answer is everything Mackenzie Langston has been in my life since we were kids and until now I didn't see past her family and our friendship. So when she tells me she's sworn off men for the next year after a bad breakup, I jump at the chance to have some company on the vacation I'd booked for me and my cheating ex. But Mack's all grown up and we're both on the rebound. In a romantic suite with just one bed, the weather isn't the only thing that gets hot. Turns out what I thought was a good idea might end up one big mistake. Especially when my heart's on the line.

Hot Mistake Cara Lockwood, 2019-08-01

Opposites attract for one incredible night that leads to so much more in USA TODAY bestselling author Cara Lockwood's latest sizzling Dare novel. Turquoise waters, white sand beaches, and starlit nights are the perfect setting for exquisite sensual pleasure. Her best friend's luxury wedding cruise is the perfect opportunity for a scorching hot encounter. But Gabriela Cruz isn't the one-night stand kind of girl. At least she didn't used to be. Plus she's the maid of honor and sleeping with the best man will only create drama. Notorious bad boy Sebastian Lott was her high school crush and the hottest guy in school, and Gabriela was pretty sure he didn't even know her name. But the successful lawyer is certainly noticing her now. She can't help falling for his practiced charm and the mischievous gaze that promises exquisite pleasure. One amazing night, Sebastian wasn't known for sticking around longer than that, but Gabriela didn't count on Sebastian having changed almost as much as she had. She also didn't count on him wanting more and more and more. And she really didn't count on falling for the one guy she should have avoided above all others.

The Cost of Development in China Guangyu Hu, 2017-05-10

This book focuses on the future of China and its sustainable development and summarizes the implications, forms, causes, countermeasures, and related rules of the main costs generated during a country's period of development so as to provide a theoretical reference and decision-making consulting tools for institutions and scientific governance and management professionals. Combining China's national situation and development characteristics with the country as a unit, it uses case studies to propose the concept of cost theory and the theoretical system of national development cost. Focusing on the goals of innovation in nation building, common development and prosperity, as well as enhancement of people's net welfare, the book summarizes and draws conclusions about various aspects of national development, including economic development cost, political, social and cultural development cost, foreign opening up development cost, and nature development cost. It primarily establishes an indicator system of national development cost for promoting full factor productivity and reducing development cost and provides a theoretical basis for implementing the scientific political achievement view.
