The Lazarus Hotel:

The Lazarus Hotel Jo Bannister, 2012-11-15 A personal discovery course is Richard Speke's last chance to recover his shattered nerve and save his job as a frontline TV reporter. With more hope than expectation, he presents himself at the venue: the penthouse suite of a brand new, indeed unfinished London skyscraper, Lazaire's Hotel. Richard barely has time to meet Dr Miriam Graves and the others on the course among them a former tennis star, a workaholic advertising executive, a grieving widower and a man terrified of heights before odd things start to happen. The seven people on the course have never met before, should have nothing in common but their neuroses. So why do their memories raise echoes in one another's minds? Each one has a guilty secret but how can they all share the same one? Then the only lift currently reaching the top of Lazaire's Hotel suddenly becomes inoperative, so does the telephone. The penthouse is now effectively isolated from the city but the group no longer seems to be alone. Then one of them is brutally attacked. There's plenty of personal discovery in store for those who survive the course. *The Lazarus Trap* Davis Bunn, 2005-03-12 For Val Haines, dying may be the chance of a lifetime. Awakening in a jail cell and bleeding from his head, Val Haines remembers nothing. Not even his name. As his memory slowly begins to return, Haines discovers that the world thinks he's dead. If his nightmares ring true, it may be for the best. Around him brews a conspiracy of embezzlement and murder for hire, fueled by the rage of personal vendetta. As he searches for a safe haven, enigmatic Audrey beckons but can she be trusted? With nothing but a few personal belongings and a sizable amount of cash, Haines must run. With his past behind him, he'll do anything to claim a new life for himself. Or die trying.

American Builder, 1924 **The Hotel Monthly** John Willy, 1922 *National Hotel Review*, 1926 **Transcending** Mauricio Peterlevitz, 2021-07-22 A fighter pilot from WWII is shot down and dies right after breaking up with his fiancée. In a future life, now in 1999, he's going to chase some terrorists on a time travel back to 1944. This will put him in contact again with the person he loved in his past life. They will then, without knowing, fight in two battles: one to stop the terrorist's plans and another one to deserve the right to live together as they were always destined to. What they do not know is that the result of each one of these events has a direct influence into the other one. Nothing is what it seems in this story and the end is very romantic and totally unexpected. *Historic Hotels of Columbus, Ohio* Tom Betti, 2015-09-07 Though only a handful remain today, the Capital City once boasted a wealth of illustrious hotels and raucous two-bit establishments. Grande dame hotels like the Neil House, the Great Southern, the Hartman, the Chittenden and the Deshler achieved the height of elegance and refinement. More modest establishments were frequented by fugitive Confederate generals, notorious bootleggers and Fidel Castro's family. Join the Gilded Age bachelors who decked out banquet halls to look like camping sites and the Hungarian revolutionaries who failed to keep a low profile. From devastating hotel fires to ornate outhouse fittings, authors Tom Betti and Doreen Uhas Sauer introduce you to a whole new side of Columbus history. **California.
