Preschool Math at Home: Simple Activities to Build the Best Possible Foundation for Your Child Kate Snow,2016-04-15

Giving your preschooler a great start in math doesn't have to be complicated. Learn how to use fun but purposeful games and activities to give your young child the best possible foundation. *Preschool Math at Home* will guide you step by step as you introduce your preschooler to the world of numbers. Your child will develop a thorough understanding of the numbers up to ten including counting, comparing, and ordering numbers, recognizing written numerals, beginning addition and subtraction. All of the activities are quick and playful with lots of movement, manipulatives, and games. Each takes less than five minutes with no special materials needed other than a few household items. Play each game several times for a full year of preschool math curriculum.

The Danger of Playing Hide and Seek Terri Leigh Cox,2012-02 As children grow up learning how to play the game called hide and seek, we as adults tend to replicate this childhood game into our daily walk with God. We hide behind things that we think are protecting us, keeping us from further rejection and pain. The fear that we have dealt with for years seems to keep crippling us. What we don't understand is that the longer we continue to play this game of hide and seek, we are hindering ourselves from the destiny that God has ordained for our lives since the moment we took our first breath.

Five Little Monkeys Play Hide and Seek Eileen Christelow,2010-05-24 Mama's out dancing and Lulu the babysitter is in charge. The Five Little Monkeys are supposed to go to bed, but they convince Lulu there's time for just one game of hide and seek first, and then another and another until they discover the ultimate hiding place. Lulu is frantic: where can those monkeys be? Vibrant, expressive illustrations in Eileen Christelow's signature style accompany a catchy rhymed text that's great for reading aloud. The refrain invites children to join in as Lulu counts to 10, 24, and finally 104; young listeners will count along with her. And what little monkey can resist the idea of mischief at bedtime.

Hide & Seek Suman Sharma,2019-02-25 All of us involuntarily play hide and seek in our emotional lives. We tend to hide love, jealousy, anger, or sadness for some valid reasons and seek inside and outside something beyond our reach and lost in this vast world. *Hide and Seek* is a collection of poems that reflect on relationships, mundane affairs, dreams, aspirations, and sweet and sour chance meetings in life. A few poems are a fusion of engineering and literature. As always, two prominent emotions of love and hatred are often portrayed. Can love be programmed? Can envy be flow charted? Can anger be modelled? Can a lie hide the truth? Ready or not, here I come with my poems. Play a humble game and enter the realm of poetry to put reins to your wandering mind. Ride the roller coaster of life and have chance encounters of different kind. Bridge the gap between dream and reality. No bar on daydreaming. No complicated, tough words and rules. Hear no evil. Beware of myths, dark web, and the delusion of charlatans. You will also like to splash in puddles of humour sometimes but not always. Finally, your conscience will be free from robotic control. So enjoy my maiden and modest effort.

Connie's Dreams Beverly Manconi,2004-07 A heart beats very loud in Connie s room but it isn t her own As the clock strikes twelve the heartbeat gets louder and faster The walls appear to be respirating to the beat Something in Connie s room is coming to life Then Connie stirred in her sleep She is awakened by the heartbeat Who s there who is it Asked Connie as she awakes from her last dream Connie jumped up and ran to the closet She tried to open the door but it had been locked for years She listened at the door She could hear a small voice whispering let me out I can t breath let me out The voice was of a young child It sounded very much like her own voice Connie was determined to find out who was inside of her closet The very closet her father begged her not to tamper with Who are you Who s there Connie felt ridiculous talking to a blank door But she had some relief when she heard a response I am Einnoc I am Einnoc let me out Here I have Connie s story of dreams She is a dreamer whose dreams come true

The Pain Within John Schnitzer,2023-10-16 I wrote my story when I was roughly thirty six years of age At that time I went through depression with suicidal thoughts as I was mostly homeless since I was living out of my car working when I could and once out the week I stayed at a motel as long as my money lasted That s where I wrote my story Written in different time frames and after a month I pieced through it putting it in chronological order Thus the result of *The Pain Within* I took great pleasure writing it as I hope you take a greater pleasure reading it
