa Colin Powell and heroes of 9 11 and the War in Afghanistan Here is a rich mine of moral literacy to teach a new generation of children about American culture history and traditions ultimately the ideals by which we wish to live our lives The updated edition of The Book of Virtues will continue a legacy of raising moral children far into a new century The Literary Digest International Book Review Clifford Smyth,1923 **African Women Narrating**
