**The Life of John Marshall, Vol. 3 (Classic Reprint)** Albert Jeremiah Beveridge,2015-07-13 Excerpt from The Life of John Marshall Vol 3 Marshall s Constitutional opinions grew out of or were addressed to serious public conditions national in extent In these volumes the effort is made to relate the circumstances that required him to give to the country those marvelous state papers for Marshall s opinions were nothing less than state papers and of the first rank In order to under stand the full meaning of his deliverances and to estimate the just value of his labors it is necessary to know the historical sources of his foremost expositions of the Constitution and the historical purposes they were intended to accomplish Without such knowledge Marshall s finest pronouncements become mere legal utterances important to be sure but colorless and unattractive It is worthy of repetition even in a preface that the history of the times is a part of his greatest opinions and that in the treatment of them a resume of the events that produced them must be given For example the decision of Marbury vs Madison at the time and in the manner it was rendered was compelled by the political situation then existing unless the principle of judicial supremacy over legislation was to be abandoned About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

*Thomas Jefferson* Alf Johnson Mapp (Jr.),Alf J. Mapp,Jr.,2009-01-16 Follows Jefferson from his inauguration as President in 1801 to his death at the age of 83 on July 4 1826 It embraces the eight years as Chief Executive in which he doubled the size of the United States by his daring Louisiana Purchase sent Meriwether Lewis and William Clark on one of the world s greatest expeditions of exploration and challenged the formidable Chief Justice John Marshall with a major program of judicial reform It proves the falseness of the stereotype that Jefferson ignored national defense and tried to keep the Navy weak The book shows him late in life with ideas that have relevance today planning a system of public education and founding the University of Virginia and it reveals better than any other biography to date the intimate details of the lonely private battle he fought during his last tortured but ultimately triumphant decade
