Scents and Sensibility Catherine Maxwell, 2017-10-20 This lively accessible book is the first to explore Victorian literature through scent and perfume presenting an extensive range of well known and unfamiliar texts in intriguing and imaginative new ways that make us re think literature's relation with the senses Concentrating on aesthetic and decadent authors Scents and Sensibility introduces a rich selection of poems essays and fiction exploring these texts with reference to both the little known cultural history of perfume use and the appreciation of natural fragrance in Victorian Britain It shows how scent and perfume are used to

convey not merely moods and atmospheres but the nuances of the aesthete or decadent's carefully cultivated identity personality or sensibility A key theme is the emergence of the olfactif the cultivated individual with a refined sense of smell influentially represented by the poet and critic Algernon Charles Swinburne who is emulated by a host of canonical and less well known aesthetic and decadent successors such as Walter Pater Edmund Gosse John Addington Symonds Lafcadio Hearn Michael Field Oscar Wilde Arthur Symonds Mark Andr Raffalovich Theodore Wratislaw and A Mary F Robinson This book explores how scent and perfume pervade the work of these authors in many different ways signifying such diverse things as style atmosphere influence sexuality sensibility spirituality refinement individuality the expression of love and poetic creativity and the aura of personality dandyism modernity and memory A coda explores the contrasting twentieth century responses of Virginia Woolf and Compton Mackenzie to the scent of Victorian literature

Violence and Desire in Brazilian Lesbian Relationships Andrea Stevenson Allen, 2016-04-08 In *Violence and Desire in Brazilian Lesbian Relationships* Allen examines the lives of Brazilian women in same sex relationships This examination contributes to interdisciplinary discussions of female same sex sexuality violence race and citizenship Using fifteen months of ethnographic fieldwork primarily with Afro Brazilian women in the city of Salvador da Bahia Allen argues that Brazilian lesbian women reject Brazilian cultural norms that encourage male domination and female submission through their engagement in romantic relationships with each other At the same time Allen claims lesbian women also reproduce Brazilian cultural ideals that associate passion intensity and power with physical dominance through their engagement in infidelity and intimate partner violence The book demonstrates that lesbian women are nonetheless marginalized as Brazilian citizens through widespread social and political invisibility despite these apparent displays of masculinized power

The Cambridge Companion to Lesbian Literature Jodie Medd, 2015-12-10 The *Cambridge Companion to Lesbian Literature* examines literary representations of lesbian sexuality identities and communities from the medieval period to the present In addition to providing a helpful orientation to key literary historical periods critical concepts theoretical debates and literary genres this Companion considers the work of such well known authors as Virginia Woolf Adrienne Rich Audre Lorde Alison Bechdel and Sarah Waters Written by a host of leading critics and covering subjects as diverse as lesbian desire in the long eighteenth century and same sex love in a postcolonial context this Companion delivers insight into the variety of traditions that have shaped the present landscape of lesbian literature

Lesbian Empire Gay Wachman, 2001 A critical reading of sexually radical fiction by British women in the years during and after World War I Gay Wachman examines work by Sylvia Townsend Warner Virginia Woolf and Radclyffe Hall along with the less well known Clemence Dane Rose Allatini and Evadne Price These writers she states created a modernist literary tradition one that functioned both within and against the repressive ideology of the British Empire

Classics in Lesbian Studies Esther D Rothblum, 2013-08-27 *Classics in Lesbian Studies* takes a major step in giving the lesbian experience its own unique voice within scholarship and the larger world society Thus it is devoted

exclusively to the lesbian experience and serves as a vehicle for the promotion of scholarship and commentary on lesbianism from an international perspective Not only does it ensure that classic pieces are not forgotten by new generations of students and scholars it also spurs further lesbian research writing theory and scholarship In Classics in Lesbian Studies you are introduced to descriptive theoretical empirical applied and multicultural perspectives in the field of lesbian studies Interdisciplinary the book presents pieces from various academic areas in multiple formats including personal accounts poetry editorials debates and commentaries For your convenience the chapters are organized primarily across four categories identity history and literature physical and social sciences and back to lesbian politics You will find the discussions of the following issues and subjects provocative and insightful ways black women in the diaspora construct and name their sexual and romantic feelings for other women lesbian identity formation in a changing social environment how lesbians maneuver in the dominant culture and their own subculture lesbianism as a political movement the experiences of lesbian adolescents teaching lesbian studies lesbians and societal institutions including the work place the media the political arena the legal system and religion using lesbian feminist scholarship to reexamine women s lives in the past Students scholars lesbian feminists and others interested in lesbian studies will find Classics in Lesbian Studies a vital examination of lesbianism since its grass roots Not only does it consider the progress made since the initial days of fighting for liberation it also explores a more distant repressed past and anticipates future possibilities lying before us This powerful insightful collection is sure to become a classic as it grapples with virtually all aspects of lesbianism from its inception as a political movement to its identity as a lifestyle choice to its implications of community

A Lesbian's Awakening to Purpose, Self-Love, and God The Reverend Lisa R. Kelson, 2023-01-04 This book is about my journey as a lesbian and the courage to live into the person God created me to be To accomplish this I had to learn how to find and then embrace my divine authentic self This journey led me to a spiritual awakening and that led me to the Truth
