Franz Hartmann,1929 **The Life and Doctrines of Jacob Boehme** Franz Hartmann,2013-05-05 The following is an attempt to present the principal doctrines of Jacob Boehme Quotations have in many instances been condensed and in some cases I have attempted to render them in a more modern and comprehensible phraseology than that of the original text the latter being very often obscure and untranslatable I have carefully compared the doctrines of Boehme with those of the Eastern sages as laid down in the Secret Doctrine and in the religious literature of the East and I find the most remarkable harmony between them in their esoteric meaning in fact the religion of Buddha Krishna and that of the Christ seem to me to be one and identical A study of Boehme s writings by means of entering into the spirit in which they were written is sure to expand the mind and to elevate the heart of the reader giving him a greater and more sublime conception of God Nature and Man than any other book of which I know **The Life and Doctrines of Jacob Boehme** Jakob Böhme,1929 **The life and doctrines of Jacob Boehmen, the God-taught philosopher** Franz Hartmann,1891 *The Life and Doctrines of Jacob Boehme; the God-Taught Philosopher; an Introduction to the Study of His Works* Franz Hartmann,2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1891 edition Excerpt CHAPTER IX GENERATION Let every Brahman with fixed attention consider all nature both visible and invisible as existing in the Divine Spirit For when he contemplates the boundless universe in the Divine Spirit he cannot give his heart to iniquity Manu DEGREES God evolves the centre of light from eternity to eternity within Himself and likewise there is in the soul of man a desire to penetrate into the second principle and to live in the light of God 1 The soul in its substance is a magical gush of fire from the nature of God the Father She is an ardent desire for the light Thus God the Father very strongly and from all eternity desires his heart the centre of the light and He generates it in His desiring will out of the quality of the fire Four Complexions ii God makes also the second principle in His love wherefrom He generates from eternity to eternity His eternal word and heart and the spirit ignites the bond of nature and renders it luminous in the love and the life of His heart by the power of the light Likewise the soul of man desires to penetrate into the second principle and to still its hunger with the power of God Threefold Life i 11 13 But if the soul as has been the case with Adam does not surrender her will to God then will the divine idea not become annihilated but is rendered inactive in man 1 It is the principle of light in man that causes him to seek for the light and to desire that it should become manifest If man were something entirely different from God and had consequently nothing divine in him he would be an atheist incapable of conceiving of justice or truth and have neither any desire nor understanding for that which is divine The soul has the seven qualities of **The Life and Doctrines of Jacob Boehme** Franz Hartmann,1891 *The Life and Doctrines of Jacob Boehme: The God-Taught Philosopher; An Introduction to the Study of His Works* Franz Hartmann,2017-08-20 *The Life and Doctrines of Jacob Boehme* Franz Hartmann,2014-02 This
