Beveridge, 2022 WINNER OF THE PULITZER PRIZE Alan Beveridge's *The Life of John Marshall* is a masterfully written four volume work that delves deep into the life and career of one of the most influential figures in American history. As Chief Justice of the United States Supreme Court, John Marshall played a pivotal role in shaping the nation's legal system and establishing the Court as a coequal branch of government and is widely regarded as one of the most influential justices ever to serve. John Marshall became the fourth chief justice of the U.S. Supreme Court despite having had almost no formal schooling and after having studied law for just six weeks. Prior to serving on the Court, Marshall served as the fourth U.S. Secretary of State under President John Adams and as Congressman for Virginia. Yet Marshall remains the only judge in American history whose distinction derives almost entirely from his judicial career. During Marshall's nearly 35 year tenure as chief justice, he wielded the Constitution's power aggressively and wisely, setting the Supreme Court on a course for longevity by ensuring its equal position in the triumvirate of the federal government of the United States and securing its role as interpreter and enforcer of the Constitution. One of the most impressive aspects of this expansive work is how Beveridge places Marshall's life and career within the broader context of American history. Marshall's judicial energies were as unflagging as his vision was expansive. Beveridge does an excellent job of bringing Marshall to life, painting a vivid picture of the man and his times. Thorough research and impeccable, timeless writing makes for essential reading. The first two volumes are published here. Volume I, 1755-1788, covers Marshall's life as a frontiersman, soldier, and lawmaker, while Volume II, 1789-1801, discusses Marshall as a politician, diplomat, and statesman. This four volume collection, now published in two parts, makes a fascinating must-read for the lawyer, historian, and legal scholar.

**The Life of John Marshall (Volume 2 of 4)** Albert

Beveridge, 2021-12-02 **The Life of John Marshall Volume III of IV** Albert J. Beveridge, 2020-09-22 John Marshall is a man who has become unfamiliar to many. Born on September 24th, 1755, Marshall served and fought for the Continental Army in many battles in its long fight for independence from the British Crown. During the war's latter stages, he was admitted to the state bar and won election to the Virginia House of Delegates. From there, he played a major part in that state's ratification of the United States Constitution. A request from President John Adams saw him travel to France in 1797 to help end attacks on American shipping in what was known as the XYZ Affair. Returning to the United States, he won election to the United States House of Representatives and emerged as a leader of the Federalist Party in Congress. In 1800, he was appointed Secretary of State and became an important figure in the Adams administration. In 1801, Adams appointed Marshall to the Supreme Court, and he quickly emerged as the key figure on the court and became its Chief Justice. Under his leadership, the Court moved decisively to issuing a single majority opinion that clearly set out its ruling. Marshall upheld the principle of judicial review, whereby courts could strike down federal and state laws if they conflicted with the Constitution. With this, the principle of separation of powers was more easily enabled, and the position of the American judiciary as an independent and co-equal branch of government was made de facto. John Marshall remains the longest serving chief justice.

and fourth longest serving justice in Supreme Court history He died on July 6th 1835

Yeah, reviewing a ebook **The Life Of John Marshall** could ensue your near links listings. This is just one of the solutions for you to be successful. As understood, ability does not recommend that you have astonishing points.
