The Idiot

Anthony S. Fauci

The Idiot:

The Idiot Fyodor Dostoyevsky, 1998 Revealing Dostoyevsky's acute artistic sense and penetrating psychological insight this new translation is meticulously faithful to the original *The Idiot* Fyodor Dostoyevsky, 2009-01-01 A Russian prince returns to Saint Petersburg after a long absence in Switzerland where he was undergoing treatment for epilepsy On the train he meets and befriends a man of low origins This man becomes the dark counterpart of the inherently good prince the two can also be seen as Christ and devil like figures Dostoyevsky wished to portray an unspoiled man whose goodness is plunged into the chaos of Saint Petersburg society and a passionate contest for the disreputable Nastasya The Idiot Fyodor Dostoyevsky, 2002-04-30 In *The Idiot* the saintly Prince Myshkin returns to Russia from a Swiss sanatorium and finds himself a stranger in a society obsessed with wealth power and sexual conquest He soon becomes entangled in a love triangle with a notorious kept woman Nastasya and a beautiful young girl Aglaya Extortion and scandal escalate to murder as Dostoyevsky's positively beautiful man clashes with the emptiness of a society that cannot accommodate his innocence and moral idealism *The Idiot* is both a powerful indictment of that society and a rich and gripping masterpiece From award winning translators a masterful new translation never before published of the novel in which Fyodor Dostoyevsky set out to portray a truly beautiful soul **The Idiot** Fyodor Dostoyevsky, 2017-09-02 Returning to Russia from a sanitarium in Switzerland the Christ like epileptic Prince Myshkin finds himself enmeshed in a tangle of love torn between two women the notorious kept woman Nastasya and the pure Aglaya both involved in turn with the corrupt money hungry Ganya In the end Myshkin's honesty goodness and integrity are shown to be unequal to the moral emptiness of those around him In her revision of the Garnett translation Anna Brailovsky has corrected inaccuracies wrought by Garnett's drastic anglicization of the novel restoring as much as possible the syntactical structure of the original About Fyodor Dostoyevsky Fyodor Mikhailovich Dostoyevsky sometimes transliterated Dostoyevsky was a Russian novelist journalist and short story writer whose psychological penetration into the human soul had a profound influence on the 20th century novel Dostoyevsky was the second son of a former army doctor He was educated at home and at a private school Shortly after the death of his mother in 1837 he was sent to St Petersburg where he entered the Army Engineering College Dostoyevsky's father died in 1839 most likely of apoplexy but it was rumored that he was murdered by his own serfs Dostoyevsky graduated as a military engineer but resigned in 1844 to devote himself to writing His first novel *Poor Folk* appeared in 1846 That year he joined a group of utopian socialists He was arrested in 1849 and sentenced to death commuted to imprisonment in Siberia Dostoyevsky spent four years in hard labor and four years as a soldier in Semipalatinsk a city in what it is today Kazakhstan I've been trying to review this book for over a week now but I can't I'm struggling with something How do I review a Russian literature classic Better yet how do I review a Russian literature classic without sounding like a total dumbass Hint It's probably not going to happen First I suppose a short plot synopsis should be in order *The Idiot* portrays young childlike Prince Myshkin who returns to his native Russia to

seek out distant relatives after he has spent several years in a Swiss sanatorium While on the train to Russia he meets and befriends a man of dubious character called Rogozhin Rogozhin is unhealthily obsessed with the mysterious beauty Nastasya Filippovna to the point where the reader just knows nothing good will come of it Of course the prince gets caught up with Rogozhin Filippovna and the society around them The only other Dostoevsky novel I've read was Crime and Punishment so of course my brain is going to compare the two Where Crime and Punishment deals with Raskolnikov's internal struggle The Idiot book deals with Prince Myshkin's effect on the society he finds himself a part of And what a money hungry power hungry cold and manipulative society it is There are many reviews of this book making out that Prince Myshkin was Christ like a truly good man who lived for the moment A holy idiot or more accurately wholly idiot indeed is what he really was Why did they think Dostoyevsky entitled the book The Idiot if he meant The Man who was Innocent and Really Good or The Man who was like Jesus The title wasn't any kind of irony it was about an idiot Prince Myshkin had spent years in a sanitarium for his epilepsy and returns to Russia where he trusts untrustworthy people falls for all their plots where he is the patsy and falls in love with a rather uppity girl who returns his affections and then when it comes to the moment chooses another woman for all the wrong reasons and thereby ends up rejected by both

