The Lieder Of Schumann

Eric Sams

The Lieder Of Schumann:

The Lieder of Schumann Stephen Walsh, 1971 Robert Schumann is one of the supreme composers of Lieder As Stephen Walsh points out perhaps no composer has had such an ability to sense the underlying qualities of a poem and reproduce them in music The Lieder of Robert Schumann traces the development of all the great Schumann songs with particular emphasis on the composer's unique contribution to the German Lied The opening chapter discusses Schumann's literary inclinations his early attempts to compose for the voice and the circumstances that turned him to song writing after a decade of composing almost solely for the piano The major portion of the book centers on Schumann's burst of creative energy in 1840 when he composed at least 126 songs After a detailed discussion of Myrten the collection of songs based on poems by Goethe Burns Heine and Moore and the Heine Liederkreis both representative of Schumann's first phase of song writing the Eichendorff Liederkreis the Dichterliebe the Chamisso cycle and other works composed up to 1840 are examined The book then turns to the Wilhelm Meister songs and the others of 1849-50 and Schumann's last songs from the Elisabeth Kulmann cycle to the Gedichte Knigin Maria Stuart To conclude Schumann's achievements as a song writer are evaluated in terms of his choice of poets use of form melodic and harmonic idiom and word treatments The author notes that although the quality of Schumann's songs is uneven there remains a substantial area of often inspired music which holds out real rewards to the singer and listener Dust jacket The Songs of Robert Schumann Eric Sams, 2011-10-06 Eric Sams study of Schumann's 246 songs Faber 1961 revised 1993 a companion volume to his The Songs of Hugo Wolf also available in Faber Finds remains a classic text By providing a translation commentary and notes for each of the songs tracing original sources and relating recurring themes vividly to Schumann's life Sams provides a unique documentary of Schumann's song writing art The book includes a foreword to the First Edition by the legendary accompanist Gerald Moore who writes So felicitous is the writing that one is hardly conscious of the erudition and profound thought that have gone into the making of it Eric Sams has produced a work that will be read and read again as long as Robert Schumann's songs are loved *Robert Schumann* Jon W. Finson, 2007 Arguably no other 19th century German composer was as literate or as finely attuned to setting verse as Robert Schumann Finson challenges assumptions about Schumann's Lieder engaging traditionally held interpretations Arranged in part thematically rather than by strict compositional chronology this book speaks to the heart of Schumann's music The Songs of Clara Schumann Stephen Rodgers, 2023-04-06 Focusing on Clara Schumann's central contributions to the genre of the Lied or German art song this is the first book length critical study of her songs Although relatively few in number they were published and reviewed favorably in the press during her lifetime and they continue to be programmed regularly in recitals by professional and amateur performers alike Highlighting the powerful and distinctive features of the songs the book treats them as a prism casting light not just on them but also through them to explore questions that foster a deeper understanding of the work of female composers The author argues for the importance of taking Clara Schumann's

music on its own terms the intimate relationship between text and musical form and the vital role of musical analysis in recuperating the contributions of previously understudied composers

German Lieder in the Nineteenth Century Rufus Hallmark, 2009-09-10 German Lieder in the Nineteenth Century provides a detailed introduction to the German lied Beginning with its origin in the literary and musical culture of Germany in the nineteenth century the book covers individual composers including Schubert Schumann Brahms Strauss Mahler and Wolf the literary sources of lieder the historical and conceptual issues of song cycles and issues of musical technique and style in performance practice Written by eminent music scholars in the field each chapter includes detailed musical examples and analysis The second edition has been revised and updated to include the most recent research of each composer and additional musical examples

Poet's Love Gerald Moore, 1981 Interpretaties van de liederen van de Duitse componist 1810 1856 met vele muziekvoorbeelden

Singing Schumann Richard Miller, 2005-04-28 To restrict performance of the Schumann Lieder to the familiar forty is to deprive the singer and pianist of a major reservoir of superior song Thus Singing Schumann not only takes an in depth look at the widely performed middle and late Lieder it also fully reconsiders the early songs Offering the same readability and informed insights in this volume that distinguished his acclaimed *On the Art of Singing* OUP 1996 Miller presents a practical manual to help singers and pianists bring Robert Schumann's Lieder to life in performance He also provides cogent suggestions for interpretation of all of Schumann's solo and duet songs useful pointers that are grounded in a thorough understanding of Schumann's compositional style and its full historical background

