Island of Isis William MacQuitty, 1976 **Temple Purity in 1-2 Corinthians** Yulin Liu, 2013 Paul's view of the church as the temple and his concern about its purity in 1-2 Corinthians has traditionally been interpreted from the perspective of a Jewish background However Yulin Liu reveals that the pagans were very aware of temple purity when visiting some temples in the Greco-Roman world and the purification concerns of three pagan temples in Corinth are documented in his work The author affirms that the Gentile believers among the Corinthian community were able to grasp Paul's message because of it Also Liu investigates Paul's use of temple purity to address the necessity of unity holiness and faithfulness of the Corinthian Christians in an eschatological sense The separation of God's people from profane matters actually points to a new exodus and a progressive consummation of the construction of the eschatological temple community *The Twentieth Century*, 1892 **Pompeii, the City, Its Life & Art** Pierre Gusman, 1900 *Library of Congress Subject Headings* Library of Congress, Library of Congress.
