Theodosia Drane, 1857 **The Life of St. Dominic, and a Sketch of the Dominican Order** J. S. Alemany, 2021-10-29

Reprint of the original first published in 1867 **Life of Saint Dominic** Bede Jarrett, 2018 *The Hidden Light* Jennifer Moorcroft, 2013-11-05 Saint Dominic has been described by one of his biographers Guy Bedouelle OP as hidden in the light Unlike most other founders of religious orders he says we have only three brief letters and almost none of his words preserved we know nothing of Dominics life except what we can see through the eyes of his followers or his friends The fact that our access to St Dominic is so indirect reveals his discretion and in a sense his detachment from himself This detachment in turn is an eloquent statement of the place he wished to hold within the Church

As the Morning Star: The Life of St. Dominic Jerome Wilms, 2020-09-08 That after seven hundred years his life is still the subject of historians endeavors is a clear proof of the deep significance of St Dominic s personality for his Order for the clergy and the entire Church He lived in the late Middle Ages when the Chair of Peter was occupied by popes like Innocent III whose prudence and firmness were active factors in shaping Europe s history The spirit of faith still had at least a little influence in political matters and enthusiasm for the reclaiming of the Holy Land swayed men s hearts However there were also ominous signs that a religious retrogression had begun Heretics were stirring up trouble in different localities Monastic discipline had become relaxed Spiritual ministrations were being neglected because the clergy were either entangled in worldly matters or had succumbed to the easy life made available to them by their rich revenues The ancient landed property of the Church excited the greed of the pious donors less devout offspring Revolutionary ideas hostile to the faith were being propagated and put into practice and well disposed individuals were too ignorant of religious principles to steer themselves out of this dangerous current By means of General Councils and Diocesan Synods the Church had issued strict moral decrees for priests and religious concerning their pastoral duties and especially the preaching of the Gospel but the end was not attained by merely issuing these decrees Dominic was a man of action He realized the need of the age and chose as his particular lifework the preaching of the Gospel He established an Order dedicated entirely to the salvation of souls by means of teaching and preaching the Word of God With this foundation Dominic introduced an entirely new element into the history of religious orders He retained the community life and solemn choral prayer of the Augustinian canons and adopted many austerities from the old monastic orders but added to all this the stipulation that the particular task of his followers would be the salvation of their fellow men For that purpose he obliged his disciples to devote themselves rain or shine to study and preaching Dominic became the patriarch of apostolic orders To all with whom he came in contact to his brethren and to outsiders he was in truth an openhanded and largehearted Father wonderfully indulgent but at the same time not yielding an inch in those things which mature deliberation had convinced him were necessary and ready to attempt squaring a circle in order to carry out a worthy undertaking Such a man has much to tell our own generation perhaps everything needed for a genuine renewal The Life

of St. Dominic with a Sketch of the Dominican Order Augusta Theodosia Drane, 1876 The Life of St. Dominic and a Sketch of the Dominican Order Augusta Theodosia Drane, 1887 The Life of St. [Saint] Dominic, 1900 **The Life of St. Dominic**, 1997 **Saint Dominic and His Mission** Laffay Op Augustin, Festa Op Gianni, Dominican Sisters of Saint Cecilia, 2025-07-25

Saint Dominic had dedicated himself to a life of prayer and study as a canon regular at the Cathedral of Osma Spain in 1197 When on a diplomatic mission through southern France Dominic and his bishop Diego encountered the Cathar heresy The Spaniards were filled with compassion and sought to counter this heresy by preaching and the example of their holy life In the ensuing years and with ecclesiastical approval Dominic would gather around him a group of men living a common life in evangelical poverty and dedicated to preaching for the salvation of souls these were the first members of the Order of Preachers commonly known as Dominicans In *Saint Dominic and His Mission* two of Saint Dominic's spiritual sons present a portrait of this Preacher of Grace using extensive research from the archives of the Order to present Dominic and his brethren in their historical context The first section comprises two parts a biographical sketch and an evaluation of hagiographic and historical accounts of the life of St Dominic It is said that St Dominic's gift to the Church is not extensive writings but a way of life The second section describes aspects of this distinctly evangelical form life including study and preaching fraternal life choral office and the rosary democratic government and living in the heart of the Church In the third section the authors enlist the help of art historians who present multiple pieces of artwork ancient and modern to better know and understand this Doctor of Truth The final section is a chronology of the life of St Dominic based on the work of the renowned English Dominican Simon Tugwell OP Readers will find that Saint Dominic whose life and preaching was centered on the Word Incarnate is a perfect friend and guide to us today as we experience a revival in reverence for the Eucharist and the Sacred Heart of Jesus Life of Saint Dominic Henri Lacordaire, 2012-08-15 The figure of Saint Dominic was one that inspired a legion of followers throughout the ages The Black and White habit of his order clothed Saints Thomas Aquinas Catherine of Siena Albert and Pius V to name but a few Fr Lacordaire brings to us an introduction to the life of his own spiritual father and does so with the simplicity and erudition of a true Friar Preacher *Life of St. Dominic, 1170-1221* Bede Jarrett, 1964 **The Life of St. Dominic, with a Sketch of the Dominican Order** Dominic [de Guzman] (Saint. [Appendix.]), 1857
