The League:

Historical Dictionary of the League of Nations Anique H.M. van Ginneken, 2006-01-16 Created in 1919 shortly after World War I the League of Nations was principally designed to put an end to war But it went into hibernation when World War II broke out and was formally wound up in 1946 Not having achieved its primary objective it was deemed a failure However the many accomplishments it did realize certainly allows for arguments against this idea During its two decade existence the League of Nations resolved and defused many conflicts and crises as well as established a rapport among its members It was also active in many other political social and technical fields including minorities refugees human rights labor health telecommunications and supervision of former colonial territories which had become mandates Above all the League of Nations proved to be training ground for the United Nations and the countless other organizations both governmental and non governmental which now surround us Just what the League of Nations was able to do during its brief but hectic career is summed up in this book The dictionary section contains several hundred cross referenced entries on its founders and supporters its rather small staff and secretariat the various subordinate or related organizations and their overwhelming tasks The historical background is described in the introduction and plotted year by year in the chronology while the bibliography points to further reading

[The Untold Story of Women of Color in the League of Women Voters](#) Carolyn Jefferson-Jenkins, 2020-02-24 The Untold Story of Women of Color in the League of Women Voters explores ways in which these women have been marginalized and recognizes how their contributions will positively influence the organization as it moves into its next 100 years On February 14 2020 the League of Women Voters of the United States celebrated the 100th anniversary of its founding Although women of color have always made significant contributions to women s suffrage and the women s movements their contributions particularly as they relate to the League of Women Voters LWV have been marginalized and relegated to the footnotes of the organization s history The Untold Story of Women of Color in the League of Women Voters adds a new dimension to these conversations The book is structured to show the progression of the relationship between the League of Women Voters and its members of color as manifested in changes to its policies practices symbols and messaging It begins with the suffrage movement and continues until the celebration of the 100th anniversary of the League and uses actual correspondence convention minutes existing League histories and personal accounts to tell the League story Chapter titles disclose the philosophical shifts in attitude at each stage of the organization s evolution

[The League and the Secret Files](#) Pasquale De Marco, 2025-08-12 The League and the Secret Files delves into the extraordinary world of the League uncovering their secrets challenges and enduring legacy In the wake of a catastrophic security breach the League s most closely guarded files have fallen into the hands of their deadliest foe Ra s al Ghul With their weaknesses exposed the organization faces an unprecedented crisis that threatens to tear them apart This book provides an exclusive look into the League s inner workings revealing the strategies they employ to overcome adversity and safeguard the world

Through in depth analysis and exclusive interviews it explores the League s history technology members training and global impact Readers will gain insights into the League s most iconic heroes including their unique abilities motivations and the bonds that unite them They will also discover the advanced technology that empowers the League in their fight against evil from cutting edge gadgets to rahasia training regimens But beyond the action and adventure this book also delves into the human side of the League It examines the challenges they face both internal and external and the sacrifices they make to protect humanity It explores the bonds of friendship and loyalty that sustain them as well as the doubts and fears that haunt them The League and the Secret Files is a must read for fans of the League and anyone interested in the forces that shape our world It is a testament to the power of teamwork resilience and the enduring legacy of those who fight for justice If you like this book write a review

The League of Nations Experience Aurora Almada e Santos,Yvette Santos,2024-12-16 As an early experiment in the creation of multilateral institutions the League of Nations was entrusted by its members to maintain peace but also to be a standard maker and a manager of contemporary problems and challenges requiring a global response Nevertheless after a while it became clear that its performance in addressing major conflicts did not live up to the expectations of guarantying collective security In the functional areas although the organization created precedents it also showed limitations Due to its complexity increasingly the League of Nations has been studied not only from an institutional perspective but also from a more multidimensional and comparative point of view that allows to consider the presence and role of the organization in various scales and spaces besides its relationship with a diversity of actors and themes The League of Nations Experience Overlapping Readings offers a multitude of interpretations evincing some of the promising avenues through which the League of Nations continues to inspire academic research
