Seven Volumes of Penny Pulpit Essays 2005 - 2012 Pastor Edward Rice, **The Cross of Christ in African American Christian Religious Experience** Demetrius K. Williams, 2023-10-03 In *The Cross of Christ in African American Christian Religious Experience* Piety Politics and Protest Demetrius K Williams examines and explores the ideational importance and rhetorical function of cross language and terminology in Black religious experience through an ideological lens Williams argues that for the first time in Christian history the European nation of Portugal under the guidance of Prince Henry used the theology of the cross to justify and sustain an exclusive trade of Sub Saharan African peoples Claiming that Jesus died on the cross only to save lost souls provided a convincing rationale for Henry's exploratory voyages of discovery to West Africa to exclusively enslave Black bodies With the confirmation of Catholic Popes and the competition of other European nations this same rationale would inspire empire building colonization and slave trading justified on their newly constructed ideological narrative of compassionate evangelism to save lost souls Over time with massive conversions to the faith of their enslavers Black people's Christian religious experiences would articulate a response to the world that held them in thrall That response would be articulated most consistently and effectively through their understanding of the cross of Christ Williams affirms Howard Thurman's claim that by some amazing but vastly creative spiritual insight the slave undertook the redemption of a religion that the master had profaned in his midst **Justice** Dan Mahoney, 2013-09-17 *Justice* showcases fascinating investigative detail wild action and Dan Mahoney's trademark humor in a terrific police thriller New York City A wealthy businessman meets a violent fate in his elegant carefully secured home in Queens Two drug dealers are murdered in a Brooklyn no tell motel room Several men are found riddled with bullets and nails on a little traveled road beneath FDR Drive And soon thereafter a church a synagogue and a mosque find bags of cash waiting at their doorsteps all from a vigilante who signs himself Justice NYPD Detective First Grade Brian McKenna and his partner Cisco Sanchez the self described world's greatest detective are assigned to find the elusive killer that all of New York City is rooting for a man of supreme technical skills physical power and intelligence who always seems to know every move the police will make before they make it Justice is executing drug dealers helping the police close unsolved cases providing those in need with stolen drug money and creating a nightmare for the police commissioner the mayor and the two detectives As McKenna and Sanchez work to try and outsmart the vigilante and discover his next victim they also must find out who is helping Justice in his quest for revenge **To Light a Penny Candle** Alex Lawson, 2011 *To Light a Penny Candle* offers Christmas and Easter devotionals full of colour poetry and joyful symbolism to touch our souls in many ways These holidays in particular are a delight for every preacher with their endless variety of themes and rich messages The sermons in this collection were written at the height of author Alex Lawson's ministry preaching was for him an activity of great joy Alex loves the challenge of telling the old old stories in new and exciting ways His personal art of preaching shows the influence of two main factors his
