## **The Guilty Teacher:**

*The Guilty Teacher* Paulette B. Maggiolo, 1999-07 On the flip side of The Blackboard Jungle story of several years ago is Mountridge High School the showcase of American public high schools Mountridge citizens are affluent civic minded cultured and dedicated to getting the best possible education for their children Their offspring do not have to be sent to private schools because M H S outshines them all Mountridge High has easily available funds modern amenities state of the art technology excellent teachers and professional staff members Mountridge High School however hides a cancer which devours it drug abuse School administrators trustees police and parents all deny the problem which the humble classroom teacher knows only too well Money buys not only drugs but also immunity and protection from criminal prosecution Although big money translates to forgiveness of sins it does not prevent the destruction of promising young lives The Guilty Teacher s vast tapestry of characters clearly depicts the intricacy of the American public school system School administrators some corrupted by power and influence and the need to curry favor with influential citizens often separate themselves from their teaching comrades A few try to do what s right but are often defeated by the system Dr Susan Baker at least understands the problems and fights from within the system for improvement While some teachers just put their time in and do no more teachers like Pete Clairwood strive valiantly to balance their calling to educate young people with the daily abuse from students and corrupted administrators and the pressure from their families to do anything besides teach They are often pawns in administrative political maneuvers and too frequently become convenient scapegoats for many of the school s and society s problems The reader also comes to know the students those already caught up in the greed degeneration and evil of the drug culture and those who struggle to escape from this culture without ostracizing themselves from their peers Kenneth Waymart is the corrupted golden boy athlete who has gotten himself into a deeper hole with local drug dealers than he ever intended Jeff Taskend III Mountridge High s valedictorian represents the terrible choices that good conscientious teenagers feel they must make choices between popularity or conformity compromise or despair parental approval or peer approval Their shared love interest Charlotte Van Tabor hides a secret from her prominent parents and her adoring new boyfriend until she can no longer bear the strain Immersion in the emotional roller coaster of these complicated lives is immediate and powerful Tender family ties and adolescent love are offset by dark secrets of generation old mistakes terror laden threats from dangerous drug dealers and desperate human passions Although Susan Baker and other committed educators realize that the gap between the children and the adults has widened to such an extent in recent decades that it is practically impossible to cross they are convinced that their profession might be the only one which can have a positive impact on shaping the future of America s children

**The Christian Teacher in Sunday Schools** Rev. Robert STEEL, 1867     *The Christian Teacher in Sunday Schools* Robert Steel (D.D.), 1867     The National Sunday School Teacher Edward Eggleston, Marshall Curtiss Hazard, 1872     The Teacher's visitor. Ed. by W.C. Wilson William Carus Wilson, 1844

**English for Business Studies Teacher's Book** Ian Mackenzie, I. E. Mackenzie, 2010-04 A reading speaking listening and writing course for learners with at least an upper intermediate level of English who need to understand and express the key concepts of business and economics

**Grieving as a Teacher's Curriculum** Edward Podsiadlik III, 2019-12-16 Teachers are not automatons An educator's personal values concerns and aspirations cannot be cleaved from one's professional life without impacting the quality and relevance of the teaching experience This book examines spaces where the personal and professional intersect thereby deepening our understanding of the nuances and complexities of a teacher's work It draws readers into places of vulnerability moments of grieving As a teacher's curriculum as a curriculum of life grief has much to teach about sympathy compassion and resilience Educational philosophy literary analysis and reflective practice are used to explore ways grief can help us better ascertain the scope and depth of the educators we are and have the potential to become Pieces of literature used include works by Pat Conroy Charles Dickens Stephen King Rabindranath Tagore Virgil Franz Wedekind and Virginia Woolf Also included are ideas from a diverse set of educational philosophers social and cultural commentators poets and more Chapters conclude with Topics for Reflection for further individual and or collective reflection and discourse Educators at all stages of their careers will benefit from this study that demonstrates the impact personal grieving can have on remembering recovering and reidentifying with one's mission and vision As a resource for pre service or veteran teachers the text celebrates the power of introspection to transform our work our lives and the lives of our students It is equally relevant for parents coaches mentors and anyone who takes on the kinds of teacher roles that impact nourish and inspire the lives of others See inside the book

The Ohio Teacher ,1907      The New York Teacher ,1861

*Matthew: The Teacher's Gospel* Paul S. Minear, 2003-09-08 Most studies of Matthew have been oriented toward a recovery of the portrait of Jesus or toward strengthening faith in him in our time I have chosen a different orientation The focus of my attention is on the work of the Evangelist as a teacher and on his intended audience in the churches of the first century men and women who like many of us were charged with basic educational work among adult believers in Jesus Christ I hope that such an orientation may strengthen your sense of kinship both with the Evangelist who was a teacher and with his first readers who also were teachers From the Preface This insightful commentary on the Gospel of Matthew will help readers better understand the importance of this book of the New Testament Paul S Minear focuses on Matthew as a teacher in the early Christian church assesses Matthew's impact on Christians in the first century and examines the fascinating array of literary forms found in this Gospel Throughout the book aims at increasing comprehension of the distinctive and constructive theological stance of Matthew
