contributions from friends and intimates and access to private papers and family documents this biography uncovers the true story behind this complicated figure McLaren first achieved public prominence as a rebellious art student by making the news in 1966 after being arrested for burning the US flag in front of the American Embassy in London He maintained this incendiary reputation by fast tracking vanguard and left field ideas to the centre of the media glare via his creation and stewardship of the Sex Pistols and work with Adam Ant Boy George and Bow Wow Wow Meanwhile McLaren s ground breaking design partnership with Vivienne Westwood and his creation of their visionary series of boutiques in the 1970s and early 80s sent shockwaves through the fashion industry The Life Times of Malcolm McLaren also essays McLaren s exasperating Hollywood years when he broke bread with the likes of Steven Spielberg though his slate of projects which included the controversial Heavy Metal Surf Nazis and Wilde West in which Oscar Wilde introduced rock n roll to the American mid west in the 1880s proved too rich for the play it safe film business With a preface by Alan Moore who collaborated with McLaren on the unrealised film project Fashion Beast and an essay by Lou Stoppard casting a twenty first century perspective over his achievements The Life Times Of Malcolm McLaren is the explosive and definitive account of the man dubbed by Melvyn Bragg the Diaghilev of punk

Oscar Wilde Matthew Sturgis,2021-10-12 The fullest most textural most accurate most human account of Oscar Wilde s unique and dazzling life based on extensive new research and newly discovered materials from Wilde s personal letters and transcripts of his first trial to newly uncovered papers of his early romantic and dangerous escapades and the two year prison term that shattered his soul and his life Simply the best modern biography of Wilde Evening Standard Drawing on material that has come to light in the past thirty years including newly discovered letters documents first draft notebooks and the full transcript of the libel trial Matthew Sturgis meticulously portrays the key events and influences that shaped Oscar Wilde s life returning the man to his times and to the facts giving us Wilde s own experience as he experienced it Here fully and richly portrayed is Wilde s Irish childhood a dreamy aloof boy a stellar classicist at boarding school a born entertainer with a talent for comedy and a need for an audience his years at Oxford a brilliant undergraduate punctuated by his reckless disregard for authority his arrival in London in 1878 already noticeable everywhere his ten year marriage to Constance Lloyd the father of two boys Constance unwittingly welcoming young men into the household who became Oscar s lovers and dying in exile at the age of thirty nine Wilde s development as a playwright becoming the high priest of the aesthetic movement his successes his celebrity and in later years his irresistible pull toward another double life in flagrant defiance and disregard of England s strict sodomy laws the blackmailer s charter the tragic story of his fall that sent him to prison for two years at hard labor destroying his life and shattering his soul

The Sensualist Clement Wood,1942 *Oscar Wilde* Juliet Gardiner,1995 From Library Journal In this lavishly illustrated volume English historian and author Gardiner uses Wilde s own words to delineate his life and times What emerges is a picture of a man whom William Butler Yeats described as the greatest talker of all time Gardiner highlights

Wilde's advocacy of aestheticism his search after the signs of the beautiful which led him to renounce his conventional lifestyle and become an active homosexual The final third of the book focuses on Wilde's tumultuous relationship with Lord Alfred Douglas and the scandal that resulted when Bosie's father the Marquess of Queensbury attacked Wilde's way of life The volume is beset by a number of mechanical problems quotations from original sources are awkwardly incorporated into the author's sentences punctuation is at times faulty and transitions not always smooth Nonetheless the book provides a good overview of Wilde's life Gardiner acknowledges Richard Ellman's biography Oscar Wilde LJ 12 87 as the fullest life possible Suitable for public libraries with general literature collections Denise J Stankovics *Life and Times* Ramboro Books, 1998-11

Oscar Wilde Richard Ellmann, 1988-11-05 Winner of both the National Book Critics Circle Award and the Pulitzer Prize Oscar Wilde is the definitive biography of the tortured poet and playwright and the last book by renowned biographer and literary critic Richard Ellmann Ellmann dedicated two decades to the research and writing of this biography resulting in a complex and richly detailed portrait of Oscar Wilde Ellman captures the wit creativity and charm of the psychologically and sexually complicated writer as well as the darker aspects of his personality and life Covering everything from Wilde's rise as a young literary talent to his eventual imprisonment and death in exile with exquisite detail Ellmann's fascinating account of Wilde's life and work is a resounding triumph *The Importance of Being Oscar* Leslie Frewin, 1986

Oscar Wilde Oscar Wilde, 2003 Wilde the writer is known to us from his plays and fiction yet it was in his conversation that his genius reached its summit His talk is lost his autobiography was never written but his letters reveal him at his best Here they are collected together with a commentary and photographs The Dramatic Life & Fascinating Times of Oscar Wilde Martin Fido, 1997 The world of Oscar Wilde was also the world of Swinburne Verlaine Max Beerbohm Aubrey Beardsley Sarah Bernhardt and Toulouse Lautrec With this book Martin Fido looks back on Wilde's life and times **The Life Of Oscar Wilde** André Kaminski, 2005-04-21 Studienarbeit aus dem Jahr 2005 im Fachbereich Anglistik Literatur Note 2 Ernst Moritz Arndt Universität Greifswald Institut für Anglistik Amerikanistik Veranstaltung Social Criticism in Oscar Wilde's *An Ideal Husband* and *A Woman of No Importance* Sprache Deutsch Abstract This homework will deal with the biography of Oscar Wilde It is perhaps rather unusual for a homework in a course in literature to deal predominantly with the life of a writer Usually academic treatment of literature tries not to give too much attention to the mere biographical background of any writer whose works are discussed But certainly the case of Oscar Wilde would be one to call for an exception from the rule As to the reasons for the unusual treatment of a writer in this respect it can first of all be stated that the dates and events in Oscar Wilde's life are very well documented Seemingly the life of Oscar Wilde has on the whole been of greater interest to scholars than the synoptic analysis of his works One scholar comments on the disproportion in academe between sifting through the life and analysing the works Es besagt viel wenn man feststellt wie wenig über sein Werk gesagt und wie ausführlich über sein Leben fabuliert wurde Das zahlenmäßige Missverhältnis zwischen Biographien und Werkuntersuchungen

best tigt nur die Beobachtung dass sein Leben stets st rker die Aufmerksamkeit des Publikums auf sich gezogen hat als das was er geschrieben hat He adds that such an approach is rather inappropriate Dies geriet einer gerechten Beurteilung seines oeuvre nicht zum Vorteil sondern hat ihr eher geschadet Be that as it may any research will certainly reveal many significant links between the life and the works of Oscar Wilde And here we have the second reason for the discussion of his biography in this homework even the most superficial glance at the life will reveal that it is hardly possible to deal with life or oeuvre separately One can find the anarchistic dandy trying to live up to the principles of aestheticism in both of them In Oscar Wilde s lifetime his contemporaries of the Victorian age experienced Oscar Wilde s complex personality which was full of contrasts inner tensions and excesses as well as most of his works It is not surprising that being for the most part dramatic Wilde s works also contain many contrasts inner tensions and excesses if only in the form of a finely wrought bon mot of one of the notorious characters
