Bounty of Vengeance Paul Colt, 2022-12-05 A murderous drifter A grieving husband A range war about to explode Bounty

of Vengeance introduces Paul Colt's sweeping Bounty Trilogy. Former Cheyenne Sheriff Ty Ledger and bounty hunter Johnny Roth pursue a half-breed serial killer responsible for the death of Ledger's wife and unborn child. The bloody trail leads to Lincoln County, New Mexico, and a town girding for war. Ledger and Roth follow the killer to an encounter with renegade Comanche that has the pair counting their bullets, making sure each has one left for his final escape. Colt's action races across the pages of history set against the run-up to the Lincoln County War. Ty Ledger, Johnny Roth, Lucy Sample, and Dawn Sky take their places beside John Chisum, John Tunstall, and James Dolan as the principals square off in what will become the making of legends. Told in a gritty style reminiscent of Robert B. Parker, Colt transports the reader to events that test the mettle of men and the hearts of the women they love.

The Hero's Trail Peter C. Mowrey, 2022-06-16 The great American Westerns can be profoundly meaningful when read metaphorically. More than mere shoot-em-up entertainment, they are an essential part of a vibrant, evolving national mythology. Like other versions of the archetypal Hero's Journey, these films are filled with insights about life, love, nature, society, ethics, beauty, and what it means to be human, and are key to understanding American culture. Part film guide, part historical survey, this book explores the mythic and artistic elements in 52 great Westerns, some orthodox, some subversive, from the genre's first half-century. Each film is given detailed critical analysis, from the earliest silent movies to Golden Age classics like *Red River* (1948), *High Noon* (1952), and *Shane* (1953).

Billy the Kid Richard W. Etulain, 2020-07-16 A central character in legends and histories of the Old West, Billy the Kid rivals such western icons as Jesse James and General George Armstrong Custer for the number of books and movies his brief, violent life inspired. *Billy the Kid: A Reader's Guide* introduces readers to the most significant of these written and filmed works. Compiled and written by a respected historian of the Old West and author of a masterful new biography of Billy the Kid, this reader's guide includes summaries and evaluations of biographies, histories, novels, and movies, as well as archival sources and research collections. Surveying newspaper articles, books, pamphlets, essays, and book chapters, Richard W. Etulain traces the shifting views of Billy the Kid from his own era to the present. Etulain's discussion of novels and movies reveals a similar shift, even as it points out both the historical inaccuracies and the literary and cinematic achievements of these works. A brief section on the authentic and supposed photographs of the Kid demonstrates the difficulties specialists and collectors have encountered in locating dependable photographic sources. This discerning overview will guide readers through the plethora of words and images generated by Billy the Kid's life and legend over more than a century. It will prove invaluable to those interested in the demigods of the Old West and in the ever-changing cultural landscape in which they appear to us.
