The Guilds of Ottoman Jerusalem Amnon Cohen, 2001 This is a book about the economic and social realities of a world that existed in the Middle East up to our days seen through the Kaleidoscope of one important town Jerusalem The reconstruction of all the guilds that functioned during the Ottoman period draws on the untapped archives of the local court of Muslim Jerusalem XVIth XVIIIth centuries but it includes a plethora of information on the Christians and Jews of that town who actively participated in its economic life About 50 different guilds are described Goldsmiths and blacksmiths tourist guides and undertakers tailors and carpenters soap makers and cotton weavers beauticians and bookbinders The modus operandi of each guild and of the system as a whole are analysed and presented for the first time as precursors of civil society The book holds also 19 original documents facsimiles plus translations illustrating the activity of several central guilds

The Guilds of Ottoman Jerusalem A. B. Cohen, 2001 **The Guilds of Ottoman Jerusalem** Amnon Cohen, 2000-12-20 This is a book about the economic and social realities of a world that existed in the Middle East up to our days seen through the Kaleidoscope of one important town Jerusalem The reconstruction of all the guilds that functioned during the Ottoman period draws on the untapped archives of the local court of Muslim Jerusalem XVIth XVIIIth centuries but it includes a plethora of information on the Christians and Jews of that town who actively participated in its economic life About 50 different guilds are described Goldsmiths and blacksmiths tourist guides and undertakers tailors and carpenters soap makers and cotton weavers beauticians and bookbinders The modus operandi of each guild and of the system as a whole are analysed and presented for the first time as precursors of civil society The book holds also 19 original documents facsimiles plus translations illustrating the activity of several central guilds

Guild Dynamics in Seventeenth-Century Istanbul Eunjeong Yi, 2004 Dealing with the guilds of seventeenth century Istanbul this volume provides new information and insights into guild organization issues of traditionalism and change and the complex nature of the relationship between the Ottoman state and its guilds

A History of the Jewish Community in Istanbul Minna Rozen, 2010-10-15 This volume presents the transformation of the Greek speaking Jewish community of Byzantine Constantinople into an Ottoman ethnically diversified immigrant community As the Ottomans influenced its cultural and social values the community strived to preserve its boundaries with the surrounding society

Society and Politics in an Ottoman Town Hülya Canbakal, 2006-12-01 This book deals with a provincial town attending to its day to day business against the backdrop of an exacting war fought far afield against the Habsburgs 1683-99 The dynamics of long term economic growth were temporarily disturbed by the wartime economy while realignment in center periphery relations affected the local power structure and practices of status management Meanwhile the local elite continued to dominate public life hence the lives of commoners This study opens a window onto this world through a close examination of the court records of the town

Seafaring and the Jews Nadav Kashtan, 2013-04-03 This collection studies Jewish involvement in seafaring from Biblical through Greco Roman Medieval and

Early Modern periods to the present This broad historical perspective allows a closer look at various attitudes of Jews to maritime activities especially as shipowners and traders in the Mediterranean regions

Crime and Punishment in Istanbul Fariba Zarinebaf, 2011-01-10 This vividly detailed revisionist history exposes the underworld of the largest metropolis of the early modern Mediterranean and through it the entire fabric of a complex multicultural society Fariba Zarinebaf maps the history of crime and punishment in Istanbul over more than one hundred years considering transgressions such as riots prostitution theft and murder and at the same time tracing how the state controlled and punished its unruly population Taking us through the city's streets workshops and houses she gives voice to ordinary people the man accused of stealing the woman accused of prostitution and the vagabond expelled from the city She finds that Istanbul in this period remains mischaracterized in part by the sensational and exotic accounts of European travelers who portrayed it as the embodiment of Ottoman decline rife with decadence sin and disease Linking the history of crime and punishment to the dramatic political economic and social transformations that occurred in the eighteenth century Zarinebaf finds in fact that Istanbul had much more in common with other emerging modern cities in Europe and even in America

Forging Urban Solidarities Charles L. Wilkins, 2010 As with most empires of the Early Modern period 1500-1800 the Ottomans mobilized human and material resources for war-making on a scale that was vast and unprecedented The present volume examines the direct and indirect effects of war-making on Aleppo an important Ottoman administrative center and Levantine trading city as the empire engaged in multiple conflicts including wars with Venice 1644-69 Poland 1672-76 and the Hapsburg Empire 1663-64 1683-99 Focusing on urban institutions such as residential quarters military garrisons and guilds and using intensively the records of local law courts the study explores how the routinization of direct imperial taxes and the assimilation of soldiers to civilian life challenged and reshaped the city's social and political order

