A Layman's Introduction to Christian Thought James Kallas, 2019-11-11 It is not it cannot be a case of either or Why have different denominations all leaning on the Bible emerged with different emphases Differing views of sin of man of Christ and his work of the nature and purpose of the church all seem to be in head on opposition until the author explains how these opposites are held together in tension Each of the views is true but each by itself is incomplete Three basic concepts of sin Is it rebellion guilt bondage or all three lead to the concepts that man must be either a rebel or a slave The person and work of Christ must also be seen in different ways Either Jesus came to turn man away from his rebellious ways or he came mainly to atone for man's guilt Or did he come to rescue man who was helplessly in bondage For the first time in many centuries Christians of different faiths are coming together as brothers Should we seek the lowest

common denominator ignoring our differences in the quest for unity The author sees a real threat in trying to choose either or The different denominations need each other he emphasizes but they need each other as different denominations **The Layperson's Introduction to the New Testament** Carl Hamilton Morgan,1991 Morgan creates a continuing history of how New Testament writers were inspired to speak to the early church s needs for evangelizing and educating new Christians

Simply Heaven Andrew Potter,Mark Kuraya,2011-06 Savor each story as a part of a larger story of God s grace and love for each one of us in Slices of an Abundant Life Poignantly narrated from an authentic voice that is peppered with joy and struggles Mark Kuraya narrates for us the unique encounters God has brought into his life Readers will be moved to examine their own lives for a taste of God s abundance Like Mark learn to be grateful for God s faithfulness to bring us through every circumstance we face Seasoned with truth humor and love Slices of an Abundant Life will make you hungry for more *The Layman as a Leader of Worship* ,1969 *The Old Testament in the Layman's Language* Leroy Stout,2024-02-13 Roy presents information that allows the reader to retain what is read For example the major prophets can be remembered using the term JEDI from the Star Wars movie J Jeremiah E Ezekiel D Daniel I Isaiah Roy reveals some of God s humor 1 Kings 11 29 31 Jereboam meets the prophet Ahiah who demonstrates that Jereboam will rule 10 Of the 12 tribes of Israel by cutting Jereboam s new garment into 12 pieces and giving Jereboam 10 There he stands in his diaper holding 10 rags Try explaining that to a stranger The Bible does tell of more serious moments such as 2 Kings 15 During the captivity All 18 kings of the northern kingdom were bad The last five kings became kings by murdering their predecessor We could say the KKK existed i e Kings Killing Kings Some critical information is not obvious Who is us in Genesis 1 26 I And God said let us make man in our image Us is the trinity God Jesus The Holy Spirit They are mentioned in the first chapter of the bible Roy brings to life the actions of biblical characters in an easy to understand manner that helps to understand scripture Lets consider the Noah flood The flood occurred 10 generations after Adam The average age before the flood was 858 and after the flood it was 317 In order to compare this to today we divide each side by 10 and get 86 and 32 ie people died at 32 instead of the normal 86 Why Solar radiation We sent wasp larvae into space and proved this theory The windows of heaven were the cooling clouds of a new planet It had not rained since God created earth Gen 2 5 Water came from two directions rain and flooding ie Genesis 7 11 Roy also covers the activities between the Old and New testaments including Persia Greece Macabeans and Rome *The Layman's Magazine* ,1906 **The Homiletic Review** ,1900 *The Layman's Bible Commentaries* ,1962

The Layman's Manual on Christian Apologetics Brian G. Chilton,2019-11-14 Modern Christians have been bombarded by objections launched against the Christian faith from popular secular authors bloggers and stars from the entertainment industry The church is quickly beginning to acknowledge the need for apologetics due to the number of youth and adults alike leaving the faith But how does one respond to these objections For the laity of the church this is especially difficult as many are left without the proper training to know how to answer these objections In The Layman s Manual on

Christian Apologetics the essentials of apologetics are taken from the ivory towers of academia and are made available to those who have not obtained seminary training or for those thinking about attending seminary In this book three major areas of apologetics are covered The first unit engages the nature of truth and what can be known The second unit deals with the existence of God and issues involving God s existence The last unit tackles historical objections to the resurrection of Jesus and early Christianity The Layman s Manual on Christian Apologetics delivers heavy apologetic issues with the laity in mind and blends in personal illustrations to make the material applicable *Homiletic Review* ,1909 **Review of the Scripture polity of church establishments, by a Presbyterian layman** Review,1843 A Review, by a Layman Samuel Austin ALLIBONE,1852 **The Net Bible Synopsis of the Four Gospels** Gregory White,2009-04 A synopsis is a tool which displays different passages of a text side by side for comparison This is most commonly done with the four Gospels of the New Testament because of their similar material but it could reasonably be done with any text that has similar passages such as the Old Testament historical narratives The synopsis you presently hold contains the four Gospels of the New Testament It is different from comparing parallel versions such as one English translation to another because all of the passages displayed in this synopsis are from the same version the NET Bible It is different from a harmony because the passages are not reorganized into one story each Gospel in a synopsis is separate from the others and can be read by itself or in comparison with the others This parallel arrangement enables fruitful comparison of the Gospels to each other so each may be understood well on its own in light of the others
