

The Limits of Sisterhood

THE BEECHER SISTERS
ON WOMEN'S RIGHTS
AND WOMAN'S SPHERE

JEANNE BOYDSTON, MARY KELLEY,
AND ANNE MARGOLIS

The Limits Of Sisterhood

Carolyn Gage, Don Nigro

The Limits Of Sisterhood:

The Limits of Sisterhood Jeanne Boydston, Mary Kelley, Anne Margolis, 2018-08-25 In a century almost continually at odds with the proper place of females Catherine Esther Beecher Harriet Beecher Stowe and Isabella Beecher Hooker shared a commitment to women's power. Although they did not always agree on the nature of that power each in her own way Catherine as educator and author of advice literature Harriet as author of novels tales and sketches and Isabella as a women's rights advocate devoted much of her adult life to elevating women's status and expanding women's influence. **The**

Limits of Sisterhood Jeanne Boydston, 1988 The authors alternate their own analyses of the lives of Catharine Esther Beecher Harriet Beecher Stowe and Isabella Beecher Hooker with excerpts from the sisters' private and public papers which illustrate key themes within the nineteenth century debate about the woman's sphere. **The limits of sisterhood : the**

Beecher sisters on women's rights and woman's sphere Jeanne Boydston, Mary Kelley, 1988 **The Limits of the Sisterhood. The Beecher Sisters on Women's Rights and Women's Sphere** Anne Margolis, 1988 **Laughing**

Sister Death Beatrice Marovich, 2023-02-07 Winner 2024 Bela Kornitzer Alumni Award Drew University Life and death are commonly seen as representing the starkest of binaries. Death is the ultimate adversary of all that lives. Beatrice Marovich argues that such understandings of mortality have been deeply influenced by a strain of Christian political theology that has left its mark on both religious and secular narratives. Adapting the figure of Sister Death from Saint Francis of Assisi she calls for recognizing that life and death are family. Drawing on a wide range of sources from Toni Morrison to Jacques Derrida psychoanalysis to grassroots death positive movements Marovich critiques a racialized political theology that pits life and death against each other in a state of endless war. In a time of extinctions it is necessary to disrupt this dominant story in order to apprehend death as a collective multispecies event. Sister Death proposes an alternative view in which life and death are not mortal enemies destined for mutual destruction. Instead they are engaged in a contested tense and sometimes mutually empowering form of connection. A sisterhood. Eloquent and approachable this book deftly integrates the insights of a number of disciplines to provide a profound reconsideration of the relations between life and death. Sister Death also features a series of original works by the artist Krista Dragomer that stage an ongoing conceptual conversation with the text. **The**

Abolitionist Sisterhood Jean Fagan Yellin, John C. Van Horne, 2018-05-31 A small group of black and white American women who banded together in the 1830s and 1840s to remedy the evils of slavery and racism the antislavery females included many who ultimately struggled for equal rights for women as well. Organizing fundraising fairs writing pamphlets and giftbooks circulating petitions even speaking before promiscuous audiences including men and women the antislavery women energetically created a diverse and dynamic political culture. A lively exploration of this nineteenth century reform movement. The Abolitionist Sisterhood includes chapters on the principal female antislavery societies discussions of black

women's political culture in the antebellum North articles on the strategies and tactics the antislavery women devised a pictorial essay presenting rare graphics from both sides of abolitionist debates and a final chapter comparing the experiences of the American and British women who attended the 1840 World Anti Slavery Convention in London

The ^AWicked Sisters Betsy Erkkila, 1992-12-10 This provocative study of the lives and works of Emily Dickinson Marianne Moore Elizabeth Bishop Adrienne Rich and Gwendolyn Brooks focuses on the historical struggles and differences among and within women writers and among feminists themselves Erkkila explores the troubled relations women writers experienced with both masculine and feminine literary cultures arguing that popular feminist views often romanticize and maternalize women writers and their interrelations in ways that effectively reinforce the very gender stereotypes and polarities which initially grounded women's oppression Studying the multiple race class ethnic cultural and other locations of women within a particular social field Erkkila offers a revisionary model of women's literary history that challenges recent feminist theory and practice along with many of our fundamental assumptions about the woman writer women's writing and women's literary history In contrast to the tendency of earlier feminists to heroize literary foremothers and communities of women Erkkila focuses on the historical struggles and conflicts that make up the history of women poets Without discounting the historical power of sisterhood she seeks to reclaim women's literary history as a site of contention contingency and ongoing struggle rather than a separate space of untroubled and essentially cooperative accord among women Encompassing the various historical significations of wickedness as destructive powerful playful witty mischievous and not righteous The Wicked Sisters explores the power struggles and discord that mark both the history of women poets and the history of feminist criticism

