Smokepot Days:

The Day I told My Mom I Smoke Pot S. Maloy, 2010-02-22 Sue and Lou never had any fears or doubts about raising their three children They were not like their parents They welcomed the teenage years They knew their kids might experiment with drugs and alcohol just like they had So they talked with their kids about their own experiences they had as teenagers As a family they were very close They took their kids camping to Glamis the desert the beach and the Colorado River They went to Big Bear every winter and they golfed almost every weekend as a family By the time their youngest was in high school their oldest was already 24 and their middle child was 19 Their youngest would always tell them not to worry that he would never be like his older brother and sister Young Adam had witnessed all the trying times his parents had with his two older siblings alcohol drugs house parties and pre marital sex Adam s friends always came over to the house and Sue and Lou knew them all They were all good kids But when Adam told his mom he had smoked marijuana it was not like when the older siblings had experimented with it Sue and Lou would quickly discover he was using it to escape from the hurt and pain he felt after his first love broke up with him But what Sue and Lou didn t know was that their worst nightmare was growing in their youngest son Without having a true understanding of addiction this family will go through a hell they could have never imagined In order to keep from having a breakdown Sue started writing about how this all started It all began with a story Adam wrote in his Freshman English class titled The Day I told my Mom I Smoke Pot

The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
