Tennyson Poet Philosopher Idealist:

Tennyson: Poet, Philosopher, Idealist John Cuming Walters, 1971 A comprehensive study of Tennyson's life with each chapter a separate complete study of some facet of his work The author takes special care to deal thoroughly with the religion philosophy politics of the poet also to quote at length criticisms by contemporaries of the poet **Tennyson Poet, Philosopher, Idealist** J. Cuming Walters, 2015-07-11 Excerpt from Tennyson Poet Philosopher Idealist Studies of the Life Work and Teaching of the Poet Laureate Lest misunderstanding should arise it is perhaps as well that I should explain at the outset that I have not attempted to supply a biography of the late Lord Tennyson I have given prominence to his literary career and preference to those facts which illustrated the literary side of his character Believing as I do in the far reaching and permanent effects of early environment I have recounted with some detail the events of Tennyson's youth but in succeeding chapters I have only casually caught up the main threads of his personal history Each chapter is a separate and complete study of some phase of Tennyson's work and I have particularly endeavoured to deal adequately with his religion philosophy and politics Some doubtful points I hope to have set at rest by undertaking original investigations and by careful reference to standard authorities The criticisms of Tennyson's contemporaries especially those of his youth are quoted at some length because of their interest and value I have not however deemed it necessary in a work of this kind to repeat for the thousandth time the small talk of which great men are so often the victims and I must ask pardon in advance of those readers who do not find in these pages a full and true account of Tennyson's sayings and doings in private life About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Tennyson** John Cuming Walters, 2012-01 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy **Tennyson, Poet, Philosopher, Idealist** J.
