Baseball's Pivotal Era, 1945-1951 William Marshall, 2021-11-21 With personal interviews of players and owners and with over two decades of research in newspapers and archives Bill Marshall tells of the players the pennant races and the officials who shaped one of the most memorable eras in sports and American history At the end of World War II soldiers returning from overseas hungered to resume their love affair with baseball Spectators still identified with players whose salaries and off season employment as postmen plumbers farmers and insurance salesmen resembled their own It was a time when kids played baseball on sandlots and in pastures fans followed the game on the radio and tickets were affordable The outstanding play of Joe DiMaggio Stan Musial Ted Williams Bob Feller Don Newcombe Warren Spahn and many others dominated the field But perhaps no performance was more important than that of Jackie Robinson whose entrance into the game broke the color barrier won him the respect of millions of Americans and helped set the stage for the civil rights movement Baseball s Pivotal Era 1945 1951 also records the attempt to organize the Pittsburgh Pirates and the Mexican League s success in luring players south of the border that led to a series of lawsuits that almost undermined baseball s reserve clause and antitrust exemption The result was spring training pay uniform contracts minimum salary levels player representation and a pension plan the very issues that would divide players and owners almost fifty years later During these years the game was led by A B Happy Chandler a hand shaking speech making singing Kentucky politician Most owners thought he would be easily manipulated unlike baseball s first commissioner the autocratic Judge Kennesaw Mountain Landis Instead Chandler s style led one owner to complain that he was the player s commissioner the fan s commissioner the press and radio commissioner everybody s commissioner but the men who pay him *Baseball's Rare Triple Crown* Michael Francis Mann, 2011-09-19 to follow Da Life of Metaphors John J., 2018-06-15 The Life of Metaphors is based upon real life things we see every day This is a new style of reading material that no one has ever read before which will open your mind to metaphors as a new language In one of my chapters I talk about money and how it can be a force of evil For example some people say money isn t everything but people will do anything to get it I also talk about sports and how relevant they are to the players Some of my favorite sports players listed as Tom Brady Peyton Manning Floyd Money Mayweather Aaron Rodgers and many more show my love of sports Tom Brady s The Brady Bunch and Aaron Rodgers in Mr Rodgers Neighborhood are just examples of why I love watching sports especially those two teams It s so amazing that many TV shows have come and gone which is why I wrote chapter 3 as the old school TV show chapter You ll discover shows such as Gimme a Break Married with Children The Facts of Life Three s Company and many more In this book you will find real life stories of how and where I grew up and that s why I designed chapter 5 for your reading pleasures You also will find the roots of Milwaukee such as

chapter 11 which tells about beers and breweries because we are the home of the Brewers If it s credit cards you like there is a story on the different types of credit cards except in a perfect world we all know there are rules and regulations before you swipe You can find this in chapter 8 **The Book of Man** William J. Bennett,2013-10-22 WHAT IT MEANS TO BE A MAN Raising up men has never been easy but today is seems particularly tough The young and old need heroes to embody the eternal qualities of manhood honor duty valor and integrity InThe Book of Man William J Bennett points the way offering a positive encouraging uplifting realizable idea of manhood redolent of history and human nature and practical for contemporary life Using profiles stories letters poems essays historical vignettes and myths to bring his subject to life The Book of Man defines what a man should be how he should live and to what he should aspire in several key areas of life war work leisure and more Whether we take up the sword the plow the ball the gavel our children or our Bibles says Bennett we must always do it like the men we are called to be The Book of Man shows how *APPALACHIAN LEAGUE BASEBALL* Allen LaMountain,2014-07-03 Baseball The very word brings to mind summer days a feeling of youthful exuberance and rebirth Baseball is nostalgic in its essence and I hope that I have captured that feeling in this book The stories of the rise of many young hopeful ballplayers who had the talent and drive to make it to the big leagues and in some cases rise to the very pinnacle of success is what prompted me to write their stories Over the years of my stint covering the Appalachian League I witnessed a great many players make it to The Show If you are a fan of baseball as I am you will enjoy discovering the history of this talent rich league as well as the biographies of the players and managers who passed through the Appy League on their way up the ladder I hope you enjoy reading this book as much as I did writing it
