

When I am on the computer, I should only watch videos where people are being safe.

If people in the videos are fighting, hurting each other, swearing, or being mean to each other, I should find a different video to watch.

Digital Play and Technologies in the Early Years Christine Stephen,Liz Brooker,Pamela Oberhuemer,Rod Parker-Rees,2020-04-24 Technologies are a pervasive feature of contemporary life for adults and children However young children s experiences with digital technologies are often the subject of polarised debate among parents educators policymakers and social commentators particularly since the advent of tablets and smartphones changed access to the Internet and the nature of interactions with digital resources Some are opposed to children s engagement with digital resources concerned that the activities they afford are not developmentally appropriate limit physical activity and restrict the development of social skills Others welcome digital technologies which they see as offering new and enhanced ways of learning and sharing knowledge Despite this level of popular and policy interest in young children s interactions with digital technologies our understanding of the influence of these technologies on playing and learning and on the role of educators has remained surprisingly limited The contributions to this book fill in the gaps of our existing understanding of the field They focus on children and families from Australia to England to Estonia the how and why of encounters with digital technologies the nature of digital play and questions about practice and practitioners The book raises critical questions and offers new understandings and theoretical insights around one of the hot topics in early years research This book was originally published as a special issue of the Early Years journal **Australian National Bibliography: 1992** National Library of Australia,1988 **Public Papers of the Presidents of the United States** United States. President,1997 Containing the public messages speeches and statements of the President 1956 1992 **Public Papers of the Presidents of the United States: William J. They Also Write for Kids Suzanne Manizza Roszak, 2022-12-28 Outside the world of children's literature studies children's books by authors of well known texts for adults are often forgotten or marginalized Although many adults today read contemporary children's and young adult fiction for pleasure others continue to see such texts as unsuitable for older audiences and they are unlikely to cross read children's books that were themselves cross written by authors like Chinua Achebe Anita Desai Joy Harjo or Amy Tan Meanwhile these literary voices have produced politically vital works of children's literature whose complex themes persist across boundaries of expected audience These works form part of a larger body of activist writing for children that has long challenged preconceived notions about the seriousness of such books and ideas about who in fact should read them *They Also Write for Kids* Cross Writing Activism and Children's Literature seeks to draw these cross writing projects together and bring them to the attention of readers In doing so this book invites readers to place children's literature in conversation with works more typically understood as being for adult audiences read multiethnic US literature alongside texts by global writers consider children's poetry and nonfiction as well as fiction and read diachronically as well as cross culturally These ways of reading offer points of entry into a world of books that refuse to exclude young audiences in scrutinizing topics that range from US settler colonialism and linguistic prejudice to intersectional forms of gender inequality The authors included here also employ an intricate array of writing strategies that challenge lingering stereotypes of children's literature as artistically as well as intellectually simplistic They subversively repurpose tropes and conventions from canonical children's books embrace an epistemology of children's literature that emphasizes ambiguity and complexity invite readers to participate in redefining concepts such as civilization and cultural belonging engage in intricate acts of cross cultural representation and re envision their own earlier works in new forms tailored explicitly to younger audiences Too often disregarded by skeptical adults these texts offer rich rewards to readers of all ages and here they are brought to the fore

Young People and the Aesthetics of Health Promotion Kerry Montero, Peter Kelly, 2016-03-10 Health promotion with young people has largely been framed by theories of behaviour change to target unsafe unhealthy and or risky behaviours These theories and models seek to encourage the development in young people of reasoned rational and risk aware personal strategies This book presents an innovative and critical perspective on young people and health promotion It explores the limits and possibilities of traditional health behaviour change models with their focus on reason risk and rationality by examining the embodied dimensions of meaning making in health promotion programs Drawing on an array of critical social theories and approaches to knowledge production the authors identify and engage the aesthetic and affective dimensions of young people's engagement with issues such as road safety sexualities alcohol and drug use and physical and