The Idiot Fyodor Dostoyevsky, 1996 Prince Myshkin returns to Russia from an asylum in Switzerland Embroiled in the intrigues which centre around the ruling classes he emerges as a combination of the Christian ideal and Dostoevsky's own views The world created by the ruling classes cannot accommodate the goodness of this idiot

The Idiot Fyodor Mikhailovich Dostoevsky, Henry Carlisle, 2003-04 The tragic story of the saintly Prince Myshkin's undoing at the hands of unsympathetic friends in a new rendition based on the Constance Garnett translation Includes a reading group guide

The Idiot Fyodor Dostoevsky, 2018-01-17 The Idiot is a novel by the 19th century Russian author Fyodor Dostoyevsky It was first published serially in the journal The Russian Messenger in 1868-9 The title is an ironic reference to the central character of the novel Prince Knyaz Lev Nikolaevich Myshkin a young man whose goodness and open hearted simplicity lead many of the more worldly characters he encounters to mistakenly assume that he lacks intelligence and insight In the character of Prince Myshkin Dostoevsky set himself the task of depicting the positively good and beautiful man The novel examines the consequences of placing such a unique individual at the centre of the conflicts desires passions and egoism of worldly society both for the man himself and for those with whom he becomes involved The result according to philosopher A C Grayling is one of the most excoriating compelling and remarkable books ever written and without question one of the greatest

The Idiot Fyodor Dostoyevsky, 2015-10-16 The Idiot is a novel written by the 19th century Russian author Fyodor Dostoyevsky

The Idiot Fyodor Dostoyevsky, Eva Martin, 2020-04-07 A novel of innocence and iniquity love and murder by the nineteenth century Russian author of Crime and Punishment and The Brothers Karamazov After several years in a Swiss sanatorium twenty six year old Prince Myshkin returns to Russian society to collect his rightful inheritance But he soon crosses paths with the dark Rogozhin a rich merchant's son whose desire for

Nastasya Filippovna will set the three of them on a tragic course As author Fyodor Dostoevsky traces the effect of Myshkin's innocence on the people around him in St Petersburg scandal escalates to murder I think *The Idiot* to be a masterpiece flawed occasionally tedious or overwrought like many masterpieces but a fact of world literature just as important as the densely dramatic *Brothers Karamazov* or the brilliantly subtle and terrifying *Devils* In those two novels as in the simpler *Crime and Punishment* Dostoevsky had plots and political and religious ideas working together In *The Idiot* he is straining to grasp a story and a character converting themselves from Gothic to Saint's Life on the run What makes the greatness is double the character of the prince and a powerful series of confrontations with death The true subject of *The Idiot* is the imminence and immanence of death A S Byatt *The Guardian* Nothing is outside Dostoevsky's province Out of Shakespeare there is no more exciting reading Virginia Woolf

The Idiot Fyodor Dostoyevsky, 2003 Dostoevsky's *THE IDIOT* is a powerhouse novel of passion and spiritual purity Prince Myshkin a Christ-like figure is the meek yet steadfast holy fool who changes the lives of desperate men fallen women and yet stands a helpless witness to their passionate self-destruction *THE IDIOT* is possibly the only novel by Dostoevsky which does not merely dwell on the darkness but wrenches the reader's heart in an emotional and uplifting catharsis A passionate masterpiece by one of Russia's classical masters of the intense psychological novel

Adopting the Melody of Expression: An Emotional Symphony within **The Idiot**

In a global used by displays and the ceaseless chatter of instantaneous interaction, the melodic elegance and mental symphony created by the written term often fade in to the background, eclipsed by the persistent sound and interruptions that permeate our lives. Nevertheless, set within the pages of **The Idiot** a marvelous literary treasure brimming with fresh feelings, lies an immersive symphony waiting to be embraced. Constructed by an outstanding composer of language, that fascinating masterpiece conducts readers on an emotional journey, skillfully unraveling the concealed songs and profound influence resonating within each cautiously crafted phrase. Within the depths with this touching analysis, we can examine the book is main harmonies, analyze its enthralling writing model, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
