

THE HUMOR PRISM

IN 20TH-
CENTURY
AMERICA

EDITED BY JOSEPH BOSKIN

The Humor Prism In 20th Century America

Victor Raskin

The Humor Prism In 20th Century America:

The Humor Prism in 20th-century America Joseph Boskin, 1997 The Humor Prism in Twentieth Century America explores to what extent and in what ways American humor in the twentieth century reflects history Why do some jokes evaporate after the telling while others are transmitted to subsequent generations Just what property of humor allows it to touch diverse members of a culture at a given time As a penetrating and refracting angle of history humor illuminates the expectations and contradictions of society its anxieties and confusions and permits perspective into any historic moment The Humor Prism in Twentieth Century America explores to what extent and in what ways American humor in the twentieth century reflects history examining the dynamics and disguised messages behind humor The first section of this volume concentrates on patterns of humor in the twentieth century Section two looks at the power and politics of women s humor and at multicultural humor The final section presents and evaluates the major joke cycles from the post World War II period to the 1990s as responses to profound social and economic change such as Polish jokes and JAP jokes *The Primer of Humor Research* Victor Raskin, 2008-11-06 The book is intended to provide a definitive view of the field of humor research for both beginning and established scholars in a variety of fields who are developing an interest in humor and need to familiarize themselves with the available body of knowledge Each chapter of the book is devoted to an important aspect of humor research or to a disciplinary approach to the field and each is written by the leading expert or emerging scholar in that area There are two primary motivations for the book The positive one is to collect and summarize the impressive body of knowledge accumulated in humor research in and around Humor The International Journal of Humor Research The negative motivation is to prevent the embarrassment to and from the first timers often established experts in their own field who venture into humor research without any notion that there already exists a body of knowledge they need to acquire before publishing anything on the subject unless they are in the business of reinventing the wheel and have serious doubts about its being round The organization of the book reflects the main groups of scholars participating in the increasingly popular and high powered humor research movement throughout the world an 800 to 1 000 strong contingent and growing The chapters are organized along the same lines History Research Issues Main Directions Current Situation Possible Future Bibliography and use the authors definitive credentials not to promote an individual view but rather to give the reader a good comprehensive and condensed view of the area **A Companion to Popular Culture** Gary Burns, 2016-05-02 A Companion to Popular Culture is a landmark survey of contemporary research in popular culture studies that offers a comprehensive and engaging introduction to the field Includes over two dozen essays covering the spectrum of popular culture studies from food to folklore and from TV to technology Features contributions from established and up and coming scholars from a range of disciplines Offers a detailed history of the study of popular culture Balances new perspectives on the politics of culture with in depth analysis of topics at the forefront of popular culture studies *Encyclopedia of 20th-Century American Humor*

Alleen Pace Nilsen, Don Nilsen, 2000-01-20 Review This unique encyclopedia treats the concepts persons themes and media of 20th century American humor and humor studies More than 100 alphabetically arranged entries highlight a broad range of humor related topics from wit understatement and ambiguity to late night talk shows and the Internet Outstanding Reference Sources American Libraries May 2001 *The Language of Humor* Don L. F. Nilsen, Alleen Pace Nilsen, 2018-11-01 Much of today's communication is carried out through various kinds of humor and we therefore need to be able to understand its many aspects Here two of the world's leading pioneers in humor studies Alleen and Don Nilsen explore how humor can be explained across the numerous sub disciplines of linguistics Drawing on examples from language play and jokes in a range of real life contexts such as art business marketing comedy creative writing science journalism and politics the authors use their own theory of Features functions and subjects of Humor to analyze humor across all disciplines Each highly accessible chapter uses a rich array of examples to stimulate discussion and interaction even in large classes Supplemental PowerPoints to accompany each of the 25 chapters are available online taking many of the insights from the chapters for further interactional discussions with students Caricature and National Character Christopher J. Gilbert, 2021-04-19 According to the popular maxim a nation at war reveals its true character In this incisive work Chris Gilbert examines the long history of US war politics through the lens of political cartoons to provide new unique insights into American cultural identity Tracing the comic representation of American values from the First World War to the War on Terror Gilbert explores the power of humor in caricature to expose both the folly in jingoistic virtues and the sometimes strange fortune in nationalistic vices He examines the artwork of four exemplary American cartoonists James Montgomery Flagg Dr Seuss Ollie Harrington and Ann Telnaes to craft a trenchant image of Americanism These examinations animate the rhetorical and indeed comic force of icons like Uncle Sam national symbols like the American Eagle political stooges like President Donald J Trump and more as well as the power of political cartoons to comment on issues of race class and gender on the home front Throughout Gilbert portrays a US culture rooted in and riven by ideas of manifest destiny patriotism and democracy for all yet plagued by ugly forms of nationalism misogyny racism and violence Rich with examples of hilarious and masterfully drawn caricatures from a diverse range of creators this unflinching look at the evolution of our conflicted national character illustrates how American cartoonists use farce mockery and wit to put national character in the comic looking glass *The Oxford Companion to United States History* Paul S. Boyer, 2001-07-04 Here is a volume that is as big and as varied as the nation it portrays With over 1 400 entries written by some 900 historians and other scholars it illuminates not only America's political diplomatic and military history but also social cultural and intellectual trends science technology and medicine the arts and religion Here are the familiar political heroes from George Washington and Benjamin Franklin to Abraham Lincoln Woodrow Wilson and Franklin D Roosevelt But here too are scientists writers radicals sports figures and religious leaders with incisive portraits of such varied individuals as Thomas Edison and Eli Whitney Babe Ruth and Muhammed Ali Black Elk and Crazy Horse

