Reece, 2001-04-20 [Spiritual Formation as the Hero's Journey in John of Ruusbroec](#) Robert Pelfrey, 2022-04-07 This book examines the theology of spiritual formation developed by fourteenth-century Flemish mystic John of Ruusbroec, arguing that his formational path clearly and consistently displays the characteristics of the archetypal narrative structure of the hero's journey. To start with a hermeneutical dialogue between scholars of the hero's journey and Ruusbroec is established, employing the work of Hans Georg Gadamer. The author then examines the stages and tropes of the hero's journey according to Vladimir Propp, Joseph Campbell, Northrop Frye, Ren Girard, Dean Miller, and others, exploring the parallels in Ruusbroec's writing and theology of spiritual formation. The book follows Ruusbroec's story of answering the divine call, journeying inward, and experiencing the trials of spiritual transformation, attaining the treasure of divine union, and returning in loving service to others. Finally, the ramifications of the argument for the interpretation and application of other mystical and heroic narratives are considered. Offering a new perspective on John of Ruusbroec's mystical theology and the hero's journey as a spiritual quest, this volume will be of interest to scholars of mysticism, theology, formative spirituality, narrative theory, and religious literature of the Low Countries. **The Hero Forge** Andy Fisher, 2017-04-03 Part philosophy, part practical handbook, The Hero Forge is designed to empower those who want to make a difference in the world. Andy Fisher guides you chapter by chapter through the tools, attributes, and skills needed to be of service at a time when we are more in need of heroes than ever before. You do not need a cape, a mask, or any superpower to become an everyday hero; just a growth mindset and the desire to be part of something bigger than yourself. Heroes are not born; they are forged, and this is your call to adventure. Will you shy away or embrace the challenge? **Re-Visioning The Way We Work** Ginger Grant, 2005-08 The tools of business are dynamic: capital, people, markets, and ideas. All are living entities in a constant state of flux. To take these tools to work with them and reorganize them in new and different ways to produce a positive effect in your life and your organization is the essence of the creative process. How to get there? This work will provide a working map for

the journey toward your own potential A lucid gateway to Joseph Campbell's monomyth of the hero's journey particularly as it can be applied to one's career Ginger Grant is an excellent interpreter of this invaluable but sometimes rather difficult body of work I recommend her highly William Gibson author of Pattern Recognition A most remarkable technique born of a most remarkable vision This book grounds the world of business management and corporate organization in a mythological psychology It demonstrates practically a way to give creativity and imagination to the real life of the workplace A unique and important contribution to the field David L Miller PhD Watson Ledden Professor Emeritus Syracuse University Ginger Grant's creative reimagining of the work place promises any who will consider her mythic approach to doing business a more flexible and humane corridor out of the stilted and calcified set of rules and formats that govern its behavior Her leading impulse that the corporate ethos will change dramatically only when it understands and accepts its own functioning mythology promises to reanimate the place where we spend the best energies of our lives Dennis Patrick Slattery Core Faculty Pacifica Graduate Institute and author of Grace in the Desert and The Wounded Body

**Heroic** Bill Delvaux, 2019-04-02 It's in the movies we see It's in the news we hear It's in the stories we tell Every man is stirred by the heroic From boyhood we search for heroes starting with our fathers But somewhere along the way all our heroes disappoint us And our attempts to be a hero fair no better leaving us confused and unsure Yet the heroic longing never leaves us We want to be that heroic man but we do not know how Jesus does He is the great Hero of all time And He calls men to follow Him As we follow we will quickly realize that the path is surprising He will first lead us into a place of fear and trembling He will lead us into death It is our initiation as men into the new life of the heroic But the death will be followed by a stunning resurrection We will find out our true names before Him and be given a heroic quest for His kingdom And most importantly we will discover the secret of true greatness letting our lives go to serve others In the end we become most heroic in the silence of His presence Here we will feel His love as he remakes us into His heroic image uniting us to Himself
