Infantry Journal ,1920 Good News Edward Abbey,1991-01-30 In Good News Edward Abbey s acclaimed underground classic the West is wild again American civilization as the twentieth century knew it has crumbled In the great Southwest a new breed of settler whites and Indians together is creating a new way of life in the wilderness a pastoral economy with skills and savvy resurrected from the pre industrial past Meanwhile in a last surviving bastion of urban life the remnants of the power elite are girding their armed forces to re impose the old order This is a land of horses and motorcycles high tech weaponry and primitive courage and the struggle for the American future is mounting in intensity No quarter is asked or given and the outcome hangs in perilous balance against a background of magnificent nature and eternal human verities With this boldly satirical imaginary world Abbey asks us to look around and take stock of what we value before it is too late *Dagger* M. A. Ramey,2024-05-28 Summer 1914 A London based private detective Sergeant Dagger is employed by Celia Harrison a suffragette to discover why her husband an army Captain has committed suicide Unconvinced by the official verdict of melancholia Celia wants the truth as do MI5 who also recruit Dagger
