Slipping Down Life:

A Slipping-Down Life Anne Tyler, 2011-01-05 To read a novel by Anne Tyler is to fall in love People The beloved bestselling Pulitzer Prize winning author brings us the story of Evie Decker a shy slightly plump teenager lonely and silent But her quiet life is shattered when she hears the voice of Drumstrings Casey on the radio and becomes instantly attracted to him She manages to meet him bursting out of her lonely shell and into the attentive gaze of the intangible man who becomes all too real Without Anne Tyler American fiction would be an immeasurably bleaker place Newsweek *Slipping-down Life* Anne Tyler, 1992-08-23 **Moving on** Susan S. Kissel, 1996 A background synthesis freshly discussing the work of Chopin McCullers O'Connor Mitchell and Welty leads to extended treatment of the novels of Shirley Ann Grau whose protagonists keepers of the house remain their fathers daughters of Anne Tyler whose characters are fatherless and homeless at home and Gail Godwin whose daughter heroines learn the necessity of autonomy Anne Tyler Paul Bail, 1998-10-15 Anne Tyler's novels strike a deep chord of responsiveness in her readers because her novels bring to life contemporary characters to whom we can instantly relate and in whose experiences we can see mirrored our own Tyler's novels deal with the human experience relationships between marital partners between parents and children between siblings the meaning of love the nature of identity impermanence and change and loss and continuity In Anne Tyler novels life is a complexity whose texture is built out of multiple layers In this insightful study Paul Bail shows us how Tyler constructs the complex reality of life through character narrative point of view theme and literary devices With the exception of Tyler's earliest two novels which she prefers to forget a chapter is devoted to each of the other novels she has written Among the twelve are her unforgettable novels of family relationships and love loss and renewal such as *Dinner at the Homesick Restaurant* *The Accidental Tourist* and *Breathing Lessons* Also included is an analysis of Tyler's most recent novel *A Patchwork Planet* Following a biographical chapter that relates Tyler's life to her work Bail discusses the novels within the literary tradition of Southern regional literature women's literature and popular culture He also explores the influence of religion on her writing Each novel is discussed in an individual chapter that includes sections on plot characters themes literary devices historical setting and point of view Bail also offers an alternate critical approach from which to read the novel such as feminist or multicultural criticism This study is ideal for students and readers of Anne Tyler and will enrich the reading and appreciation of her novels
