The Illuminati Manifesto Authorzone Com Authorzone Com, Solomon Tulbure, 2001-12-23 By the late 1600s Masonic lodges were abandoning the rules of the masters and all forms of infighting took place The Masonic Brotherhood was to remain a secular institution but renegades started their own Masonic Lodges invented initiation rituals and permitted just about anyone whom wished and had wealth or position of power to join their Lodges The Church even though it banished and denounced the Masonic Order sent agents Jesuit priests to infiltrate the organization which until the 1700 was comprised of secularists philosophers and the educated elite and men of influence In 1701 a group of friends gathered together at the house of a host whom had invited them to his birth day party It is during this occasion while the 13 of them were in the host cellar admiring the fine wine collection and relaxing in the cool of the chamber that the issue of politics and religion was brought up These wealthy friends decided then and there to seek out all the Masons whom were atheists deists agnostics and freethinkers and initiate them into a circle of friends with the goal to eradicate religion and seek to free man kind from the chains of superstition The new initiates were taught the art of the Craft and learned to master it and use it to find potential new recruits Adam Weishaupt was soon called before the council and asked if he would be the Initiator of the Order later to be known as The Illuminati Order Weishaupt was very successful as he had deep and far reaching connections as well as close friendship with the Enlightened Masons of Europe He set up many Illuminati Lodges within the European Lodges and charged a group of loyal friends to start Lodges in America and recruit every liberal minded person of notoriety The Circle of Friends already had special friends in America and the founding fathers of the US constitution were among the strongest Illuminists having recruited many industrialists and bought many others with funds provided by the Circle of Friends John Adams had established many institutions in France Germany and England after which the Illuminati were ordered to operate from deep underground cover

these there have always been secret societies and groups working in the shadows for the emancipation of humanity The Illuminati formed in 1776 among European Freemasons and academics with the intention of liberating humanity from physical mental and spiritual bondage This brought them into conflict with the ruling elite and religion but during their brief incarnation they encapsulated the entire ethos of counter culture into a single system of organized dissent that is still relevant today The term Illuminati has since become usurped by the idea of a New World Order but their principles live on through counter culture and the connected communities of the internet age Hacktivits and cultural movements like Anonymous and WikiLeaks currently wage war against corrupt corporations and government agencies that try to oppress and exploit society This book is a wake up call for all who value their liberty and privacy to join the battle to protect counter culture before it is too late