Narrative and Robert Schumann's Songs Andrew H. Weaver, 2024 Featuring 28 music examples this book takes an innovative approach to analyzing and interpreting nineteenth century German song offering new perspectives on Robert Schumann's Lieder and song cycles Robert Schumann's Lieder are among the richest and most complex songs in the repertoire and have long raised questions and stimulated discussion among scholars performers and listeners Among the wide range of methodologies that have been used to understand and interpret his songs one that has been conspicuously absent is an approach based on narratology the theory and study of narrative texts Proceeding from the premise that the performance of a Lied is a narrative act in which the singer and pianist together function as a narrator Andrew Weaver's groundbreaking study proposes a comprehensive theory of narratology for the German Romantic Lied and song cycle using Schumann's complete song oeuvre as the test case The theory grounded in the work of narratologist Mieke Bal but also drawing upon recent work in literary theory and musicology illuminates how music can open up new meanings for the poem as well as how a narratological analysis of the poem can help us understand the music Weaver's book offers new insights into Schumann's Lieder and the poetry he set while simultaneously proposing a methodology applicable to the analysis and interpretation of a wide range of works including not only the rich treasury of German Lieder but also potentially any genre of accompanied song in any language from the Middle Ages to the present day

Schumann's Eichendorff Liederkreis and the Genre of the Romantic Cycle David Ferris, 2000-11-30 This new

study draws on analysis literary criticism and source studies to propose a new conception of the nineteenth century romantic cycle Rather than a unified whole the cycle is seen as a fragmentary and open ended form which enables Schumann to express the romantic themes of transcendence and ineffability in musical terms Topical Index to the Lieder of Robert Schumann Nathan Wight,2003 *Fifty Songs by Robert Schumann* Robert Schumann,2018-06-21 From the introductory In many songs Schumann uses the piano to provide beautiful and expressive preludes and postludes In some songs the eloquence of the piano in the postlude is so great as to make this the most important part of the lyric For an example of this let the reader examine the exquisite instrumental coda to Die alten b sen Lieder The Songs of Bitter Sorrow p 131 This is indeed the coda of the entire cycle and it is the most fragrant blossoming of this branch of Schumann s art But Schumann also knew when to subordinate the piano so much as to make it a mere background Note the wonderful effect of the soft chords in Ich hab im Traum geweinet In Dreams my Tears were falling p 125 In short as Dr Spitta has admirably said in his fine article in Grove s Dictionary of Music in Schumann s songs the proper function of the pianoforte is to reveal some deep and secret meaning which it is beyond the power of words even of sung words to express That Schumann found the true mission of the song may readily be learned by an examination of the texts which he chose for setting He never failed to select words embodying the true lyric spirit the voicing of nature and love The field of human emotion and thought as viewed through the eyes of youth was the theatre of his fancy and he found abundant material for his inspiration in the splendid outpour of lyric poetry from the young romanticists of Germany Eichendorff s contemplations of nature touched his mind no less than Heine s marvellous analyses of feel ing and when he came to the setting of Chamisso s persuasive verses in the cycle entitled Frauenliebe und Leben opus 42 he unquestionably opened up a wealth of emotion not altogether disclosed by the poet When it was necessary to be humorous Schumann had a fund of humor quite irresistible Note the genuine humor of Ein J ngling liebt ein M dchen A Youth oft Loves a Maiden p 123 and the bewitching archness of Auftr ge p 150 Such things are the conceptions of a true master laboring in a most congenial field and all contentions that Schumann was merely a follower of Schubert must fail in the presence of such convincing demonstrations of power and originality Schumann was always a romanticist and he was unceasingly introspective He looked into his own heart and wrote and this is the great secret of the universal appeal of his songs **The Cambridge Companion to the Lied** James Parsons,2004-07 Beginning several generations before Schubert the Lied first appears as domestic entertainment In the century that follows it becomes one of the primary modes of music making By the time German song comes to its presumed conclusion with Richard Strauss s 1948 Vier letzte Lieder this rich repertoire has moved beyond the home and keyboard accompaniment to the symphony hall This is a 2004 introductory chronicle of this fascinating genre In essays by eminent scholars this Companion places the Lied in its full context at once musical literary and cultural with chapters devoted to focal composers as well as important issues such as the way in which the Lied influenced other musical genres its use as a musical commodity and issues of performance

