Tennyson And Personification The Rhetoric Of Tithonus:

Tennyson and Personification Daniel A. Harris,1986 **Tennyson and Personification** Daniel A. Harris,1986

Tennyson and the Text Gerhard Joseph,1992-04-09 This 1992 study of Tennyson evolves its themes from the weaving figure of The Lady of Shalott which becomes a kind of parable for the author and his texts Taking its derivation from the Latin texere to weave Professor Joseph s focus on poetic texture and a sense of textuality leads to a consciousness of his own critical and interpretative weaving while revealing a pattern in the fabric of Tennyson s work This procedure brings together a theory of perception developed in the first part of this study with an analysis of the gendering of Tennyson s characters in the second part and engages with the methodologies of deconstruction psychoanalysis and gender theory The weaving metaphor also opens up a key theoretical issue regarding Tennyson s poetics is the textual shuttle managed by the controlling hand of a historically definable author or is the poetic weaver cursed like the Lady of Shalott to suffer a mystifying doom at the unseen hand of an all pervasive textuality that occludes authorial intention **Tennyson's Rapture** Cornelia D. J. Pearsall,2008-01-29 In the wake of the death of his friend Arthur Henry Hallam the subject of In Memoriam Alfred Tennyson wrote a range of intricately connected poems many of which feature pivotal scenes of rapture or being carried away This book explores Tennyson s representation of rapture as a radical mechanism of transformation theological social political or personal and as a figure for critical processes in his own poetics The poet s fascination with transformation is figured formally in the genre he is credited with inventing the dramatic monologue Tennyson s Rapture investigates the poet s previously unrecognized intimacy with the theological movements in early Victorian Britain that are the acknowledged roots of contemporary Pentacostalism with its belief in the oncoming Rapture and its formative relation to his poetic innovation Tennyson s work recurs persistently as well to classical instances of rapture of mortals being borne away by immortals Pearsall develops original readings of Tennyson s major classical poems through concentrated attention to his profound intellectual investments in advances in philological scholarship and archeological exploration including pressing Victorian debates over whether Homer s raptured Troy was a verifiable site or the province of the poet s imagination Tennyson s attraction to processes of personal and social change is bound to his significant but generally overlooked Whig ideological commitments which are illuminated by Hallam s political and philosophical writings and a half century of interaction with William Gladstone Pearsall shows the comprehensive engagement of seemingly apolitical monologues with the rise of democracy over the course of Tennyson s long career Offering a new approach to reading all Victorian dramatic monologues this book argues against a critical tradition that sees speakers as unintentionally self revealing and ignorant of the implications of their speech Tennyson s Rapture probes the complex aims of these discursive performances and shows how the ambitions of speakers for vital transformations in themselves and their circumstances are not only articulated in but attained through the medium of their monologues **Selected Poems** Alfred Lord Tennyson,2004-01-29 Tennyson wrote T

S Eliot has the finest ear of any English poet since Milton and his verse remains unrivalled in its combination of verbal richness emotional depth and intellectual engagement Tennyson drew on classical and medieval legends in poems like The Lotos Eaters 1832 and The Lady of Shalott 1832 to explore the spiritual tensions of the nineteenth century In one of the great works of his maturity In Memoriam 1850 written after the loss of his dearest friend Tennyson vividly negotiated contemporary scepticism and the modern sciences of geology and evolution Similar ground is covered in a dramatically darker mood in Maud 1855 a poignant account of psychological disintegration

The Politics of Language in Romantic Literature Richard Marggraf Turley, 2002-12-11 This innovative study examines a range of canonical and non canonical materials to open a new narrative on the mutually illuminating interchange between Romantic literature and