The Sisterhood Katherine Bradley, 2023-03-16 PRE ORDER THE INSTITUTE THE NEW HIGH CONCEPT PSYCHOLOGICAL THRILLER BY KATHERINE BRADLEY OUT SPRING 2025 Frightening and timely Bradley's The Sisterhood is the book everyone should read this year If you thought it ended with Orwell think again CHRISTINA DALCHER Vox meets The Handmaid's Tale in this feminist reimagining of 1984 In Oceania whoever you are Big Brother is always watching you and trust is a luxury that no one has Julia is the seemingly perfect example of what women in Oceania should be dutiful useful subservient meek But Julia hides a secret A secret that would lead to her death if it is discovered For Julia is part of the underground movement called The Sisterhood whose main goal is to find members of The Brotherhood the anti Party vigilante group and help them to overthrow Big Brother Only then can everyone be truly free When Julia thinks she's found a potential member of The Brotherhood it seems like their goal might finally be in their grasp But as she gets closer to Winston Smith Julia's past starts to catch up with her and we soon realise that she has many more secrets than we'd first imagined and that overthrowing Big Brother might cost her everything but if you have nothing left to lose then you don't mind playing the game This is a story about love about family about being a woman a mother a sister a friend and ultimately about what you would sacrifice for the greater good Fast paced and suspenseful The Sisterhood's greatest gift however may

be in its message of hope capable of surmounting even the most formidable of odds and the most uncertain of futures
 KATHERINE J CHEN author of *Joan* A gut wrenching heart breaking journey through the looking glass of 1984 Compulsively
 written Julia's is a story begging to be told FREYA BERRY author of *The Dictator's Wife* A shockingly relevant take on a
 classic CLAIRE MCGOWAN author of *This Could Be Us* A dazzling retelling of the classic dystopian novel which raises
 profound questions about how society works and whether or not woman have political agency I found it memorable deeply
 moving and at times terrifying KATE RHODES author of the Ben Kitto series Katherine Bradley has delivered a worthy
 counterpart to George Orwell's 1984 in this chilling taut book It's as claustrophobic as it needs to be particularly frightening
 as one looks around and sees that we are voluntarily moving towards Orwell's nightmare It is nothing short of a triumph
 MARA TIMON author of *City of Spies* In this highly original take on Orwell's 1984 the Big Brother of all dystopian classics
 Bradley weaves a complex and engaging plot around the idea of a female resistance to oppressive overlords Oppressive and
 creepy but with real heart A K TURNER author of *Body Language* **Our Sister Editors** Patricia Okker, 2008-06-01 Our
 Sister Editors is the first book length study of Sarah J Hale's editorial career From 1828 to 1836 Hale edited the Boston
 based Ladies Magazine and then from 1837 to 1877 Philadelphia's Godey's Lady's Book which on the eve of the Civil War
 was the most widely read magazine in the United States boasting more than 150 000 subscribers Hale reviewed thousands of
 books regularly contributed her own fiction and poetry to her magazines wrote monthly editorials and published the works of
 such writers as Nathaniel Hawthorne Edgar Allan Poe Harriet Beecher Stowe and Lydia Sigourney Okker successfully relates
 Hale's contributions both to debates about the status of women and to the development of American literature Unlike many
 of her contemporaries Hale insisted on the power of women within both the public and private spheres Throughout her long
 career Hale helped popularize new ideas about reading and genre and she made significant contributions to the development
 of professional authorship Our Sister Editors also provides the first overview of the large and diverse group of nineteenth
 century women editors In her examination of the role of women as editors owners and publishers of periodicals and her use
 of Hale's career to exemplify and discuss a series of major issues related to women's writing and reading in Victorian
 America Patricia Okker offers a provocative revisionist study *The Anastasia Trials in the Court of Women* Carolyn
 Gage, Don Nigro, 2003 A play with intense audience participation Engrossing controversial courtroom drama where the
 audience must serve as judge and jury deciding motions and verdict in a case against the five women who betrayed the
 Grand Duchess Anastasia Romanov the last surviving daughter of the Tsar of Russia Complex ethical questions on a set of
 folding chairs The Anastasia Trials is a farcical but profoundly engaging excursion into the hidden world of ethics for women
 who are both survivors and perpetrators of abuse toward women The format is a play within a play where a radical feminist
 theatre company comes together in order to perform a courtroom drama The play is shaped by the audience decisions to
 overrule or sustain the attorneys motions and every night's audience sees a different play In presenting the play the Emma

