Tenderness In The Wilderness Encouragement For Intimacy With God:

Tenderness in the Wilderness Pastor Wayne R. Carvell, 2001-03-01 Tenderness In The Wilderness is intended to promote the believer's relation with our loving heavenly Father through basic scriptural truths about God and His desire to become close to us The encouragement for the Christian today must be to reconnect with God through the basics of Bible reading prayer and fellowship Dwelling in His Presence / 30 Days of Intimacy with God Cynthia Heald, 2014-02-27 In this inspiring 30 day devotional from Navigator author Cynthia Heald women of all ages will be encouraged to draw closer to God by embracing His relentless passionate pursuit of those He loves Strong Bible teaching compelling insights and personal stories will encourage you to think deeply about your identity in Christ As you take time daily to rest in God find peace and revive your spirit you will grow your relationships with others and with God **From My Heart to His Heart** Vera L. Smith, 2023-10-09 From unexpected struggles and precious moments spent in God's presence God is building life stories of strength endurance and an overcoming spirit because nothing in life is wasted Looking through a biblical lens God seeks out ordinary clay vessels to tell his story to bring to light what his own eyes behold The book From My Heart to His Heart reveals real life experiences encountered during a personal wilderness season that challenge the reader to look within The book opens the eye to recognizing that those who walk closely with God are not exempt from a wilderness season for it comes to us all Entwined with biblical Scriptures and history and divinely inspired poetry that tells of intimacy with God the reader is drawn to reflect on God's presence when prayers seem to go unanswered From compelling real life stories that engage the heart the mind and the soul truth is revealed Walk with the author to experience joy from a place of sorrow and to trust God from a place of isolation and silence and then rejoice in understanding that God takes all of what we've gone through to build purpose and to position us to bless his kingdom *Hope for the Hurting: How to Find God's Peace in Times of Struggle* Margaret Light, 2025-02-12 Hope for the Hurting How to Find God's Peace in Times of Struggle is a faith filled guide designed to help believers navigate life's trials with unshakable hope Through biblical wisdom real life examples and practical encouragement this book reveals how to find peace in the midst of suffering It explores God's presence in pain the power of prayer and worship and the role of community in healing Readers will be reminded that even in the darkest moments God is working for their good With faith perseverance and trust in His promises they can experience true peace and restoration Satisfy My Thirsty Soul Linda Dillow, 2021-03-02 Grow in Greater Intimacy with God As a woman who wants to follow Jesus in her everyday life you yearn for intimacy with God You long to know His presence to be satisfied in heart and soul but you don't know how You feel like you're trudging through your days making sure you're doing everything you can for Him but you can't shake the feeling that something is missing Linda Dillow understands She longed for depth of intimacy with God but in the middle of a busy and complicated life realized that she'd settled for serving Him And when our actions for God are our primary focus we miss the extraordinary honor of getting to be with Him So how can we be with Him

Through a life of worship True worship is both a specific act and a lifestyle As you learn what it means to bow your knee the act of worship you ll gain a renewed intimacy with God And as you learn to bow your thoughts words work attitudes will and even pain the lifestyle of worship you ll be drawn into God s holy and life giving presence the place where He will truly satisfy your thirsty soul A Flame Beyond the Darkness of Pain Emily Owusu-Sekyere,2012-12-28 In her book A Flame beyond the Darkness of Pain A Widows Wilderness Worship Sound Emily bares the innermost part of her soul as she openly and honestly shares her story with her readers Her testimonies in the book run parallel with Biblical examples It is a book of encouragement teaching and hope but also a warning of the pitfalls that preconceived ideas can make one fall into Emily places her husband in his rightful place as the head and spiritual leader of the home and the love she has for him runs through her narrative She effectively does away with stigmas cultures and traditions which tend to define who we are and points to Christ as the One who defines who we really are Emily allows widows to understand that they are not inferior but that God has elevated the widow He becomes their husband and they no longer keep their eyes fixed on their loss but on their Creator This is a must read for everyone especially for widows who so often struggle to come to terms with the loss of their husbands It is also a very helpful resource to married couples as they discover the true meaning of marriage and the importance of placing God at the centre of their lives Dr Jeff van Wyk President and Chancellor Team Impact Christian University 24th September 2012 *Your Wilderness Is Not a Waste* Dustin Crowe,2025-10-07 The wilderness is often the place where God grows our faith and proves His faithfulness But to grow we must be intentional about listening and leaning into His provision Looking to wilderness stories of the Bible including Hagar Moses David Eijah and Jesus pastor Dustin Crowe shows who God is and how He s at work Readers will find encouragement in His good purposes as they experience God s sustaining and shaping grace in their lives The wilderness has a dual nature with both threats to our faith and opportunities to grow in faith As we depend on God we discover how to worship in our wilderness rather than waste it Whether you re in a season of significant transition spiritual apathy heartbreak waiting or a time of trial and testing God invites you to come close to experience His provision and power *Your Wilderness Is Not a Waste* shows us how **Forever and Always** Celestia G. Tracy,Steven R. Tracy,2011-04-07 This book reflects a multi disciplinary integrative approach to the theology and practice of relational intimacy It combines biblical data on sexuality and relationships with marriage and bonding research The reader is then guided in applying the research to his or her relationships In essence this is a handbook for understanding and deepening the stages involved in bonding or attaching closely to another human being Marriage the most intimate of all human relationships is described in Scripture as a one flesh mystery Eph 5 31 32 This mystery of human bonding is as beautiful as it is complex particularly in a post Eden world Many of us are woefully aware of our relational deficits yet lack vibrant marriages around us to emulate Those of us who have not experienced relationships of health safety and security particularly find we need roadmaps along the way Our desire is that in the pages of this book readers will find

personal encouragement and direction that is both biblically precise and practical for their relational journeys Our intimacy model is built upon God's bold promises to heal and redeem His pathways bring life he is the one true lover of our souls Our intimacy with him is foundational to all other relationships *Don't Die in the Winter* Millicent Hunter, 2011-07-28 Don't Die In the Winter will help you discern spiritual weather conditions and help you properly prepare for them Every season of life brings new changes and new challenges God uses the bitter lonely cold winter season of our life to develop Christlike character in us Adversity is merely a harbinger of the springtime of blessings to come *In the Wilderness* Kim Barnes, 2010-12-08 Poet Kim Barnes grew up in northern Idaho in the isolated camps where her father worked as a logger and her mother made a modest but comfortable home for her husband and two children Their lives were short on material wealth but long on the riches of family and friendship and the great sheltering power of the wilderness But in the mid 1960's as automation and a declining economy drove more and more loggers out of the wilderness and into despair Kim's father dug in and determined to stay It was then the family turned fervently toward Pentecostalism It was then things changed In the Wilderness is the poet's own account of a journey toward adulthood against an interior landscape every bit as awesome as beautiful and as fraught with hidden peril as the great forest itself It is a story of how both faith and geography can shape the heart and soul and of the uncharted territory we all must enter to face our demons Above all it is the clear-eyed and moving account of a young woman's coming of terms with her family her homeland her spirituality and herself In presenting Kim Barnes the 1995 PEN/Jerard Fund Award for a work in progress by an emerging female writer the panel of judges wrote that In the Wilderness is far more than a personal memoir adding that it stands almost as a cautionary example of the power of good prose to distinguish whatever it touches Indeed In the Wilderness is an extraordinary work courageous candid and exquisitely written
