Story are reporting mysteries which are connected to this book A live red rose in the middle of the road said Connie Simmons
 A single red rose on the floor reported Judi Peli How is it possible for a nun St Therese living only to the young age of 24 to
 touch the lives of millions of people a century after her death Love is the answer She was extremely full of love not only with
 her family and other people but with nature St Therese loved flowers especially roses and she said After my death I will let
 fall a shower of roses That she is doing causing a sense of supernatural phenomenon a sense of awe For over a century St
 Therese has kept her promise and she is known to be a powerful intercessor to those who call upon her She also said I will
 spend my heaven in doing good on earth Miracles grace favors and so many good things are happening everyday by
 intercessions Mediation and they are happening worldwide St Therese is known as the greatest saint of modern times and
 she touches us all with her presence from heaven She is known with many religions Jewish Moslems Christian etc Although
 some people think she is associated with only Catholics this is not true She is well liked and people seek her healing and

 been fresh cut roses but also silk roses The floral industry florist gardeners nurseries associations societies and others
 involved with roses have said fresh cut long stem roses have not lived as long as Peringian s roses Take note that these roses
 were delivered by a florist to her house which were fresh cut roses not roses growing outside in her backyard Roses usually
 live no longer than one to two weeks perhaps a little longer People all over are saying I never have heard of roses lasting as lo
