*Selected Chinese Cases on the UN Sales Convention (CISG) Vol. 2* Peng Guo,Haicong Zuo,Shu Zhang,2023-04-03 This book focuses on Chinese cases on the CISG decided by Chinese courts of all levels mainly from 2006 to 2010 During this period the number of cases grew gradually The total number of cases still remained low the reasons of which might be the following parties were not familiar with the CISG and therefore decided to opt out of it in addition the case collection and report systems in China at that time were not as developed as now rendering many cases inaccessible

This book provides a comprehensive and detailed analysis of selected cases. The analysis of those cases will be on a case by case basis. For each case an English summary of the judgments will be provided. In the summary the People's Court's approach to the interpretation and application of the CISG will be emphasised. Following the summary are comments of the individual case written either by an academic or a current or former judge from international and comparative perspective to discuss the successes and pitfalls of the interpretation and application of the CISG. This book deals with the cases from 2006 to 2010 in China. These cases reflect how People's Court of all levels started to deal with various issues arising from the CISG and will help understand whether and how the People's Courts change their approaches to the interpretation and application of the CISG in future.

[Folkloric American Witchcraft and the Multicultural Experience](#) Via Hedera, 2021-02-26 Witchcraft and magic in America is an inherently multicultural experience and the folklore of our ancestors from every country converges here at a crossroads. It's a complicated history one of uncertainty and fear displacement and enslavement merging and migration. Our ancestors may not have agreed on how they saw the world or the magic that inhabits the world but they shared a very real fear of Witches Hags Devils charms and spells witchery is rooted in our deepest superstitions and folklore. The traditions of people and their cultures stretch and intersect across the country and this is where the unique traditions of American witchcraft and magic are born. As practitioners seek to revive and reconstruct the paths of our ancestors we've begun to trace the interconnected roots of witchcraft folklore as it emerged in the Americas from the blending of people and their faiths. For multiracial practitioners this is part of our identity as Americans and as witches of this country. [Folkloric American Witchcraft and the Multicultural Experience](#) is an exploration of the folklore magic and witchcraft that was forged in the New World.

[Energy and Technical Building Systems - Scientific and Technological Advances](#) Jarek Kurnitski, Andrea Ferrantelli, 2020-01-31 Future buildings require not only energy efficiency but also proper building automation and control system functionalities in order to respond to the needs of occupants and energy grids. These development paths require a focus on occupant needs such as good indoor climate easy operability and monitoring. Another area to be tackled is energy flexibility which is needed to make buildings responsive to the price signals of electricity grids with increasing amounts of fluctuating renewable energy generation installed both in central grids and at building sites. This Special Issue is dedicated to HVAC systems load shifting indoor climate and energy and ventilation performance analyses in buildings. All these topics are important for improving the energy performance of new and renovated buildings within the roadmap of low energy and nearly zero energy buildings. To improve energy performance and at the same time occupant comfort and wellbeing new technical solutions are required. Occupancy patterns and recognition intelligent building management demand response and performance of heating cooling and ventilation systems are some common keywords in the articles of this Special Issue contributing to future highly
