The Infinite Nearness Of God:

God's Best Secrets Andrew Murray,1923 **The God Who Lives** Adam Pryor,2014-01-13 Christian theology has affirmed throughout its history that God is a living God But what does it mean that God lives Why does it matter Does God live like us If God does not live like us what is the difference between our living and God s living These are the questions Adam Pryor addresses in *The God Who Lives* The book considers life as a conceptual problem examining how new studies about the emergence of life have critical implications for interpreting the religious symbol God is living In particular Pryor suggests how absence and desire what is termed abstential desire are critical principles of life for scientific and philosophical thinking today He goes on to develop a constructive theological proposal in which the theological meaning of the symbol God is living is interpreted in terms of the insights garnered from the principle of abstential desire concluding that God can be understood as akin to the role played by absence in living things Life is an absent but effective whole in relation to the material parts of which it is comprised God as living is a similarly effective absence in relation to the world *God and His World* Samuel Robert Calthrop,1905 *The Notebooks of Simone Weil* Simone Weil,2013-05-13 Simone Weil 1909 1943 was a defining figure of the twentieth century a philosopher Christian resistance fighter anarchist feminist Labour activist and teacher She was described by T S Eliot as a woman of genius of a kind of genius akin to that of the saints and by Albert Camus as the only great spirit of our time Originally published posthumously in two volumes these newly reissued notebooks are among the very few unedited personal writings of Weil s that still survive today Containing her thoughts on art love science God and the meaning of life they give context and meaning to Weil s famous works revealing an unique philosophy in development and offering a rare private glimpse of her singular personality **The Christian Treasury** Anonymous,2022-05-09 Reprint of the original first published in 1869 *Christian Treasury* ,1867 **The Christian treasury (and missionary review).** ,1867 **Man as a Place of God** Renée van Riessen,2007-08-07 This book offers an examination of Levinas s philosophy of religion in light of his ethics and anthropology It provides critical perspectives on Levinas by relating his work to that of Heidegger Ricoeur Rorty Derrida and Vattimo The focus of interpretation is the hermeneutics of kenosis the subject s ability to be open towards the other to the point where man can be seen as a place of God *The Medium and Daybreak* ,1884 *Quiver* ,1888 V 12 contains *The Archer* Christmas 1877
