Lesbian Texts and Contexts Karla Jay, Joanne Glasgow, 1990-06 Lesbian writers include some of the most innovative and adventurous writers of this century but only recently have they been given their due attention in terms of critical study This book is the first anthology to discuss the subject of lesbianism as it relates to the critical interaction among readers writers and literary critics It explores lesbian texts in terms of identification meaning and interpretation and examines the complex entanglements of identity voice intersubjectivity textualities and sexualities A wonderful exploration of the varieties of life choices lesbians can and do make This book once again proves that telling the truth about yourself is a revolutionary act Rita Mae Brown They will probably drum Karla Jay and Joanne Glasgow out of the academy for this one A college text that is witty literate interesting and can be read for fun What s the world coming to *Lesbian Texts and Contexts* dry title wonderful book Barbara Grier Editor Naiad Press To call this collection much needed or eagerly awaited would be the understatement of the year It s thrilling to think of the new readings of classic texts the new directions for theory and maybe best of all the new range of literary encounters in the classroom that will be enabled by this radical intervention on the critical scene Eve Kosofsky Sedgwick Duke University Excellent challenging sexy never boring Outweek **On Monique Wittig** Namascar Shaktini, 2005 Monique Wittig who died in January 2003 was a leading French feminist social theorist prose poet and novelist and an activist who helped start the lesbian and women s liberation movements in France This collection of essays by Wittig and on her work is the first sustained examination in English of her broad ranging political literary and theoretical viewpoints *On Monique Wittig* contains twelve essays representing French Francophone and U S critics including three previously unpublished pieces by Wittig herself Among the essays is Diane Griffin Crowder s discussion of the U S feminist movement Linda Zerilli s consideration of gender and will and Teresa de Lauretis s examination of the development of lesbian theory Together these essays situate Wittig s work in terms of the cultural contexts of its production and reception This volume also contains the first authenticated chronology of Wittig s life and features the first translation of *For a Movement of Women* s

Liberation which Wittig published with other militantes in May 1970 As the first book to appear on Wittig following her death On Monique Wittig is an indispensable tool for feminist scholars The Lesbian Postmodern Laura L. Doan,1994 This collection of essays explores the shifting definitions of the terms lesbian and postmodern the lesbian in contemporary fiction and Hollywood film and the pitfalls and rewards of the recent lesbian theory **Pleasure Zones** David Bell,Jon Binnie,Ruth Holliday,Robyn Longhurst,Robin Peace,2001-07-01 How does a subculture appropriate space within the dominant culture What is the city s relationship to the body Geographers from England and New Zealand apply queer theory in their consideration of the human body as a vehicle for understanding relationships between people and place These provocative essays examine the body as an entity constricted by gender sexuality race class nationality and disability They also look at sexual identity as it relates to communities and how humans do gender through regulated practices such as heterosexuality Pleasure Zones tackles topics such as the politics of gay men s health the relationship of sex and death to the city erotic urban landscapes and how public policy labels lesbians Each essay attempts to reconcile queer theory and social and cultural theory with the discipline of geography The result is an illuminating and accessible look at the formation of personal and collective identities Building on two decades of geography that recognizes the body as a politicized site of struggle and applying the perspective of the sexual dissident Pleasure Zones brings a fascinating variety of human experiences into sharp relief **Lesbian Sex Scandals** Dawn Atkins,1999 Lesbian Sex Scandals addresses the contradictory separation of lesbian sexuality from lesbian identity Readers will gain unique insight into the blending of feminism and lesbianism and see how it has sometimes failed in acknowledging the reality of lesbian sexual experiences As the contributors to this collection document sexual practices are often at the core of lesbian sexual identities communities and politics but are usually down played when exploring lesbian identity The contributors to Lesbian Sex Scandals address important real issues of sexual practice and sexual politics They explore important experiences questions and directions concerning lesbian sexuality giving you keen insight into the possibility for renewed lesbian sexualities Copyright Libri GmbH All rights reserved

Heterosexual Plots and Lesbian Narratives Marilyn Farwell,1996-01-01 What is lesbian literature Must it contain overtly lesbian characters and portray them in a positive light Must the author be overtly or covertly lesbian Does there have to be a lesbian theme and must it be politically acceptable Marilyn Farwell here examines the work of such writers as Adrienne Rich Marion Zimmer Bradley Jeanette Winterson Gloria Naylor and Marilyn Hacker to address these questions Dividing their writings into two genres the romantic story and the heroic or quest story Farwell addresses some of the most problematic issues at the intersection of literature sex gender and postmodernism Illustrating how the generational conflict between the lesbian feminists of twenty years ago and the queer theorists of today stokes the critical fires of contemporary lesbian and literary theory Heterosexual Plots and Lesbian Narratives concludes by arguing for a broad and generous definition of lesbian writing **Lesbian Realities/Lesbian Fictions in Contemporary Spain** Nancy Vosburg,Jacky Collins,2011-03-18