Jews, Turks, and Ottomans Avigdor Levy, 2002-11-01 This book focuses on central topics such as the structure of the Jewish community its organization and institutions and its relations with the state the place Jews occupied in the Ottoman economy and their interactions with the general society Jewish scholarship and its contribution to Ottoman and Turkish culture science and medicine Written by leading scholars from Israel Turkey Europe and the United States these pieces present an unusually broad historical canvas that brings together different perspectives and viewpoints The book is a major original contribution to Jewish history as well as to Turkish Balkan and Middle East studies

Mamluks and Ottomans David J. Wasserstein, Ami Ayalon, 2013-06-17 Focusing on Near Eastern history in Mamluk and Ottoman times this book dedicated to Michael Winter stresses elements of variety and continuity in the history of the Near East an area of study which has traditionally attracted little attention from Islamists Ranging over the period from the thirteenth to the nineteenth century the articles in this book look at the area from Istanbul down through Syria and Palestine to Arabia the Yemen and the Sudan The articles demonstrate the great wealth of the materials available in a wide variety of languages from archival documents to manuscripts and art

works as well as inscriptions and buildings police records and divorce documentation The topics covered are equally as varied and include Dufism the festival of Nabi Musa military organisations doctors and charity to name but a few Urban Governance Under the Ottomans Ulrike Freitag,Nora Lafi,2014-06-27 Urban Governance Under the Ottomans focuses on one of the most pressing topics in this field namely the question why cities formerly known for their multiethnic and multi religious composition became increasingly marked by conflict in the 19th century This collection of essays represents the result of an intense process of discussion among many of the authors who have been invited to combine theoretical considerations on the question sketched above with concrete case studies based upon original archival research From Istanbul to Aleppo and from the Balkans to Jerusalem what emerges from the book is a renewed image of the imperial and local mechanisms of coexistence and of their limits and occasional dissolution in times of change and crisis Raising questions of governance and changes therein as well as epistemological questions regarding what has often been termed cosmopolitanism this book calls for a closer investigation of incidents of both peaceful coexistence as well as episodes of violence and conflict A useful addition to existing literature this book will be of interest to scholars and researchers in the fields of Urban Studies History and Middle Eastern Studies Ransom Slavery along the Ottoman Borders Geza David,2007-08-31 Notwithstanding the spectacular upswing in the research there are areas of Ottoman slavery that have still not received the attention they deserve This volume intends to take a step towards bridging this gap The twelve studies it contains are organised around connected themes the hunt for the trade in and the treatment of captives in the Balkans and in Central Europe The area under scrutiny is focussed on Hungary and some other border regions extending from the Crimea to Malta It offers both an analytic and synthetic approach based on a great deal of so far unpublished Ottoman and European archival material It not only examines Christian slavery in the Ottoman Empire but also provides greater insight into the tribulations of Ottoman slaves in the Christian world and sheds light on the devastating effect of captive related transactions on trade and sometimes on the financial position of whole communities The New Cambridge History of Islam: Volume 2, The Western Islamic World, Eleventh to Eighteenth Centuries Maribel Fierro,2010-11-04 Volume 2 of The New Cambridge History of Islam is devoted to the history of the Western Islamic lands from the political fragmentation of the eleventh century to the beginnings of European colonialism towards the end of the eighteenth century The volume embraces a vast area from al Andalus and North Africa to Arabia and the lands of the Ottomans In the first four sections scholars all leaders in their particular fields chart the rise and fall and explain the political and religious developments of the various independent ruling dynasties across the region including famously the Almohads the Fatimids and Mamluks and of course the Ottomans The final section of the volume explores the commonalities and continuities that united these diverse and geographically disparate communities through in depth analyses of state formation conversion taxation scholarship and the military **Architecture and Urban Transformation of Historical Markets: Cases from the Middle East and North**