The volume is framed by a detailed chronology of German music and poetry from the late 1730s to the present and also contains a comprehensive bibliography

Schumann's Eichendorff Liederkreis and the Genre of the Romantic Cycle David Ferris, 2000 This new study draws on analysis literary criticism and source studies to propose a new conception of the nineteenth century romantic cycle Rather than a unified whole the cycle is seen as a fragmentary and open ended form which enables Schumann to express the romantic themes of transcendence and ineffability in musical terms

Song Carol Kimball, 2006-12-01 Carol Kimball's comprehensive survey of art song literature has been the principal one volume American source on the topic Now back in print after an absence of several years this newly revised edition includes biographies and discussions of the work of

German Song Onstage Natasha Loges, Laura Tunbridge, 2020-05-05 A singer in an evening dress a grand piano A modest sized audience mostly well dressed and silver haired equipped with translation booklets A program consisting entirely of songs by one or two composers This is the way of the Lieder recital these days While it might seem that this style of performance is a long standing tradition German Song Onstage demonstrates that it is not For much of the 19th century the songs of Beethoven Schubert Schumann and Brahms were heard in the home salon and no less significantly on the concert platform alongside orchestral and choral works A dedicated program was rare a dedicated audience even more so The Lied was a genre with both more private and more public associations than is commonly recalled The contributors to this volume explore a broad range of venues singers and audiences in distinct places and time periods including the United States the United Kingdom Russia and Germany from the mid 19th century through the early 20th century These historical case studies are set alongside reflections from a selection of today's leading musicians offering insights on current Lied practices that will inform future generations of performers scholars and connoisseurs Together these case studies unsettle narrow and elitist assumptions about what it meant and still means to present German song onstage by providing a transnational picture of historical Lieder performance and opening up discussions about the relationship between history and performance today

The Transformation of Folk Elements in the Lieder of Robert Schumann Mary Catherine Bellamy, 1969

The Songs of Johannes Brahms Eric Sams, 2000-01-01 Essential to the composer's method of song writing was a harmony between musical form and poetic text Sams takes us right to the heart of that creative method and helps to explain how and why a particular part of the text matches a particular piece of music He includes a list of the motifs employed by Brahms to help show how the mind of the composer worked when seeking apposite music for the imagery of the poem

BOOK JACKET

Schumann's Late Style Laura Tunbridge, 2007-10-18 A study of Schumann's little known music from the 1850s and its relationship to his biography

The Nineteenth-Century German Lied Lorraine Gorrell, 2005-11-01 The development of the piano together with changes in culture and society led to the transformation of song into a major musical genre This study of the great lieder of 19th century composers Schubert Schumann Brahms and Hugo Wolf also includes lesser known composers such as Louis Spohr and Robert Franz plus significant contributions from women composers and

performers **The Lied at the Crossroads of Performance and Musicology** Benjamin Binder, Jennifer Ronyak, 2024-02-15 Making productive connections between musicology and Lied performance this ground breaking volume offers new routes of interpretative artistry and intellectual discovery

When people should go to the ebook stores, search instigation by shop, shelf by shelf, it is really problematic. This is why we provide the books compilations in this website. It will agreed ease you to look guide **The Lieder Of Schumann** as you such as.

By searching the title, publisher, or authors of guide you in fact want, you can discover them rapidly. In the house, workplace, or perhaps in your method can be all best area within net connections. The Lieder Of Schumann Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Lieder Of Schumann has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Lieder Of Schumann has opened up a world of possibilities. Downloading The Lieder Of Schumann provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Lieder Of Schumann has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Lieder Of Schumann. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Lieder Of Schumann. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Lieder Of Schumann, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Lieder Of Schumann has transformed the way we

access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About The Lieder Of Schumann Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Lieder Of Schumann is one of the best book in our library for free trial. We provide copy of The Lieder Of Schumann in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Lieder Of Schumann. Where to download The Lieder Of Schumann online for free? Are you looking for The Lieder Of Schumann PDF? This is definitely going to save you time and cash in something you should think about.
