

The Letter To My Son

Kim S

The Letter To My Son:

Letters to My Son — 20th Anniversary Edition Kent Nerburn, 2014-04-06 At once spiritual and practical Letters to My Son has been beloved by readers from all walks of life including single mothers seeking guidance in raising a son fathers looking to share a voice of clarity about life s most important issues and young men wanting an intelligent sensitive and streetwise companion on the journey toward a worthy manhood In this twentieth anniversary edition Kent Nerburn adds to his classic reflections on love marriage travel money and wealth tragedy and suffering spirituality sex and the true meaning of strength with new chapters on sexual identity and the difficulty of moving on from relationships homes and stages of life Unique in its profound simplicity and timeless insight Letters to My Son is a book to savor and a gift to give to anyone looking for clear and gentle guidance on the big issues in life

A Letter to My Son Kim S, 2009 A Letter to My Son copyright c 2004 2009 by Kim S All rights reserved A few people have asked me Is this book an autobiography It sure sounds like you The answer to that question is Yes and no A Letter to My Son is based on some of my life experiences but many of the characters inside are fictional and some of the story ideas were sparked by nothing more than a telephone conversation In retrospect this book is more a reflection of my mindset at that time than my whole reality I saw myself as a victim in life stemming from a family tragedy that occurred when I was a teenager and this is the vantage point from which I continued to view the world around me for many years to come The stories in A Letter to My Son are the snippets of my life experience that I chose to focus on back then Evidently the more I dwelled upon this notion that I was a casualty of unfair circumstance the more I attracted people and situations that proved me right I believe we always prove ourselves right We all receive what we expect to receive from life and we attract the circumstances that match our personal vibrations at any given time This is a natural impartial law of our universe just as gravity is and I believe this book demonstrates it very clearly At the time I wrote A Letter to My Son I had no idea why I was so compelled to purge these pessimistic thoughts from my system in such a public way But several years later I know It s as though it was meant to be all along and my second and third books bring it all full circle I was saying good bye to that troubled phase in my life and opening myself up to something new Two and a half years later something new arrived a more optimistic viewpoint that changed the path I was on and spawned the creation of my second book titled A Letter to My Daughter About the Author When Kim S published her first book A Letter to My Son in 2004 she had no idea why she was compelled to purge her negativity in such a public way But several years later she knows It s as though it was meant to be all along and her second and third books bring it all full circle A Letter to My Son was based on some of Kim s life experiences but many of the characters were fictional and some of the story ideas were sparked by nothing more than a telephone conversation The book which stemmed from a family tragedy that happened when she was a teenager was a reflection of her mindset at the time She saw herself as a victim of circumstance and this was the vantage point she viewed the world from for many years to come After being introduced to the Law of Attraction in early 2007 Kim S

was so inspired that she wrote and published her second book *A Letter to My Daughter* in record speed. It expressed a joyful time in her life and it communicated a message of being true to yourself while respecting other people's choices. Kim resolved to put this theory to the test to determine for herself if it is true that we get what we focus on. After nearly three years of consciously and deliberately applying the principles of the Law of Attraction in her life, she is proud to present her third book titled *11 11*. Kim S believes we always prove ourselves right. We all receive what we expect to receive from life and we attract the circumstances that match our personal vibrations at any given time. This is a natural impartial law of our universe just as gravity is and each of her books demonstrates it very clearly in its own way. **A Letter to My Son** Keyia

Banner, 2020-01-24 I'm writing this book to remind myself and other mothers that losing a child is the hardest thing I've ever had to deal with. I'm dedicating this book to his daughter Shamiya and every mother that is going through the suffering I'm going through. I love you Dymere and you're always in my heart. This is a letter to my son. *A Father's Letter to a Son* R.

Latham, 2007-07 In a world increasingly designed to deceive and tear a person away from God, what can a Christian father do to ensure his children come to the knowledge of our Lord and the plan He has for them? Randall Latham's *A Father's Letter to a Son* is one father's approach to providing a guiding path to his son's spiritual growth. Addressing many of the spiritual issues facing teenage boys, *A Father's Letter to a Son* provides a father's perspective of these most important issues.

Letter to My Son Brittany McClain-Clay, 2020-07-03 100 pages for Mom to write letters to his Son. Sons. When you write a letter to your child, it can be magical. It communicates love, pride, and commitment beyond the power of everyday spoken words. It's a fun idea to make writing letters to your kids an annual event, either on their birthdays or around the holidays. To your child, it will be more than just another family tradition. Each letter is a tangible expression of your love and pride combined with the hopes and dreams you have for their future. They may even pick one out of a keepsake box in 20 years and be reminded of just how special they are to you. Your letter can offer encouragement through eight simple words that every child should hear.