Africa Neveen Hamza, 2022-09-05 This book explores the complex relationship between societies architecture and urbanism of market halls traditional souqs bazaars and speciality street markets in the Middle East and North Africa It addresses how these trading environments influence perceptions of place and play an extended social political and religious role while adapting to their local climates Through Archival research and social science methodologies this book records and maps markets in urban fabrics expanding on practices underlying the push towards historical listings and the development of markets as landmarks in the urban fabric The role of markets in delivering sustainable place making strategies and influencing the development of cities socio economic and historical strength is addressed as key to their survival in the urban fabric and as place making landmarks for preserving tangible and intangible heritage Going beyond heritage and conservation studies this book discusses how positioning and restoring markets challenges urban renewal policies access to public space planning environmental sustainability security of food supply cultural heritage and tourism This is an ideal read for those interested in the history of urban development architecture and urban planning and architectural heritage

Preparing the Mothers of Tomorrow Ela Greenberg, 2012-11-30 From the late nineteenth century onward men and women throughout the Middle East discussed debated and negotiated the roles of young girls and women in producing modern nations In Palestine girls education was pivotal to discussions about motherhood Their education was seen as having the potential to transform the family so that it could meet both modern and nationalist expectations Ela Greenberg offers the first study to examine the education of Muslim girls in Palestine from the end of the Ottoman administration through the British colonial rule Relying upon extensive archival sources official reports the Palestinian Arabic press and interviews she describes the changes that took place in girls education during this time Greenberg describes how local Muslims often portrayed as indifferent to girls education actually responded to the inadequacies of existing government education by sending their daughters to missionary schools despite religious tensions or by creating their own private nationalist institutions Greenberg shows that members of all socioeconomic classes understood the triad of girls education modernity and the nationalist struggle as educated girls would become the mothers of tomorrow who would raise nationalist and modern children While this was the aim of the various schools in Palestine not all educated Muslim girls followed this path as some used their education even if it was elementary at best to become teachers nurses and activists in women s organizations

The City in the Islamic World, Volume 94/1 & 94/2 Salma K. Jayyusi, Renata Holod, Attilio Petruccioli, Andre Raymond, 2008 The purpose of this book is to draw attention to the sites of life politics and culture where current and past generations of the Islamic world have made their mark Unlike many previous volumes dealing with the city in the Islamic world this one has been expanded not only to include snapshots of historical fabric but also to deal with the transformation of this fabric into modern and contemporary urban entities Salma Khadra Jayyusi was awarded Cultural Personality of the Year by the Sheikh Zayed Book Award for her profound contribution to Arabic literature and culture in 2020 The paperback

edition of *The City in the Islamic World* was published to celebrate the occasion **The Urban Social History of the Middle East, 1750-1950** Peter Sluglett, 2008-12-08 The great cities of the Middle East and North Africa have long attracted the attention and interest of historians With the discovery and wider use over the last few decades of Islamic court records and Ottoman administrative documents our knowledge of Middle Eastern cities between the seventeenth and early twentieth centuries has vastly expanded Drawing upon a treasure trove of documents and using a variety of methodologies the contributors succeed in providing a significant overview of the ways in which Middle Eastern cities can be studied as well as an excellent introduction to current literature in the field In the Shadow of the Wall Vincent Lemire, 2023-04-04 The Maghrebi Quarter of Jerusalem long sat in the shadow of the Western Wall the last vestige of the Second Temple Three days after the June 67 War Israeli forces razed the Quarter its narrow alleys widened and homes removed to create the Western Wall Plaza With this book Vincent Lemire offers the first history of the Maghrebi Quarter spanning 800 years from its founding by Saladin in 1187 to house North African Muslim pilgrims through to its destruction To bring this vanished district back to life Lemire gathers its now scattered documentation in the archives of Muslim pious foundations in Jerusalem and the Red Cross in Geneva in Ottoman archives in Istanbul and Israeli state archives He engages testimonies of former residents and looks to recent archaeological digs that have resurfaced household objects buried during the destruction Today the Western Wall Plaza extends over the former Maghrebi Quarter It is one of the most identifiable places in the world yet one of the most occluded in history In the Shadow of the Wall offers a new point of entry to understand this consequential place The Cambridge History of Turkey Kate Fleet, Suraiya N. Faroqhi, Reşat Kasaba, 2006-11-02 Volume 3 of *The Cambridge History of Turkey* covers the period from 1603 to 1839
