The Imperfect Union:

The Imperfect Union Peter E. Quint, 2012-09-17 In the mid summer of 1989 the German Democratic Republic known as the GDR or East Germany was an autocratic state led by an entrenched Communist Party A loyal member of the Warsaw Pact it was a counterpart of the Federal Republic of Germany West Germany which it confronted with a mixture of hostility and grudging accommodation across the divide created by the Cold War Over the following year and a half dramatic changes occurred in the political system of East Germany and culminated in the GDR's accession to the Federal Republic itself Yet the end of Germany's division evoked its own new and very bitter constitutional problems The Imperfect Union discusses these issues and shows that they are at the core of a great event of political economic and social history Part I analyzes the constitutional history of eastern Germany from 1945 through the constitutional changes of 1989 1990 and beyond to the constitutions of the re-created east German states Part II analyzes the Unification Treaty and the numerous problems arising from it the fate of expropriated property on unification the unification of the disparate eastern and western abortion regimes the transformation of East German institutions such as the civil service the universities and the judiciary prosecution of former GDR leaders and officials the rehabilitation and compensation of GDR victims and the issues raised by the fateful legacy of the files of the East German secret police Part III examines the external aspects of unification The Imperfect Union John Hutchinson, 1970

Mobsters, Unions, and Feds James B Jacobs, 2006-01-01 This worthy successor to *Gotham Unbound* is an exhaustive survey of the grip La Cosa Nostra has exerted on the country's most powerful unions Publishers Weekly Nowhere in the world has organized crime infiltrated the labor movement as effectively as in the United States Yet the government the AFL CIO and the civil liberties community all but ignored the situation for most of the twentieth century Since 1975 however the FBI Department of Justice and the federal judiciary have relentlessly battled against labor racketeering even in some of the nation's most powerful unions *Mobsters Unions and Feds* is the first book to document organized crime's exploitation of organized labor and the massive federal cleanup effort A renowned criminologist who for twenty years has been assessing the government's attack on the Mafia James B Jacobs explains how Cosa Nostra families first gained a foothold in the labor movement then consolidated their power through patronage fraud and violence and finally used this power to become part of the political and economic power structure of twentieth century urban America Since FBI Director J Edgar Hoover's death in 1972 federal law enforcement has aggressively investigated and prosecuted labor racketeers as well as utilized the civil remedies provided for by the Racketeer Influenced and Corrupt Organization (RICO) statute to impose long term court supervised remedial trusteeships on mobbed up unions There have been some impressive victories including substantial progress toward liberating the four most racketeer ridden national unions from the grip of organized crime but victory cannot yet be claimed A must read book for anyone interested in the problem of union corruption and what to do about it *Industrial and Labor Relations Review*

An Imperfect Union Paul Finkelman, 2000 Originally

published Chapel Hill N C University of North Carolina Press c1981 *Imperfect Union* Steve Inskeep,2020-01-14 Steve Inskeep tells the riveting story of John and Jessie Fr mont the husband and wife team who in the 1800s were instrumental in the westward expansion of the United States and thus became America s first great political couple John C Fr mont one of the United States s leading explorers of the nineteenth century was relatively unknown in 1842 when he commanded the first of his expeditions to the uncharted West But in only a few years he was one of the most acclaimed people of the age known as a wilderness explorer bestselling writer gallant army officer and latter day conquistador who in 1846 began the United States s takeover of California from Mexico He was not even 40 years old when Americans began naming mountains and towns after him He had perfect timing exploring the West just as it captured the nation s attention But the most important factor in his fame may have been the person who made it all possible his wife Jessie Benton Fr mont Jessie the daughter of a United States senator who was deeply involved in the West provided her husband with entr e to the highest levels of government and media and his career reached new heights only a few months after their elopement During a time when women were allowed to make few choices for themselves Jessie who herself aspired to roles in exploration and politics threw her skill and passion into promoting her husband She worked to carefully edit and publicize his accounts of his travels attracted talented young men to his circle and lashed out at his enemies She became her husband s political adviser as well as a power player in her own right In 1856 the famous couple strategized as John became the first ever presidential nominee of the newly established Republican Party With rare detail and in consummate style Steve Inskeep tells the story of a couple whose joint ambitions and talents intertwined with those of the nascent United States itself Taking advantage of expanding news media aided by an increasingly literate public the two linked their names to the three great national movements of the time westward settlement women s rights and opposition to slavery Together John and Jessie Fr mont took parts in events that defined the country and gave rise to a new more global America Theirs is a surprisingly modern tale of ambition and fame they lived in a time of social and technological disruption and divisive politics that foreshadowed our own In *Imperfect Union* as Inskeep navigates these deeply transformative years through Jessie and John s own union he reveals how the Fr monts adventures amount to nothing less than a tour of the early American soul **Imperfect Union** Paul Finkelman,2000