Goldman Theatre Brigade has instituted a new system to insure equal opportunity for the actors a lottery As the women assemble to draw their roles from the hat for the evening s performance sisterhood is put to the test The performance itself is a conspiracy trial against five women accused of denying a woman her identity The plaintiff is none other than Anastasia Romanov sole survivor of the massacre of the Russian imperial family in 1918 Elegantly conceived A feminist Noises Off Washington City Press Powerful San Diego Lesbian Press Farce social history debate play agitprop audience participation melodrama satire that makes the head reel San Diego Union Tribune Wild It s lively and moves quickly Very funny yet poignant Washington Blade Carolyn Gage s raucous multilayered script explores issues of empathy loyalty and betrayal among women The Washington Post Verdict An unexpected delight Miami Herald FL farcical humor imaginative plot twists and just pure theatrical fun South Florida Sun Sentinel Ft Lauderdale fascinating and complex play Fresno Beehive com I am constantly amazed at Carolyn s ability to make complex social issues not only accessible but also irresistibly fascinating the play The Anastasia Trials touched us made us laugh and gripped us in a white knuckle intensity usually found only in Hitchcock films R J McComish Literary Manager of the Portland Stage Company Portland Maine fabulously interesting brilliantly thought provoking and exquisitely funny masterpiece of feminist theater off our backs Washington DC Each performance could potentially have a different result and many students saw every performance just so they could see how the show ended At Oldfields Glencoe MD [The Sisterhood of Diabetes](#) Judith Ambrosini,2014-05-13 The Sisterhood of Diabetes engages the reader with 38 true life stories of women with diabetes the challenges they faced and the adventures they took These accomplished women of all ages and from around the world are athletes scholars and champions in many ways who will motivate and inspire others whether diabetic or not in redefining abilities and venturing beyond self imposed limits The message here is to live your dreams with diabetes or any other challenges with a positive attitude and inspired determination While many books offer the do s and don ts of diabetes care this book bypasses the humdrum and the confusing fuselage of medical terminology and treatment to bring the reader face to face with the real struggles of diabetes and how to live a rich life in the midst of our challenges Judith Jones Ambrosini has lived under the influence of Type 1 diabetes for over fifty years She knows the importance of exercise sports and leading an active life as a major component of excellent diabetes care There are currently over 26 million men women and children with diabetes in the USA and 286 million cases worldwide This book sheds bright light on what can sometimes be a devastating prognosis by telling true and encouraging stories of successful individuals Living with diabetes is a challenge but as Judith so beautifully captures here it doesn t have to keep you from achieving your dreams Each of these uplifting stories shares a common golden thread the importance of maintaining a positive attitude and the will to dream big Whether they have diabetes or not readers of this inspirational book will be encouraged to find their own golden thread Chris Dudley National Basketball Association player for 16 years founder Chris Dudley Foundation for youth with diabetes Type 1 diabetes since 1981 I have known of Judith s

commitment to movement and sport for years and how it has helped her manage her diabetes Her clear compelling voice brings us stories of women who discovered that moving is one of our greatest salvations and tools to live proudly strongly and joyfully with diabetes Riva Greenberg author *Diabetes Do's* and columnist *The Unconventional Sisterhood* Heather Lynn Claussen, 2023-06-20 *Unconventional Sisterhood* is an ethnographic exploration of the ways in which Filipina Missionary Benedictine Sisters are renegotiating traditional understandings of gender religious responsibility and national identity in the context of a rapidly globalizing nation Unlike the popular stereotypes of staid sisters cloaked in rigid religious dogmatism they are doing so by telling jokes engaging in eclectic religious rituals maintaining connections with a local nationalist cult and committing themselves to a radical and feminist politics This work represents an important addition to scholarship on Philippine feminism It is one of few ethnographies that focuses on female monasticism of particular cultural importance in the Christian Philippines where nuns enjoy relatively high social status and freedom from many of the traditional constraints delineating Filipina lives It is noteworthy as well for its focus on metropolitan Manila a socially complex dynamic diverse and understudied environment Heather L Claussen is an anthropologist currently living in Santa Cruz California

Macphail's Edinburgh ecclesiastical journal and literary review, 1853 **Interpreting Christmas at Museums and Historic Sites** Kenneth C.
