greatest loves noblest achievements and even deepest hurts But the reward is worth the risk as you enter into God's story and accept His invitation to experience His unfathomable love      Preacher, Can You Hear Us Listening? Roger E. Van Harn, 2005-02-03 Everyone knows that pulpits are for preaching and pews are for listening to sermons This obvious scenario however masks an essential prerequisite for faithful fruitful preaching namely that preachers listen to God and to their people before they speak Roger Van Harn here puts forth pointed questions that sermon listeners really ask of preachers Why should we listen to sermons Does every sermon need a Bible text How can a sermon be the word of God Do you preach for the church or the world Van Harn grapples with and discusses such questions giving preachers fresh insights into the needs and desires of congregations Preacher Can You Hear Us Listening will foster an ongoing dialogue between pulpit and pew and sharpen listening skills in both directions      Catching Light Roy M. Anker, 2004-10-04 Anker examines 19 popular films showing how they convey a range of striking perspectives on the human encounter with God Organized by genre these selected films present different surprising ways in which God shows up amid the messy circumstances of life      The Book of Buechner W. Dale Brown, 2006-01-01 The most thorough and extensive investigation ever written on the much beloved writer The Book of Buechner explores the ways in which Frederick Buechner's writing particularly his fiction presents the possibilities of grace in the midst of the ambiguities of human existence and introduces themes of Christian faith Both long time readers and neophytes seeking a guide through his writings will delight in the illuminating analysis Dale Brown has to offer Intelligent and gratifying The Book of Buechner is a much overdue literary journey through one of the most significant American writers of the last fifty years      Words of Life Donald G. Hanway D.Min., 2009-06 Father Don Hanway defines preaching as an attempt to link the words of Holy Scripture with the lives of the hearers in such a way that both the words and the lives are illuminated He demonstrates the definition in this collection of 40 sermons from the last fifteen of his 22 years ministering next to a state university in the nation's heartland This volume was produced in response to entreaty from a few of the many who benefited from and contributed to the preacher's continuing education He selected the sermons on the basis of originality variety of season and occasion centrality of the message of Good News for all people and in many cases reference to movies for illustrative purposes Preaching is a privilege as well as a demanding profession Churchgoers seek an authentic word of hope and challenge that will help them make sense of their lives in a complex and fast moving world Respecting the time and intelligence of his listeners and following the three year lectionary of the Church Dr Hanway's sermons are lucid and concise ranging over many topics and infused with his personal witness to timeless truth and the reality of God's presence in our lives      **The Four Pages of the Sermon** Paul Scott Wilson, 2010-09-01 Doing justice to the complexity of the preaching task and the questions that underlie it Wilson organizes both the preparation and the content of the sermon around its four pages Each page addresses a different theological and creative component of what happens in any sermon Page One presents the trouble or conflict that takes place in or that underscores the biblical text itself Page Two

looks at similar conflict sin or brokenness in our own time Page Three returns to the Bible to identify where God is at work in or behind the text in other words to discover the good news Page Four points to God at work in our world particularly in relation to the situations described in Page Two

**Stand-Up Preaching** Jacob D. Myers, 2022-10-06 Few vocations share more in common with preaching than stand up comedy Each profession demands attention to the speaker's bodily and facial gestures tone and inflection timing and thoughtful engagement with contemporary contexts Furthermore both preaching and stand up arise out of creative tension with homiletic or comedic traditions respectively Every time the preacher steps into the pulpit or the comedian steps onto the stage they must measure their words and gestures against their audience's expectations and assumptions They participate in a kind of dance that is at once choreographed and open to improvisation It is these and similar commonalities between preaching and stand up comedy that this book engages Stand Up Preaching does not aim to help preachers tell better jokes The focus of this book is far more expansive Given the recent popularity of comedy specials preachers have greater access to a broad array of emerging comics who showcase fresh comedic styles and variations on

comedic traditions Coupled with the perennial Def Comedy Jams on HBO preachers also have ready access to the work of classic comics who have exhibited great storytelling and stage presence This book will offer readers tools to discern what is homiletically significant in historical and contemporary stand up routines equipping them with fresh ways to riff off of their respective preaching traditions and nuanced ways to engage issues of contemporary sociopolitical importance **Engaging Life's Deepest Questions: Apologetics in a Complex World** Dr. Octavian Caius Obeada, 2025-06-26 In a culture filled with doubt complexity and pressing questions Engaging Life's Deepest Questions offers a thoughtful and accessible guide to Christian apologetics Structured as a 14 chapter manual corresponding to a full lecture series this book equips readers students pastors educators and seekers alike to address today's most challenging issues with clarity compassion and confidence From topics like truth suffering and morality to digital technology gender justice and religious pluralism each chapter explores how faith can be both intellectually credible and spiritually transformative More than a book of answers this is a resource for dialogue formation and gospel shaped living in a world that needs both truth and grace Apologetics is not to be seen as a defensive and hostile reaction against the world but as a welcome opportunity to exhibit celebrate and display the treasure of the Christian faith Alister E McGrath Mere Apologetics Apologetics is most powerful when it listens before it speaks Dr Octavian C Obeada Engaging Life's Deepest Questions Our moral obligations are not burdensome impositions but expressions of a reality in which we are invited to participate John M Frame The Doctrine of the Christian Life The first task of love is to listen Henri J M Nouwen Out of Solitude A robust apologetic does not fear the tough questions but welcomes them as opportunities for growth William Lane Craig A Reasonable Response Hide and Seek Benson P. Fraser, 2020-07-21 As bearers of the divine image all of us are storytellers and artists However few people today believe in truth that is not empirically knowable or verifiable the sort of truth often trafficked through direct forms of communication Drawing on the works of Soren Kierkegaard Benson P Fraser challenges this penchant for direct forms of knowledge by introducing the indirect approach which he argues conveys more than mere knowledge but the capability to live out what one takes to be true Dr Fraser suggests that stories aimed at the heart are powerful instruments for personal and social change because they are not focused directly on the individual listener rather they give the individual room or distance to reconsider old meanings or ways of understanding Indirect communication fosters human transformation by awaking an individual to attend to images or words that carry deep symbolic force and that modify or replace one's present ways of knowing and ultimately make one capable of embodying what he or she believes Through an examination of the indirect approach in Kierkegaard Jesus C S Lewis and Flannery O Connor Fraser makes a strong case for the recovery of indirect strategies for communicating truth in our time *Binding the Strong Man* Myers, Ched, 2019-02-20 This is the first commentary on the Gospel of Mark to systematically apply a multidisciplinary approach called socio literary method Myers integrates literary criticism socio historical exegesis and political hermeneutics in his investigation of Mark the oldest story of Jesus as manifesto of radical

