Grandmas Stories Rick Steber, Grandma grew up on a farm and at a relatively young age she fell in love and married Grandpa They moved west found the opportunities to their liking and together they raised a wonderful family Grandma was the glue that held the family together She performed the necessary domestic tasks of making a home caring for the children cleaning cooking baking washing sewing and darning She also tended the chickens milked the cows and churned the cream to butter And when necessity arose like the time a horse rolled on Grandpa and he was laid up for nearly a year Grandma demonstrated she could take on a man's work as well The Grandma I remember was old Her domain was the kitchen a room dominated by the cheery warmth of a wood stove and the sweet aroma of baking pies While Grandma worked frequently pausing to wipe her calloused hands on her freshly ironed white apron she talked telling stories of pioneering days tales handed down from the Indians and interesting things that had happened to family members friends and neighbors Every once in awhile she lowered her voice and shared some small secret My children will know their great grandmother because of the stories I will share with them and from the words Grandma carefully wrote in her journal Every evening no matter how trying her day had been she would take a few moments to reflect and describe things from the day that were important to her a laughing child chasing a butterfly across the pasture the lovely fragrance of wildflowers in bloom a field of wheat dancing in an afternoon breeze When Grandma finished the entries she would lay down her pen close her journal blow out the candle flame and say to herself And so ends another glorious day

The Most Famous Women of the Wild West Charles River Editors, 2025-05-01 The most famous woman of the Wild West was also possibly the most colorful and mysterious Considered a remarkable good shot and a fearless rider for a girl of my age Calamity Jane claimed to be a veteran of the Indian Wars a scout and the wife of Wild Bill Hickok all on the way to becoming a dime novel heroine While all of those legends have stuck it's unclear to what extent if any they are actually true and even her contemporaries doubted the authenticity of her statements More than anything people in frontier towns like Deadwood looked on with amusement at the girl who was more often than not drunk and was described by one of Wild Bill's friends as simply a notorious character dissolute and devilish Her frequent drinking binges and her insistence that messing with her would court calamity had helped establish her nickname even before she arrived in Deadwood in the mid 1870s Ultimately Calamity Jane's tall tales eccentric personality and association with Wild Bill would all make her a popular figure in the last quarter of the 19th century and she became so well known that she started taking part in traveling shows of the kind made famous by Buffalo Bill Cody where spectators could hear her colorfully and drunkenly talk about her life in the Wild West with each telling stretching the truth ever further Her legacy continued to crystallize after her death and eventually turn her into a legend immortalized in countless dime novels books TV and the silver screen helping make some of her contemporaries and surroundings notorious as well America has always preferred heroes who weren't clean cut an informal ode to the rugged individualism and pioneering spirit that defined the nation in previous centuries The early 19th century saw the glorification of frontier folk heroes like Davy Crockett and Daniel Boone and after the Civil War the outlaws of the West were more popular than the marshals Outlaws like Jesse James and Billy the Kid robbed and fought their way into dime novels but

one of the most notorious and unique outlaws of them all was Myra Maybelle Shirley a Southern girl who knew her way around horses and guns Through her associations with other outlaws like the Starr clan and the James and Younger gang Shirley entered law enforcement s radar herself Shirley would get her famous nickname Belle Starr as a result of marrying outlaw Sam Starr and it was that name that found itself plastered all across Wanted posters in the West Though she was a crack shot and a renowned rider Belle Starr was usually engaged in lesser crimes like stealing horses rustling fencing stolen goods and hiding other outlaws She also became infamous for rumors about the various outlaws she romanced which allegedly included Cole Younger There was little about the childhood of Phoebe Ann Mosey that indicated that she would grow up to become Annie Oakley one of the best sharpshooters the world has ever seen and an icon of the West Her parents Jacob and Susan were Quakers who migrated from Pennsylvania to Darke County Ohio after a fire destroyed their inn and their livelihood Their daughter who would become a national celebrity in her own life for The Little Sure Shot of the West learned her gun skills out of necessity using them to hunt for food around the Cincinnati area thousands of miles away from the dusty towns saloons and shootouts that have become symbols the Wild West However Annie would make her own mark by hitting so many marks back east and by 18 she had made a name for herself by besting other sharpshooters including Frank Butler who performed a traveling act and became smitten by the young teen who beat him Annie and Frank would marry when she was 16 and they continued to perform together until becoming part of Buffalo Bill s famous show where Annie became acquainted with other legends like Sitting Bull

Tall Tales Rick Steber, A tall tale begins innocently with convincing facts and a few trivial details thrown in But in the course of the story the limits of believability are stretched to the breaking point In the end we are left wondering how we could have been so naive so darn gullible America s tall tales have been handed down through generations and are firmly rooted in character situation and landscape In the past a skillfully told yarn was a diversion from the drudgery and monotony of everyday life and tellers of tall tales were held in high regard because their stories made people laugh A tall tale is best enjoyed when told aloud Dialect intonation and gestures add to the story A pause here A shake of the head there A practiced laugh A wink a sly smile or a deadpan look provide seasoning and can communicate as much as a well placed word In our modern fast paced world dominated by instant communication changing technology and constant entertainment the tall tale is no longer considered an essential part of everyday life As a result the telling of tall tales has become a dying art form