Margaret Fuller Emma Goldman and Marian Anderson even Al Capone and Jesse James The Companion illuminates events that have shaped the nation the Great Awakening Bunker Hill Wounded Knee the Vietnam War major Supreme Court decisions Marbury v Madison Roe v Wade landmark legislation the Fugitive Slave Law the Pure Food and Drug Act social movements Suffrage Civil Rights influential books The Jungle Uncle Tom's Cabin ideologies conservatism liberalism Social Darwinism even natural disasters and iconic sites the Chicago Fire the Johnstown Flood Niagara Falls the Lincoln Memorial Here too is the nation's social and cultural history from Films Football and the 4 H Club to Immigration Courtship and Dating Marriage and Divorce and Death and Dying Extensive multi-part entries cover such key topics as the Civil War Indian History and Culture Slavery and the Federal Government A new volume for a new century The Oxford Companion to United States History covers everything from Jamestown and the Puritans to the Human Genome Project and the Internet from Columbus to Clinton Written in clear graceful prose for researchers browsers and general readers alike this is the volume that addresses the totality of the American experience its triumphs and heroes as well as its tragedies and darker moments

Film Comedy and the American Dream Zach Sands, 2017-09-13 Film Comedy and the American Dream is an examination of national identity in the era of the American superpower as projected in popular comedic films that center on issues of upward mobility It is the story of what made audiences laugh and why and what this says about the changing shape of the American Dream from the end of the Second World War through the first part of the twenty first century Through a combination of narrative and thematic analyses of popular comedic films contextualized within a dynamic historical framework the book traces the increasing disillusionment with this central ideology in the face of multiple forms of systemic exclusion It argues that film comedy is a major component of the discourse surrounding the American Dream because these movies often evoke humor by highlighting the incongruities that exist between the ideals that define this nation versus the actual lived experiences of its citizens *Standing Up, Speaking Out* Matthew R. Meier, Casey R. Schmitt, 2016-10-14 In recent decades some of the most celebrated and culturally influential American oratorical performances have come not from political leaders or religious visionaries but from stand up comics Even though comedy and satire have been addressed by rhetorical scholarship in recent decades little attention has been paid to stand up This collection is an attempt to further cultivate the growing conversation about stand up comedy from the perspective of the rhetorical tradition It brings together literatures from rhetorical cultural and humor studies to provide a unique exploration of stand up comedy that both argues on behalf of the form's capacity for social change and attempts to draw attention to a series of otherwise unrecognized rhetors who have made significant contributions to public culture through comedy *The Oxford Encyclopedia of American Cultural and Intellectual History*, 2013 Over 600 A-Z articles on a wide range of topics in American cultural and intellectual History Explores American cultural and intellectual history from the colonial period to the present day Annotated bibliographies to highlight the major works in the field Expands and updates The Oxford Companion to United States History

Unveiling the Power of Verbal Beauty: An Mental Sojourn through **The Humor Prism In 20th Century America**

In some sort of inundated with screens and the cacophony of quick transmission, the profound energy and psychological resonance of verbal artistry frequently disappear into obscurity, eclipsed by the regular assault of sound and distractions. The Humor Prism In 20th Century America Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Humor Prism In 20th Century America has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Humor Prism In 20th Century America has opened up a world of possibilities. Downloading The Humor Prism In 20th Century America provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Humor Prism In 20th Century America has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Humor Prism In 20th Century America. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Humor Prism In 20th Century America. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Humor Prism In 20th Century America, users should also consider the potential security risks associated with online platforms. Malicious actors may

exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Humor Prism In 20th Century America has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About The Humor Prism In 20th Century America Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Humor Prism In 20th Century America is one of the best book in our library for free trial. We provide copy of The Humor Prism In 20th Century America in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Humor Prism In 20th Century America. Where to download The Humor Prism In 20th Century America online for free? Are you looking for The Humor Prism In 20th Century America PDF? This is definitely going to save you time and cash in something you should think about.