Lesbian Realities Lesbian Fictions in Contemporary Spain edited by Nancy Vosburg and Jacky Collins focuses exclusively on manifestations of lesbian cultures and identities in contemporary Spain Bringing together key essays from a range of international scholars this anthology of critical essays examines the changing cultural sociological and political landscape of Spain at the turn of the millennium Divided into two sections the first contributions focus on the realities of lesbian lives and looks at how Spanish lesbian identities are constructed through language and the media The essays in the second section analyze contemporary lesbian identities as manifested in novels and short stories published since the late 1980s by authors such as Carme Riera Lola van Guardia Flavia Company and Mabel Gal n The aim of this volume is to provide a significant and coherent contribution in English to the body of knowledge within an evolving subject area that has remained relatively under researched until recently Throughout the anthology the visibility of the lesbian subject in Spain either within the media literature the Parliament and even within the gay book publishing industry emerges as a key concept for analyzing the status of lesbians in Spanish society All essays in our volume are original previously unpublished works written specifically for this volume by contributors who have been involved in researching or developing lesbian cultures in Spain Lesbian Realities Fictions in Contemporary Spain brings knowledge into the public domain that hitherto has remained hidden and provides access to an audience interested in social and cultural change in Spain and yet who are unable to access material in Spanish It is a particularly invaluable resource for teachers and students of Spanish cultural studies global sexuality and gender studies

Queer and Subjugated Knowledges: Generating Subversive Imaginaries Kerry H. Robinson, Cristyn Davies, Bronwyn Davies, 2012 *Queer and Subjugated Knowledges* generating subversive Imaginaries makes an invaluable contribution to gender and sexuality studies engaging with queer theory to reconceptualize everyday interactions The scholars in this book respond to J Halberstam s call to engage in alternative imaginings to reconceptualize forms of being the production of knowledge and envisage a world with different sites for justice and injustice The recent work of cultural theorist Judith Halberstam makes new investments in the notion of the counter hegemonic the subversive and the alternative For Halberstam

[Twenty-First Century Lesbian Studies](#) Katherine O'Donnell, Noreen Giffney, 2014-05-01 An enlightening entertaining look at what the term lesbian really means and what it means to be a lesbian *Twenty First Century Lesbian Studies* focuses on the field s institutionalization into the humanities and social sciences examining how the term lesbian is used in activist community and cultural contexts and how its use impacts the lives of women who have chosen it as an identity The book s contributors include many of the world s foremost experts in lesbian studies as well as scholars whose primary research is in bisexuality transsexuality and transgender intersex and queer theory The innovative essays touch on five individual themes Genealogies Readings Theories Identities and Locations as they explore the past present and future of lesbian studies *Twenty First Century Lesbian Studies* places the term lesbian at the center of analysis whether as a concept a category an identity a political position or an object choice The book s cutting edge essays examine the various meanings of

lesbian the risks taken by women who live and or act write and speak as lesbians current genealogical myths and the lives studies and activism of lesbians who represent a range of geographical and historical contexts The book presents research produced outside the United States United Kingdom two places which tend to dominate the field and essays that focus on areas such as medieval studies that are often ignored in theoretical discussions Twenty First Century Lesbian Studies considers these questions does the term lesbian still have relevance as an identity descriptor or political position who does lesbian include and or exclude how does intersectional thinking impact the way we formulate lesbian identities are we now post lesbian what if anything defines the field of lesbian studies what is the current state of the field what is the possible future of the field what current topics should be most important to practitioners how is work that falls under the lesbian studies umbrella connected to efforts in the areas of feminism LGBT intersex and queer straight studies and many more Twenty First Century Lesbian Studies is an enlightening entertaining and essential read for academics and students working in all disciplines in the social sciences and humanities and for the lesbian queer population in general Queer in Translation B.J. Epstein, Robert Gillett, 2017-01-06 As the field of translation studies has developed translators and translation scholars have become more aware of the unacknowledged ideologies inherent both in texts themselves and in the mechanisms that affect their circulation This book both analyses the translation of queerness and applies queer thought to issues of translation It sheds light on the manner in which heteronormative societies influence the selection reading and translation of texts and pays attention to the means by which such heterosexism might be subverted It considers the ways in which queerness can be repressed ignored or made invisible in translation and shows how translations might expose or underline the queerness or the homophobic implications of a given text Balancing the theoretical with the practical this book investigates what is culturally at stake when particular texts are translated from one culture to another raising the question of the relationship between translation colonialism and globalization It also takes the insights derived from intercultural translation studies and applies them to other fields of cultural criticism The first multi focus in depth study on translating queer translating queerly and queering translation this book will be of interest to scholars working in the fields of gender and sexuality queer theory and queer studies literature film studies and translation studies **Lesbian Histories and Cultures** Bonnie Zimmerman, 2000 To reflect this crucial fact The Encyclopedia of Lesbian and Gay Histories and Cultures has been prepared in two separate volumes to assure that both histories receive full unbiased attention and that a broad range of human experience is covered **BOOK JACKET** **Lesbian Materialism** Morgane Cadieu, Annabel L. Kim, 2023-01-01 Yale French Studies 142 explores the contemporary relevance of an alternative strand of feminism as theorized by Monique Wittig This volume of Yale French Studies foregrounds Monique Wittig 1935 2003 a writer who left France to live and teach in the United States in a diverse range of multidisciplinary conversations in literary studies history and gender and sexuality studies to demonstrate how Wittig's theoretical and literary work remains an indispensable resource for thinking and creating in the

twenty first century Editors Morgane Cadieu and Annabel L Kim flip the materialist lesbianism that Wittig s collection of essays *The Straight Mind* centers and describes as being the core of Wittig s work to deal instead with lesbian materialism thereby making lesbian the method and materialism the object and allowing Wittig s work to realize its full range The volume reinterrogates the official historiography of French materialist feminism expands the intellectual framework within which Wittig s work is usually considered insists on the language centric materialism that emerges from Wittig s writing as a way of joining the political with the literary and attends to the way this literary material inspires material responses and creations within the plastic arts Underlying the entire volume is a keen sense of the materiality of Wittig s archives housed at the Beinecke Rare Book and Manuscript Library at Yale University as a site of lesbian thought in Wittig s radical sense of the term a fugitive positionality