Uniting the Kingdom? Alexander Grant,Keith Stringer,2002-11 A group of Britain s most prestigious historians assemble to explore the formation of the UK its history and its identity Traditional regional and chronological frontiers are broken down as mediev alists modernists and early modernists debate *There Is Power in a Union* Philip Dray,2011-09-20 From the nineteenth century textile mills of Lowell Massachusetts to the triumph of unions in the twentieth century and their waning influence today the contest between labor and capital for the American bounty has shaped our national experience In this stirring new history Philip Dray shows us the vital accomplishments of organized labor and illuminates its central role in our social political economic and cultural evolution His epic character driven narrative not only restores to our collective

memory the indelible story of American labor it also demonstrates the importance of the fight for fairness and economic democracy and why that effort remains so urgent today

Out in the Union Miriam Frank, 2014-06-13 *Out in the Union* tells the continuous story of queer American workers from the mid 1960s through 2013 Miriam Frank shrewdly chronicles the evolution of labor politics with queer activism and identity formation showing how unions began affirming the rights of lesbian gay bisexual and transgender workers in the 1970s and 1980s She documents coming out on the job and in the union as well as issues of discrimination and harassment and the creation of alliances between unions and LGBT communities Featuring in depth interviews with LGBT and labor activists Frank provides an inclusive history of the convergence of labor and LGBT interests She carefully details how queer caucuses in local unions introduced domestic partner benefits and union based AIDS education for health care workers innovations that have been influential across the U S workforce *Out in the Union* also examines organizing drives at queer workplaces campaigns for marriage equality and other gay civil rights issues to show the enduring power of LGBT workers

State of the Union Nelson Lichtenstein, 2013-08-25 In a fresh and timely reinterpretation Nelson Lichtenstein examines how trade unionism has waxed and waned in the nation s political and moral imagination among both devoted partisans and intransigent foes From the steel foundry to the burger grill from Woodrow Wilson to John Sweeney from Homestead to Pittston Lichtenstein weaves together a compelling matrix of ideas stories strikes laws and people in a streamlined narrative of work and labor in the twentieth century The labor question became a burning issue during the Progressive Era because its solution seemed essential to the survival of American democracy itself Beginning there Lichtenstein takes us all the way to the organizing fever of contemporary Los Angeles where the labor movement stands at the center of the effort to transform millions of new immigrants into alert citizen unionists He offers an expansive survey of labor s upsurge during the 1930s when the New Deal put a white male version of industrial democracy at the heart of U S political culture He debunks the myth of a postwar management labor accord by showing that there was at most a limited unstable truce Lichtenstein argues that the ideas that had once sustained solidarity and citizenship in the world of work underwent a radical transformation when the rights centered social movements of the 1960s and 1970s captured the nation s moral imagination The labor movement was therefore tragically unprepared for the years of Reagan and Clinton although technological change and a new era of global economics battered the unions their real failure was one of ideas and political will Throughout Lichtenstein argues that labor s most important function in theory if not always in practice has been the vitalization of a democratic ethos at work and in the larger society To the extent that the unions fuse their purpose with that impulse they can once again become central to the fate of the republic *State of the Union* is an incisive history that tells the story of one of America s defining aspirations This edition includes a new preface in which Lichtenstein engages with many of those who have offered commentary on *State of the Union* and evaluates the historical literature that has emerged in the decade since the book s initial publication He also brings his narrative into the current

moment with a final chapter Obama s America Liberalism without Unions

Decoding **The Imperfect Union**: Revealing the Captivating Potential of Verbal Expression

In a time characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its capability to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. The Imperfect Union Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Imperfect Union has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Imperfect Union has opened up a world of possibilities. Downloading The Imperfect Union provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Imperfect Union has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Imperfect Union. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Imperfect Union. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Imperfect Union, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Imperfect Union has transformed the way we access information. With the

convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About The Imperfect Union Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience.
