Leeder,1993-01-01 This is the first major biography of Rose Pesotta the organizer and vice president of the International Ladies Garment Workers Union ILGWU from 1933 to 1944 After moving to the United States from the Ukraine in 1913 Pesotta became involved in the resurgence of the garment workers industry women s labor colleges and labor activism While working for the union she confronted serious opposition as a woman and an anarchist within an all male bureaucracy This book chronicles Pesotta s life while exploring a number of personal political themes The author examines Pesotta s relationships and friendships as they reflect the issues of gender power and sexuality paying particular attention to her relationships with Sacco and Vanzetti and with Emma Goldman In the course of this biography Leeder portrays the inherent conflicts between anarchism and bureaucratic organization and

between female consciousness and male dominated institutions The book explores the potential for pragmatic activism by social visionaries and offers clear contextual frameworks within which to compare and contrast Pesotta to others in similar historical roles     *Imprisoned by the Past* Prof. Jeffrey L. Kirchmeier, 2014-12-31 *Imprisoned by the Past* Warren McCleskey and the American Death Penalty connects the history of the American death penalty to the case of Warren McCleskey By highlighting the relation between American history and an individual case *Imprisoned by the Past* provides a unique understanding of the big picture of capital punishment in the context of a compelling human story McCleskey s criminal law case resulted in one of the most important Supreme Court cases in U S legal history where the Court confronted evidence of racial discrimination in the administration of capital punishment The case marks the last that the Supreme Court realistically might have held that capital punishment violates the Eighth Amendment of the U S Constitution As such the constitutional law case also created a turning point in the death penalty debate in the country The book connects McCleskey s case as well as his life and crime to the issues that have haunted the American death penalty debate since the first executions by early settlers and that still affect the legal system today *Imprisoned by the Past* ties together three unique American stories in U S history First the book considers the changing American death penalty across centuries where drastic changes have occurred in the last fifty years Second the book discusses the role that race played in that history And third the book tells the story of Warren McCleskey and how his life and legal case brought together the other two narratives
