**The Interpretation of The Meaning of The Holy Quran Volume 78 - Surah Al-Muzzammil,Surah Muddaththir** Nasoha Bin Saabin, I have written many books and articles on various topics but since 2013 I have devoted myself fully in writing the interpretation of the Holy Quran in English and with the grace of Allah I have completed the whole Quran on 29th October 2020 with 84 books I believe there is a great need in the whole world for the correct interpretation of the Holy Quran to be written in English Currently there is a great misunderstanding about Islam among Muslims and non Muslims globally The misunderstanding of the meaning of the Holy Quran among Muslims will lead to the wrong practice of Islam which leads to the wrong actions of Muslims The wrong actions of Muslims will lead to misunderstandings about Islam among Muslims and non Muslims The wrong actions of the Muslims have led to many miseries and wars among Muslims The wrong actions of Muslims have also led to many wars and clashes between Muslims and non Muslims In order to avoid miseries wars and clashes from taking place between the whole mankind in the whole world the whole mankind in the whole world need to understand the true teaching of Islam There is no other way for the whole mankind to understand the true teaching of Islam unless the whole mankind is able to read and understand the correct interpretation of the Holy Quran The whole mankind is only able to read and understand the correct interpretation of the Holy Quran when it is written in the universal language of the world English For this very reason I have written the interpretation of the Holy Quran in English Prof Nasoha Bin Saabin **Kill the Messenger** Maria Armoudian,2011-08-23 This wide ranging insightful book will make readers keenly aware of the media s power while underscoring the role that we all play in fostering a media climate that cultivates a greater sense of humanity cooperation and fulfillment of human potential What role do the media have in creating the conditions for atrocities such as occurred in

Rwanda Conversely can the media be used to preserve democracy and safeguard the human rights of all citizens in a diverse society How will the media now global in scope affect the fate of the planet itself The author explores these intriguing questions and more in this in depth examination of the media s power to either help or harm She begins by documenting how the media were used to spread a contagion of hate in three deadly conflicts Rwanda Nazi Germany and the former Yugoslavia She then turns to areas of the world where the media acted constructively by aiding the peace process in Northern Ireland rebuilding democracy in Chile bridging ethnic divides in South Africa improving the lot of women in Senegal and boosting transparency and democratization in Mexico and Taiwan Finally she explains how the media interact with psychological and cultural forces to impact perceptions fears peer pressure groupthink and the creation of heroes and villains **The Holy**

*One Flesh* Joe Fogle, 2007-05-05 On the sixth day of creation God formed Adam from the dust of the earth God then formed Eve from Adam's side From this day forward man was to leave his father and mother and cleave to his wife The two are joined together by God in a permanent one flesh relationship After man fell the sins of adultery fornication polygamy and divorce altered God's intention for marriage This was true of those both outside and inside God's covenant community By the time the Lord Jesus Christ came in the flesh the traditions of Judaism had either changed or nullified God's command for marriage The Lord Jesus Christ came and stated God's original intent for marriage

- 1 Permanence The husband and wife are one flesh They are permanently joined in a covenant relationship for life No person has the legal or moral authority to end what God has joined together No sin or legal document can dissolve the one flesh bond
- 2 Forgiveness This is Christ's emphasis in dealing with sin When one spouse fails the love of Christ compels the other to forgive Hardness of heart is the cause of unforgiveness and results in divorce Because of the biblical teachings of Jesus and Paul the early church held to the permanence of marriage Over the centuries Christ's commands on the permanence of marriage have been either changed or nullified They have been replaced with the traditions of men In theory Christians are taught that they may divorce and remarry if their spouse commits adultery or deserts them In practice many evangelical Christians are divorcing and remarrying for almost any reason The Lord Jesus Christ taught God's original intentions regarding forgiveness and divorce The Word of God has not changed What God has joined together let no man separate Mark 10:9
