Kwame Nkrumah. Vision and Tragedy David Rooney,2007-11-15 The yearlong celebration of Ghana s Golden Jubilee provides a fitting context for the republication of the book Kwame Nkrumah Vision and Tragedy In the lead up to the celebration and over the course of the year the life and times of Kwame Nkrumah will receive unprecedented public attention official and unofficial Kwame Nkrumah s very wide name recognition is paradoxically accompanied by sketchy often oversimplified knowledge about the events and processes of his life and times For most of those born after independence in 1957 such knowledge does not extend much beyond who Kwame Nkrumah was and vague notions about he won us Independence This book presents new material and new analysis which helps to clarify aspects of the record while advancing new perspectives What comes across clearly throughout the book is the significant contribution of Nkrumah s vision and personality at a critical moment in the history of Africa and the Third World He perhaps more than any other was able to identify focus and catalyse the major factors and players driving the struggle for political independence in Ghana and liberation in other parts of Africa In the process he committed his life and work totally to a wide variety of activities and processes in Ghana the continent and in the global Non Aligned Movement Akilagpa Sawyerr Association of African Universities Accra Ghana 10 March 2007 This is an objective study which should be read by all concerned with the history of post colonial Africa Conor Cruise O Brien Former Vice Chancellor University of Ghana Legon David Rooney is a specialist on Ghana from Cambridge His research for this book unearthed unpublished material in Ghana UK and the United States where he had access to CIA papers He has written extensively on the Commonwealth and modern Africa and is the author of a biography of Sir Charles Noble Arden Clarke **The Life & Work of Kwame Nkrumah** ,1985 Autobiography and Decolonization Philip Holden,2008 Philip Holden reveals deeply gendered connections between the writing of individual lives and of the narratives of nations emerging from colonialism Autobiography and Decolonization is the first book to give serious academic attention to autobiographies of nationalist leaders in the process of decolonization attending to them not simply as partial historical documents but as texts involved in remaking the world views of their readers Holden examines Mohandas K

Gandhi's *An Autobiography The Story of My Experiments with Truth* Marcus Garvey's fragmentary Autobiography Joseph Ephraim Casely Hayford's *Ethiopia Unbound* Lee Kuan Yew's *The Singapore Story* Nelson Mandela's *Long Walk to Freedom* Jawaharlal Nehru's *An Autobiography* and Kwame Nkrumah's *Ghana The Autobiography of Kwame Nkrumah* Holden argues that these examples of life writing have had significant influence on the formation of new and often profoundly gendered national identities These narratives constitute the nation less as an imagined community than as an imagined individual Moving from the past to the promise of the future they mediate relationships between public and private and between individual and collective stories Ultimately they show how the construction of modern selfhood is inextricably linked to the construction of a postcolonial polity
