Frequency Revelator, 2019-11-16 Have you ever wondered why multitudes of people are entrapped in a morass of debilitating

circumstances of poverty lack sickness defeat and other webs of demonic entanglement In this publications Apostle Frequency Revelator unpacks the divine truths that many of God s people are agonized in this manner simply because of their lack of understanding of the spiritual laws governing the legal realm in which we operate The truth is that the severity of a man s situation isn t the problem but rather his ignorance of spiritual laws in his bane In the natural realm any man who doesn t understand the demands or requirements of the law or does not seek legal counsel with regard to a legal matter levied against him in the court of law can actually loose the case simply because he lacks legal knowledge In some quarters of the society others have gone to the extent of being detained in jail for the crimes they never committed simply because they lacked legal representation in the court of law As it is in the natural so it is in the spiritual realm In this publications Apostle Frequency Revelator unpacks the reality that dozens of believers suffer tragedies and face calamities in their lives simply because they are completely lost at sea as to how to take advantage of spiritual laws as constituted in the Word of God In some instances multitudes of folks have gone to the extremes of frustration and aborting their God given destinies simply because they are still sailing their boats through shallow streams of spiritual understanding as far as spiritual legal matters are concerned This is to tell you that spiritual laws are vital keys that unlock the doors into the supernatural and accentuate an avenue through which divine substances can be transacted to the natural realm In retrospect to the spiritual legal realm there are laws and principles that God has put in place by which He governs the universe and extricably controls every fabric of creation in his hand These are categorically physical laws which govern the natural realm and spiritual laws which govern the realm of the spirit In the natural realm the term law alludes to a body of legal principles that govern the moral conduct of humanity in a particular country Natural laws govern the natural realm and the principles by which humanity interacts with other domains of life on the earthly realm For example there is a law of gravity which stipulates that if you throw an object up in the air it will evidently crash back onto the earth then there is a law of flotation which allows ships and boats to float on water then there is a law of aerodynamics that enables an aeroplane to fly and the law of electricity which helps us generate heat and light energy The reality is that when we operate in obedience to these physical laws within nature we reap positive results but when we violate them the repercussions are severe In a similar vein in which there are laws of gravity which governs how to operate in the natural realm there are also spiritual laws that govern the spirit realm or how to operate in the supernatural As much as there are physical laws there are also spiritual laws which are the highest class of laws in the universe governing and controlling the operation of humanity in the realm of the spirit These are spiritual legal principles that one can tap into in order to manoeuvre your way through the corridors of the spirit world to manifest the reality of God s power in the natural realm However failure to master the art of operating in congruence with these spiritual laws has far reaching spiritual consequences one of which is setting oneself up for extreme disadvantage Hence it is imperative that you master the art of how to unlock the destinies of people s lives and nations from the legal dimension of the Spirit The key is in

understanding the judicial system of the spirit realm as it runs parallel to that of the natural The Spirit of Laws Charles de Secondat baron de Montesquieu,1914 **The Laws of Spirit Mediumship** Lena B. Jefts,1996-09 A hundred questions and answers for the investigator *Ten Spiritual Laws of Success* , The Law of the Spirit of Life in Christ Jesus Dwayne Norman,2013-08-12 For the law of the Spirit of life in Christ Jesus has made me free from the law of sin and death Romans 8 2 Gravity is called the law of gravity because it always works A law is something that always works But if a higher law is introduced into the situation it can override and temporarily stop the first law from working The law of sin and death or sin nature is what enabled the devil to rule over lost humanity and there was nothing we could do to override that law to be free from his tyranny God loved us so much that He chose to introduce a higher law a higher power and force into our situation that could override and supersede the law connecting us to the kingdom of darkness That law was the law of the Spirit of life in Christ Jesus and it goes into operation in a person s life the moment he accepts Jesus has his Lord and Savior Through that law we can enjoy forgiveness healing deliverance prosperity and victory in every area of your lives It s all ours Let s walk in it
