The Other Side of Communication Jean Vautoir Paul, 2022-06-01 I Jean Vautoir Paul was born in Jérémie Haiti. My mother, two sisters and I went to Port-au-Prince, the capital of Haiti, on the invitation of our aunt Edele. She introduced us to Ms Eleanor Louise Snare, a white American lady who adopted our orphan cousin Jean-François Snare, who really needed a mom or a dad at that time. She raised us as a big happy family. Those three women had inculcated in us the best moral principles ever. Ms Snare couldn't afford to send us to college, so with only my high school diploma, I went to teach English. After a few years, I was blessed to run my own English school, One Way English School in Thomassin 25. In 1999, I left for Philadelphia, and in 2014, I left for Florida and settled here since I always dreamed to make a difference in other people's lives. Therefore, on a day-by-day basis, I do my research so I can become a professional writer to bring change, hope, love, understanding, wisdom, compassion, and respect in the lives of so many who need and deserve it. Hopefully, my books do just that so I can form better people, children, societies, and families for a better world. I take pleasure in writing. It's my life. Read my books and get addicted to doing the right thing.
