The Indifferent Heart Alexandra Sellers,1985 The Indifferent Heart Alix De Quincy,1981-01-01 **Treatise on the Love of God** Saint Francis de Sales,2007-06-01 Treatise on the Love of God Saint Francis de Sales,Aeterna Press,2017-05-28

THE following Treatise presents at first sight considerable difficulties They do not arise from any defect in the Saint s mode of expression but are inherent in his subject and manner of treatment going deep down into the roots of the Love of God Thus he speaks in his Preface and continues The first four books and some chapters of the others might doubtless have been omitted without disadvantage to such souls as seek only the practice of holy love I have been forced to say many things which will appear more obscure than they are The depths of science are always somewhat hard to sound But he tells us that the state of the minds of his age required this deeper treatment and whatever may be thought as to the best way of presenting modern religious teaching to an age so ignorant so shallow and so unthinking as is our own with regard to spiritual truths there can be no question that this masterpiece of the chief doctor of ascetic theology must not be brought down to our level but that we must raise ourselves towards it Aeterna Press *Saint Francis de Sales Collection [10 Books]* Saint Francis de Sales,Aeterna Press, SAINT FRANCIS DE SALES COLLECTION 10 BOOKS Quality Formatting and Value Active Index Multiple Table of Contents for all Books Multiple Illustrations Francis de Sales was a Bishop of Geneva and is honored as a saint in the Roman Catholic Church He became noted for his deep faith and his gentle approach to the religious divisions in his land resulting from the Protestant Reformation He is known also for his writings on the topic of spiritual direction and spiritual formation particularly the Introduction to the Devout Life and the Treatise on the Love of God In 1583 De Sales went to the Coll ge de Clermont later renamed Lyc e Louis le Grand in Paris then a Jesuit institution to study rhetoric and humanities As a nobleman he was accompanied by his own servant and by a priest tutor Abbe Deage To please his father he took lessons in the gentlemanly pursuits of riding dancing and fencing De Sales is described as intelligent and handsome tall and well built with blue grey eyes somewhat reserved and quiet and a welcome guest in the homes of the nobility among whom his father had connections BOOKS INTRODUCTION TO A DEVOUT LIFE LETTERS TO PERSONS IN RELIGION LETTERS TO PERSONS IN THE WORLD PRACTICAL PIETY THE CATHOLIC CONTROVERSY THE CONSOLING THOUGHTS OF SAINT FRANCIS DE SALES THE MYSTICAL EXPLANATION OF THE CANTICLE OF CANTICLES THE SECRET OF SANCTITY THE SPIRITUAL CONFERENCES TREATISE ON THE LOVE OF GOD PUBLISHER AETERNA PRESS

God Reforms Hearts Thaddeus Williams,2021-08-11 Must we be free to truly love Evil is a problem for all Christians When responding to objections that both evil and God can exist many resort to a free will defense where God is not the creator of evil but of human freedom by which evil is possible This response is so pervasive that it is just as often assumed as it is defended But is this answer biblically and philosophically defensible In *God Reforms Hearts* Thaddeus J Williams offers a friendly challenge to the central claim of the free will defense that love is possible only with true or libertarian free will

Williams argues that much thinking on free will fails to carve out the necessary distinction between an autonomous will and an unforced will Scripture presents a God who desires relationship and places moral requirements on his often rebellious creatures but does absolute free will follow Moreover God s work of transforming the human heart is more thorough than libertarian freedom allows With clarity precision and charity Williams judges the merits and shortcomings of the relational free will defense while offering a philosophically and biblically robust alternative that draws from theologians of the past to point a way forward

Liberty, Governance and Resistance John William Tate, 2024-08-30 John Locke is widely perceived as a foundational figure within the liberal tradition This book investigates the competing discourses that inform Locke s political philosophy each underwritten by a distinct purpose not all of which result in philosophical outcomes consistent with what we today understand as liberal ideals Locke himself was unaware that he belonged to a liberal tradition Traditions only acquire meaning in retrospect But many have perceived the development of Locke s political philosophy as involving a smooth evolution from authoritarian origins to liberal conclusions beginning with Locke s Two Tracts on Government 1660 62 and culminating in his later political works the Two Treatises of Government 1689 and A Letter Concerning Toleration 1689 This book advances an interpretation of this development which reveals how from the time of his earliest writings Locke sought to advance competing discourses within his political philosophy each reflecting a different purpose with the result that this evolution was not as smooth as often supposed Indeed many of Locke s earlier commitments and purposes remained in his later political writings The result is a much more complex and variegated understanding of Locke s political philosophy than hitherto supposed within the Locke literature Liberty Governance and Resistance will be of interest to students and researchers studying Locke liberalism and the history of ideas
