symbol that China parroted from Lenin's Soviet socialism How humiliating China is led around by its nose tied to the same old German who influenced Hitler Of course China has the largest population billions who self identify the same as Hitler SOCIALIST that is also the same way that Marx and Lenin self identified Is there any other country of that size that openly worships a foreigner as their great white savior The books of Marx and Hitler were once considered too dangerous for the general public But Mein Kampf was a bestseller as recently as 2017 Its popularity grows worldwide It has always been one of Amazon's better selling book titles America's love affair with German philosophy stretches back to the mid 1800s and farther Many Americans struggle to bring Germany's past into the present at every election MSM polling reports that 70 percent of millennials say they would vote for a candidate who self identifies the same as Hitler 2019 YouGov poll Two politicians in the USA Alexandria Ocasio Cortez AOC Bernie Sanders BS boastfully self identify the same as Hitler SOCIALIST They also admire Lenin and Marx Other politicians gladly adopt and repeat the same ideas even if they are too dishonest to admit that they are socialist According to another report 60 percent of Millennials age 24-39 support a complete change of our economic system Lenin Marx and Hitler were anti bourgeois and advocated revolution Many Americans long for the same revolutions The ideas of the beloved Deutschland duo Marx and Hitler continue to grow in popularity Germany's two top white male racist political philosophers stay in vogue even though their policies remain a mystery For example the following facts with credit to the archives of the historian Dr Rex Curry will come as news to most readers 1 Hitler and Marx were popular in the USA Two famous American socialists the cousins Edward Bellamy and Francis Bellamy were heavily influenced by Marx The American socialists returned the favor Francis Bellamy created the Pledge of Allegiance to the Flag that produced Nazi salutes and Nazi behavior The Bellamys were American national socialists For more on that advance to chapter 6 on Bellamy salutes 2 The classic military salute to the brow also contributed to the creation of the Nazi salute with the right arm extended stiffly 3 The Bellamy cousins promoted socialist schools that imposed segregation by law and taught racism as official policy 4 Hitler and his supporters self identified as socialists by the very word in voluminous speeches and writings The term Socialist appears throughout Mein Kampf as a self description by Hitler 5 Hitler never called himself a Nazi There was no Nazi Germany There was no Nazi Party Those terms are slang to hide how Hitler and his comrades self identified SOCIALIST 6 Hitler never called himself a Fascist That term is misused to hide how Hitler and his comrades self identified SOCIALIST 7 The term Nazi isn't in Mein Kampf nor in Triumph of the Will 8 The term Fascist never appears in Mein Kampf as a self description by Hitler 9 The term swastika never appears in the original Mein Kampf 10 There is no evidence that Hitler ever used the word swastika 11 The symbol that Hitler did use was intended to represent S letter shapes for socialist NEW DISCOVERY That is why Hitler changed the name of his party It was imperative that the party's name include the word socialist so that it would coordinate with Hitler's party emblem 12 Hitler altered his own signature to reflect his S shapes for socialism logo branding 13 Mussolini was a long time socialist leader with a socialist background

Inside Lenin's Government Lara Douds,2018-02-22 Lara Douds examines the practical functioning and internal political culture of the early Soviet government cabinet the Council of People s Commissars Sovnarkom under Lenin This study elucidates the process by which Sovnarkom s governmental decision making authority was transferred to Communist Party bodies in the early years of Soviet power and traces the day to day operation of the supreme state organ The book argues that Sovnarkom was the principal executive body of the early Soviet government until the Politburo gradually usurped this role during the Civil War Using a range of archival source material Lara Douds re interprets early Soviet political history as a period where fledgling Soviet rather than simply Communist Party power was attempted but ultimately failed when pressures of Civil War and socio economic dislocation encouraged the centralising and authoritarian rather than democratic strand of Bolshevism to predominate Inside Lenin s Government explores the basic mechanics of governance by looking at the frequency of meetings types of business discussed processes of decision making and the administrative backdrop as well as the key personalities of Sovnarkom It then considers the reasons behind the shift in executive power from state to party in this period which resulted in an abnormal situation where as Leon Trotsky commented in 1923 leadership by the party gives way to administration by its organs *Lenin's Brain and Other Tales from the Secret Soviet Archives* Paul R. Gregory,2013-09-01 An enlightening look into the once secret Soviet state and party archives that Western scholars first gained access to in the early 1990s Paul Gregory breaks down a decades old wall of secrecy to reveal intriguing new information on such subjects as Stalin s Great Terror the day to day life of Gulag guards the Soviet invasion of Afghanistan the scientific study of Lenin s brain and other fascinating tales **Stalin's Letters to Molotov** Joseph Stalin,1995-01-01 These letters from Stalin to his trusted friend and political colleague Molotov constitute a unique historical record of Stalin s thinking both personal and political during a dramatic period of transformation in the Soviet Union **In Lenin's Shadow? Nadezhda Krupskaya and the Revolution** Oleg Sirokin,2025-03-20 Nadezhda Krupskaya revolutionary educator Lenin s partner But was she merely the woman by his side or was she a driving force behind the Bolshevik movement This book sheds light on the life and influence of a woman who often stood in Lenin s shadow but played

a decisive role in Soviet educational reform party development and Marxist ideology From her early political awakening and years in exile to her key role in shaping the Soviet Union Krupskaya s journey reveals the story of a visionary whose impact is still felt today Oleg Sirokin presents a compelling portrait of a woman who helped shape the future of an entire nation yet remained underestimated for far too long *Soviet Life* ,1969 **HITLER'S NATIONAL SOCIALISM** Ian
