Powers of Darkness Clinton E. Arnold, 2025-06-12 Satan worship Witches New Age channelers The last two decades of the twentieth century witnessed a vast upsurge in occult activity Scores of popular books have warned Christians of the dangers and urged them to do battle against these spiritual forces Few books however have developed a careful biblical theology on demons principalities and powers Clinton Arnold seeks to fill this gap providing an in depth look at Paul's letters and what they teach on the subject For perspective he examines first century Greek Roman and Jewish beliefs as well as Jesus teaching about magic sorcery and divination Arguing against many recent interpretations that have seen principalities and powers as impersonal social economic and political structures Arnold contends that the New Testament view is that such forces are organized personal beings which Jesus defeated at the cross and will bring into full subjection at his return In his concluding section Arnold suggests practical ways in which Christians today can contend with

Art and Theory of Art Rudolf Steiner,2021-10-19 An Author s Summary 1888 Four Essays Written between 1890 and 1898 Eight Lectures between 1909 and 1921 CW 271 The challenge of saying something about art was personal for Rudolf Steiner He experienced it as deeply connected with his biography It is not for nothing that in the last lecture of this volume he points to his repeated attempts to develop a new approach and new forms of expression for speaking about art We find at least three forms of this attempted approach in this book Zvi Szir from the introduction The subject practice and vital importance of art was a thread that ran through Rudolf Steiner s life from his

early work as a scholar of Goethe through his time as an editor of a literary and arts journal in Berlin in the 1890s and to his two and a half decades as a spiritual researcher and teacher. Understanding and articulating the significance of art was a perennial challenge for Rudolf Steiner. This volume of Steiner's Collected Works is unique in that it showcases a survey of both early written works and later lectures to anthroposophic audiences and in doing so presents a picture of a lifetime of intensive effort to convey something essential about the arts. Beginning with his early philosophical work and literary criticism at the end of the nineteenth century and on into his later lectures, this volume follows Steiner's endeavor to reveal in words the mystery obscured by the vague concept of what art is. Viewed as a whole, this volume forms one of the most provocative collections of the twentieth century on the subject of art. It offers a unique analysis of the origin, foundation, and method of the creative process. This book is a translation of *Kunst und Kunsterkenntnis: Grundlagen einer neuen Ästhetik*, 3rd edition, published by Rudolf Steiner Verlag, Dornach, Switzerland, 2010, GA 271.

The Unseen Realm Heiser, Michael S., 2015-09-01. In *The Unseen Realm*, Dr. Michael Heiser examines the ancient context of Scripture, explaining how its supernatural worldview can help us grow in our understanding of God. He illuminates intriguing and amazing passages of the Bible that have been hiding in plain sight. You'll find yourself engaged in an enthusiastic pursuit of the truth, resulting in a new appreciation for God's Word. Why wasn't Eve surprised when the serpent spoke to her? How did descendants of the Nephilim survive the flood? Why did Jacob fuse Yahweh and his Angel together in his prayer? Who are the assembly of divine beings that God presides over? In what way do those beings participate in God's decisions? Why do Peter and Jude promote belief in imprisoned spirits? Why does Paul describe evil spirits in terms of geographical rulership? Who are the glorious ones that even angels dare not rebuke? After reading this book, you may never read your Bible the same way again.

Endorsements:
 There is a world referred to in the Scripture that is quite unseen but also quite present and active. Michael Heiser's *The Unseen Realm* seeks to unmask this world. Heiser shows how important it is to understand this world and appreciate how its contribution helps to make sense of Scripture. The book is clear and well done, treating many ideas and themes that often go unseen themselves. With this book, such themes will no longer be neglected; so read it and discover a new realm for reflection about what Scripture teaches. **Darrell L. Bock**, Executive Director for Cultural Engagement, Senior Research Professor of New Testament Studies, Howard G. Hendricks Center for Christian Leadership and Cultural Engagement. How was it possible that I had never seen that before? Dr. Heiser's survey of the complex reality of the supernatural world as the Scriptures portray it covers a subject that is strangely sidestepped. No one is going to agree with everything in his book, but the subject deserves careful study, and so does this book. **John Goldingay**, David Allan Hubbard Professor of Old Testament, School of Theology, Fuller Theological Seminary. This is a big book in the best sense of the term. It is big in its scope and in its depth of analysis. Michael Heiser is a scholar who knows Scripture intimately in its ancient cultural context. All scholars, clergy, and laypeople who read this profound and accessible book will grow in their understanding of both the Old and New Testaments.

Echevarria, 2019-01-25 The Apostle Paul's vision of eternity is centered on the inheritance theme Although Paul rarely unpacks this concept he employs the inheritance in a manner that encompasses the hope of a renewed cosmos promised to Abraham and his descendants Thus the apostle does not redefine a theme grounded in the Old Testament and Second Temple literature as if it now referred to heaven or some other spiritualized existence He expects what every pious Jew expected the tangible fulfillment of the promise when at last God's people will dwell in a land where they will experience rest under the rule of Messiah What Paul clarifies is that those who are in Christ are the beneficiaries of the inheritance Although believers do not currently possess what has been promised to them they have the hope that the Spirit will lead them on a new exodus through the wilderness of the present sinful age until they inherit the coming world **Handbook on Acts and Paul's**
