SOUL EXISTENCE REVEALED Volume 2 Angel Vela,2008

*The Halo of Golden Light* Asuka Sango,2015-03-31 In this pioneering study of the shifting status of the emperor within court society and the relationship between the state and the Buddhist community during the Heian period 794-1185 Asuka Sango details the complex ways in which the emperor and other elite ruling groups employed Buddhist ritual to legitimate their authority Although considered a descendant of the sun goddess Amaterasu the emperor used Buddhist idiom particularly the ideal king as depicted in the Golden Light Sutra to express his right to rule Sango s book is the first to focus on the ideals presented in the Sutra to demonstrate how the ritual enactment of imperial authority was essential to justifying political power These ideals became the basis of a number of court sponsored rituals the most important of which was the emperor s Misai e Assembly Sango deftly traces the changes in the assembly s format and status throughout the era and the significant shifts in the Japanese polity that mirrored them In illuminating the details of these changes she challenges dominant scholarly models that presume the gradual decline of the political and liturgical influence of the emperor over the course of the era She also compels a reconsideration of Buddhism during the Heian as state Buddhism by showing that monks intervened in creating the state s policy toward the religion to their own advantage Her analysis further challenges the common view that Buddhism of the time was characterized by the growth of private esoteric rites at the expense of exoteric doctrinal learning *The Halo of Golden Light* draws on a wide range of primary sources from official annals and diaries written by courtiers and monks to ecclesiastical records and Buddhist texts many of them translated or analyzed for the first time in English In so doing the work brings to the surface surprising facets in the negotiations between religious

ideas and practices and the Buddhist community and the state      *Family of Light* Barbara Marciniak,1998-10-01 With compassion and compelling insight the Pleiadians those system busting time travelers from the future take us on a journey through the uncharted lands of The Book of Earth which comprises all human experience While our world goes belly up in these most absurd of times they offer us tools for survival During the crucial period between 1987 and 2012 a nanosecond in the annals of existence where secrets and solutions are stored we have the unique opportunity to move from the deepest of density to the highest of frequencies where we shift from linear to multi dimensional living To make this transition we must face not only the limitations of our 3 D world with its electronic manipulation and mind control we must embrace our own wounds and those of our ancestors and our leaders To heal ourselves to raise our frequency from one of despair and fear to one of great inspiration and love the Pleiadians urge us to rethink and reevaluate our lives You shall change you will change you must change because this is the season of change      **The Council of Light** Danielle Rama Hoffman,2013-09-20