discipleship      *Reading Between the Lines* Gene Edward Veith Jr.,2013-01-31 Here is a guidebook for those who want to learn how to recognize books that are spiritually and aesthetically good to cultivate good literary taste Gene Edward Veith presents basic information to help book lovers understand what they read from the classics to the bestsellers He explains how the major genres of literature communicate He explores ways comedy tragedy realism and fantasy can portray the Christian worldview These discussions lead to a host of related topics the value of fairy tales for children the tragic and the comic sense of life the interplay between Greek and Biblical concepts in the imagination and the new post modernism a subject of vital importance to Christians In the pages of this book readers will meet writers past and present who carry on a great literary tradition By supporting worthy authors Christians can exert a powerful influence on their culture      Invisible Kingdom Richard S. Briggs,2024-10-07 In the mid 1980s the Waterboys took a sudden turn away from their climb up the ladder of UK rock stardom and headed out to Ireland and eventually the rural West of Ireland to record the remarkable Fisherman s Blues album They drew together traditional Irish music folk gospel and blues stylings and a joyful sense of storied wonder This tale of the rediscovery of an enchanted musical and lyrical kingdom serves as the framework for Richard Briggs to explore gospel re enchantment in dialogue with the worlds of myth and fairy Drawing on C S Lewis J R R Tolkien and others just as did the Waterboys themselves Invisible Kingdom finds theological wisdom to the soundtrack of the rock band and the fiddle in celebrating a life giving Irish odyssey      Parish, the Thought David B. Bowman,2018-01-24 The calling to parish ministry involves a journey leading through lowland thickets and high plateau vistas It s a vocation not for weak spirits The parish presents general challenges rather than specialist endeavors So wearing one hat after another the pastor may speak from the pulpit join a team processing a current social concern visit the intensive care hospital unit and offer counsel at birth marriage or death maybe all in one day Clergy and non ordained alike will find that Parish the Thought provides a closeup insight into this ministry telling the truth about the defeats and victories experienced over the course of forty years in the parish This memoir spends little time in navel gazing Rather the author explores the humor conflicts ventures and achievements that rise in his memory The reader will detect a commitment to priestly and prophetic ministry one that seeks to comfort the distressed and to nudge the comfortable out of apathy encompassing the personal and public dimensions of the faith All this as an adventure following the Pioneer Jesus the Christ      **The Life You've Always Wanted** John Ortberg,2002 You Can Live a Deeper More Spiritual Life Right Where You Are An expanded edition with a new chapter on prayer and discussion questions The heart of Christianity is transformation a relationship with God that impacts not just our spiritual lives but every aspect of living John Ortberg calls readers back to the dynamic heartbeat of Christianity God s power to bring change and growth and reveals both the how and why of transformation With a new chapter on prayer and added discussion questions this expanded edition of The Life You ve Always Wanted offers modern perspectives on the ancient path of the spiritual disciplines But this is more than just a book about things to do to be a good Christian It s a road

map toward true transformation that starts not with the individual but with the object of the journey Jesus Christ As with a marathon runner the secret to winning the race lies not in trying harder but in training consistently training with the spiritual disciplines The disciplines are neither taskmasters nor an end in themselves Rather they are exercises that build strength and endurance for the road of growth The fruit of the Spirit joy peace kindness etc are the signposts along the way Paved with humor and sparkling anecdotes The Life You ve Always Wanted is an encouraging and challenging approach to a Christian life that s worth living a life on the edge that fills an ordinary world with new meaning hope change and joy Into the Dark Craig Detweiler,2008-08 A Hollywood screenwriter producer and film professor explores forty five of the twenty first century s most popular films as vehicles of common grace **Done and Left Undone** Scott Anson Benhase,2018-01-01 An original and thoughtful approach to a grace filled theology of leadership In a post Christian culture parish clergy can find themselves at a loss ill equipped to deal with a reality for which seminary did not prepare them As a result the Church and its clergy can seem to flounder from one program to the next or get enamored with secular self help strategies To learn to lead well in this new context the Church needs to help clergy refocus on what both works and is true to their tradition and theology Enter Scott Benhase whose Done and Left Undone proposes an ascetical theology of leadership based in St Benedict s Promise of Stability Obedience and Conversion of Life The Promise helps clergy move forward from their inward identity to their outward askesis discipline their inner life experience of resting in the mercy of God s grace in harmony with their outward role in the church Benhase believes parish clergy can lead faithfully and well without following a program or leadership style that does not fit them Leading from ascetical grace does not require parish clergy to be something they are not It invites them rather to a way of being and an askesis that will help them be both faithful and effective in parish leadership
